DAVIDSON'S PETITION IN WYMAN MATTER

Solicitor Gives His Reasons For Efforts to Oust This City's Chief of Police.

THE OLD GROUNDS AGAIN WERE GONE OVER

Lisbon, September 30.—(Special)—George E. Davidson, as solicitor for the city of East Liverpool, filed a petition in court here today against James H. Grafton, W. L. Taylor, Daniel M. Ogilvie and Job H. Dawson, as directors of the public safety in the city of East Liverpool, and William A. Weaver, as mayor of the city, asking that these officials be restrained from appointing John W. Wyman chief of police in that city on the ground that Mr. Wyman was ineligible to take the preliminary competitive examination that was held. This action was foreshadowed exclusively in the News Review yesterday.

The petition says that on the fourth of May last, when the new legislative act pertaining to the government of cities went into effect, the police department of East Liverpool was composed of eight patrolmen and a city marshal with no office of chief of police. The eight patrolmen who were then in service of the city are still holding their positions and are in the classified service of the city under the new code. On July 20, 1903, the city council enacted an ordinance providing for chief of police, seven patrolmen and one night watchman.

The plaintiff alleges that prior to the appointment of the board of public safety included among the defendants, the mayor, W. A. Weaver, by a secret agreement with a majority of the prospective members of the board of public safety, provided for the appointment of John W. Wyman as chief of police. Upon taking office on May 4, 1903, Mayor Weaver appointed Mr. Wyman a temporary chief of police.

It is alleged by the solicitor that this appointment was made at the solicitation of Mr. Wyman and in recognition of his political influence in aiding the election of Mayor Weaver, and that there was no public exigency demanding the appointment. On August 20, 1903, the board of public safety adopted rules and regulations for carrying out the purposes of the merit system for police appointment in accordance with the provisions of the new code, which provides that any personal solicitation directed to the appointing power in behalf of any candidate shall disqualify that candidate from competing at any examination for one year thereafter.

When the board of public safety on September 11 last held an examination of applicants for admission to the classified service of the police department

DEIDRICK SUES HIS PARTNERS

Troubles of Salineville Pottery Find Their Way Into Court.

AN INJUNCTION IS SOUGHT

Lisbon, September 30.—(Special)—William H. Deidrick, of Salineville, is plaintiff in a suit against the Dresden China company of that town and H. R. Shaff, J. J. Kirk, James Dodds and H. A. Kirk, asking that the defendants be restrained from offering for sale his stock in the china company or in any way disposing of it.

The plaintiff says that he and the four defendants are the directors of the Dresden China company, elected a year ago in July to serve one year, and that none of the defendants, all of whom have continued in office, have taken oath since July to discharge their duties faithfully.

Mr. Deidrick alleges that on September 16 last he was the owner of 110 shares of stock in the company and that on May 9 all the stockholders except J. W. Shaff signed a written agreement that each would contribute 50 per cent of his funds to the company, conditioned upon all the stockholders signing the agreement. Three days later H. R. Shaff, who is also secretary and treasurer of the company, asked the plaintiff to endorse over immediately 50 per cent of his stock in the company, it is alleged.

This Mr. Deidrick refused to do until all the stockholders had signed the agreement, whereupon he alleges the defendant directors by menaces and threats compelled him to do so.

Immediately afterwards in the absence of the plaintiff, who is president of the board of directors, it is alleged, that the remaining directors held a pretended meeting without notifying him and went through the form of accepting his contribution of stock. The plaintiff says that on September 21 he notified the remaining directors of the company not to transfer his stock or in any way dispose of it, but alleges that they will do so unless restrained.

FRIGHTFUL DEATH OF MAJOR HAY

PITTSBURG MAN KILLED IN ELEVATOR ACCIDENT.

Well Known in This City, Where His Son Was When the Sad News Came.

Major Samuel Worthington Hay, a well known Pittsburger, son of a former mayor of that city, was killed in an elevator accident in the Arrott building, at Fourth avenue and Wood street, Pittsburg, yesterday afternoon. Major Hay attempted to leave the elevator car at the fourth floor after it started, and was crushed to death between the car, the grating and t' ceiling. The car was upward bound, and as it passed the body dropped 90 feet to the basement below.

He was 56 years old and one of the best known citizens of Pittsburg. His son, Ralph W., was in East Liverpool at the time of the accident, having come on Monday to take the place of Thomas Stevens in the Ohio Valley gas office while Mr. Stevens took his vacation. Mr. Hay was notified at 3 p. m. of his father's death and at once left for Pittsburg.

Major Hay was well known in East Liverpool. He was connected with the Pennsylvania railroad freight department for some years and later superintendent of the Howe, Brown & Co. foundry. About 15 years ago he became Pittsburg manager of the Whiting Foundry Equipment company, of Harvey, Ill. He served both in the civil war and the Spanish-American war and was past commander of Duquesne post, G. A. R. He was also a prominent Mason and Y. M. C. A. worker. His wife, two sons and a daughter survive.

THE PLUMBERS' STRIKE IS SETTLED AT LAST

Efforts of Trades Council Committee Finally Bring About This Result.

Through the efforts of the grievance committee of Trades and Labor Council the prolonged strike of the plumbers has been settled. The strike has been on since early last spring. According to the terms of the agreement the settlement of the matter is for a period of nearly two years, the date decided upon being May 1, 1905.

The grievance committee, composed of the following: William Pittinger, A. E. Bartele, Peter Hague, Edward Hattan and Edward Hickey and Messrs. Milligan, Hymes and Kinsey, for the master plumbers, and Messrs. Bence, Heeman and Zang for the journeymen, had the different questions under careful consideration for some time and finally the following agreement was reached, all being heartily in favor of it:

The wages of the journeymen will be $3.75 per day of eight hours for five days and seven hours on Saturday.

In the original proposition of the journeymen $4 per day was asked. They had been receiving $3.50 per day of nine hours during eight months of the year and eight hours during the remaining four months. The season proposition is not included in the agreement, and the journeymen feel that they have gained quite a nice victory.

CLUBBED HIS WIFE AND BROKE BONES

Ugly Charges Made Against Frank Allman, Who Was Taken to Jail.

TWO SUITS AGAINST HIM

John D. Allman, the machinist, who was bound over to court by 'Squire McCarron in the sum of $500 to answer to a charge of non-support, preferred against him by his wife, has been made defendant in another case, Attorney Frank E. Grosshans having filed a suit for the wife against him for $300 alimony. Allman was taken to Lisbon this afternoon by Constable Powell, where he will be jailed to await both hearings.

The accused man was taken before 'Squire McCarron this morning to answer to an attachment made on $310 which he has on deposit in the People's bank, Wellsville. Owing to Constable Copestick he was dismissed. The constable failed to make proper returns on certain papers served, and Attorney McGarry, for the defendant, grasped the point immediately and had the case thrown out of court. Copestick was severely criticised for his negligence and also for releasing Allman from the city jail yesterday and taking him around to resorts of pleasure.

Though this case was dropped Allman will meet the same charge when answering the alimony proceedings.

Attorney Grosshans, employed by Mrs. Allman, says he will get every cent sued for. He will bring into play particulars of Allman's past life, and it promises to be interesting. The allegation is made that Allman struck his wife five years ago with a club and broke two bones in her arm, that he cruelly mistreated her upon another time when she was in a critical condition; that he has threatened to kill her time and again; that he has only given her $5 in five years; that he gave one of the five children $1 once, another 50 cents, and on the birthday of Mrs. Allman some time ago he gave one of the children 10 cents and told her to give it to her mother as a birthday gift.

TWO YEAR AGREEMENT ON POTTERS' WAGE SCALE

When the board of arbitration, now engaged upon the task of settling the two disputed points in the pottery wage scale, concludes its labors, the agreement between the manufacturers and operatives thus effected will, in all likelihood, endure for two years. President Thomas J. Duffy, of the N. B. of O. P., announced this afternoon that the vote of the different locals, so far received, was largely in favor of the two-year agreement.

The proposition is one of the most important that has come up in many years. The public generally is vitally interested; for, according to the statements made by prominent business men, all interests will benefit by doing away with the flurry that usually attends the yearly readjustments of the wage scale. This year the business interests are said to have suffered noticeably by the uncertainty which for a time attended the readjustment.

The constitution of the Brotherhood stipulates that yearly agreements shall be made and it was necessary to take a referendum vote so that the action in agreeing for two years would be legal. This vote shows that the trade favors the longer term.

When the question came up in the conferences held in this city and Philadelphia it was tacitly agreed to submit it to the arbitration board and submit to its findings, providing that the sanction of the trade could be had. The arbiters will undoubtedly take the necessary steps to make the agreement binding for two years.

The arbiters had not concluded the work of examining the witnesses called before them to explain the work over which the price to be paid is in dispute. The session yesterday was adjourned shortly after 6 p. m., after quite a number of witnesses had been heard. During the afternoon the arbiters visied the K., T. & K. pottery to better acquaint themselves with the conditions.

It is thought that a decision as regards both disputes will be reached tonight, as the consideration of the evidence, after it has all been taken, will not require a great length of time.

AN UPRIGHT LIFE COMES TO A CLOSE

Chas. H. Murphy Cut Down By Death in the Midst of Promising Career.

SUCCESSFUL IN BUSINESS

And Universally Esteemed for His Many Excellent Qualities—Suddenly Stricken With Pneumonia While Visiting His Parents.

Charles Henry Murphy, one of the best known and most highly respected young business men of Columbiana county, died at 3:30 yesterday afternoon at the home of his parents, Mr. and Mrs. T. B. Murphy, of Fourth street. He had been ill but a short time, and though his death was known to be the question of but a few hours, the news saddened the entire community where he was esteemed and respected by all.

A little over two weeks ago Mr. Murphy, with his wife and three children, came from Salem to East Liverpool, where it was proposed that they spend the brief holiday allotted to a busy merchant. They were guests of Mr. Murphy's parents and spent a very happy time for a few days. Then Mr. Murphy was attacked by rheumatism, with which he had been troubled on a previous occasion. It might be said that he was a doomed man from that moment, for there was not a time that he was considered better. Pleural pneumonia set in almost immediately and he grew steadily worse. Everything known to medical science was done to relieve his sufferings, but the efforts were without avail.

Mr. Murphy became unconscious at 5 o'clock yesterday morning, and save for a brief space of time between 7 and 8 o'clock, remained in that state until his death. During that interval of consciousness the scene at the bedside was pathetic in the extreme. The father called his little family about him, and calling each by name, bade them a fond farewell. He next took leave of his parents and brothers and sisters, assuring all that he was ready to go into the presence of the Master, dying as he had lived, a Christian, a loving father and a dutiful son. Dennis Triem, Mr. Murphy's business partner, was also present, and though the parting in this instance was different from the others, it was none the less touching. From that time until the moment of his death the sick man sank steadily, and life was prolonged for the last few hours only by the administration of oxygen and other stimulants.

In the death of Charles H. Murphy, Columbiana county loses one of its best citizens, most enterprising young business men and a man of sterling integrity, the friendship of whom any one would be proud to own. He was born in Brownsville, Pa., 40 years ago the 15th of last April, and at the age of 9 years removed with his parents to this city. He was associated with his brother, George C. Murphy, in the clothing and gents' furnishing business here for many years, and in 1897 went to Salem, where he has since resided. With his partner, Dennis Triem, one of the best known young merchants of Salem, he has been in the clothing business there for the past seven years, and by virtue of an extraordinary business tact and fair dealing at all times, earned for himself a place high in the esteem of his townsmen. Charles H. Murphy was a business man, a gentleman and a public spirited citizen who will be sadly missed in his home town.

Mr. Murphy married Miss Laura Morton in this city in 1893, and the union was blessed by the birth of three children, all of whom, with the mother, survive. The children are Thomas B., aged 9 years; Marie, 7 years old, and Geo. Morton, who is the youngest, being but 3. Mr. Murphy is also survived by his aged parents, three brothers and three sisters, George C. Murphy, Miss Ollie H. Murphy, Mrs. Ella M. Kober, Mrs. George Gilchrist, of Wheeling; Wm. L. Murphy, of Sebring, and Harry E., of this city. Mr. Murphy was a member of the Masonic order, and the members of the local lodge, to which he former-

DR. MONTGOMERY CANNOT COME HERE

Word From Findlay Pastor Sadly Disappoints East Liverpool Church,

FAREWELL TO MR. JORDAN

Rev. John Montgomery, to whom the First Presbyterian church extended a call to become the successor of Rev. Charles G. Jordan as pastor, will not become a resident of this city. This information, which brought deep disappointment to the members of the church, was received in a telegram addressed to the session of the congregation last evening. Mr. Montgomery states that the presbytery to which he belongs, at a meeting at Lima, refused to release him. The action was taken after a strong petition from the Findlay congregation had been presented by a committee appointed for that purpose. Mr. Montgomery, owing to the strong sentiment manifested in favor of him remaining where he is, agreed to refer the whole matter to the presbytery and abide by its decision.

This leaves the whole question of a new pastor open for the decision of the church. So far as is known, there is no particular candidate in view, though several are available. The session of the church will meet this evening to canvass the situation and take steps toward filling the vacancy as early as possible.

Rev. Charles G. Jordan was given an impressive farewell at the Sunday school room of the church last evening. He leaves the city shortly to engage in evangelistic work. His assistant, Miss Etta McClung, for whom also the farewell reception was arranged, will also take up other lines of church work.

The Sunday school room was thronged all the evening with parishioners and friends of the two conspicuous church workers. Many expressions of regret and well wishing were spoken. J. J. Purinton, Mrs. W. R. Clark, Col. H. R. Hill and Professor H. F. Laughlin received the people, and the occasion was a memorable one. The room was handsomely decorated. Supt. R. E. Rayman presided. The program opened with a selection by the Gwendolyn quartet, consisting of Misses Harrison, James, Baxter and Scott.

Rev. Dr. J. C. Taggart offered a fervent prayer. W. A. Hill, speaking for the session, told of the sorrow felt at the pastor's departure. Frank Gardner, in behalf of the Sunday school, told of the great work Mr. Jordan had done for the young people, and Will Rhodes spoke along similar lines for the Christian Endeavor society. N. A. Frederick, representing the congregation, gave Mr. Jordan high eulogy for his work, and while regretting his retirement, regarded it as an advancement into a broader field of endeavor. Remarks were made by D. M. McLane, Miss McClung, Rev. Dr. Pratt, Thomas W. Morris, Rev. Mr. Jordan and Sterling Carson.

Dr. Pratt, for the ministers of the city, paid a high tribute to his ministerial brother. Mr. Jordan thanked his friends and the congregation for their loyal support and gave abundant expression to good wishes. The speeches closed with an address by Rev. Dr. Milligan, former pastor. Mr. Carson, representing the choir, presented Mr. Jordan a fine suit case. The program over, refreshments were served and a delightful social hour was spent.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Its Terms Are Preferred to Those Offered by the Columbiana County Company.

REPORT OF THE INVESTIGATING COMMITEE

Nearly half a hundred representative citizens assembled at the Y. M. C. A. hall last evening in response to a call for a mass meeting having for its object the acceptance or rejection of the proposition of one or the other of the two telephone companies doing business in East Liverpool.

From beginning to end there was little of a complimentary nature to be said for the Columbiana County company, and since the direct representatives of both companies were excluded from the meeting, no one appeared to champion the cause of the latter concern.

The meeting was called to order by Louis Steinfeld, president of the Business Men's association, who stated the assemblage had been called together for the purpose of determining upon what system the business, manufacturing and professional interests should adopt for their own. He said a movement had been inaugurated in the association of business men to resist the attempt of the Columbiana company to raise their rates.

Several meetings has been held and an executive committee was appointed to procure a proposition from both of the local corporations, looking to the adoption of the one offering the best inducements, both as to rates and service to be furnished.

Mr. Steinfeld stated that the committee, which was composed of Joseph Betz, Henry Joseph and C. A. Ferguson, was ready to report, and if there were no objections the committee would be heard. The report was as follows:

East Liverpool, O., Sept. 29.

To the Mass Meeting of Telephone Subscribers, Y. M. C. A. Hall.

Your committee appointed to obtain from the telephone companies doing business in this city the best rates beg leave to report as follows:

The first conference was held with representatives of the Columbiana County Telephone company and the situation canvassed in all its phases.

The committee insisted that the company live up to the letter and spirit of the franchise granted by our city council, but this they refused to accede to. The representatives stated that the rates promulgated in the company's letter of September 1, 1903, a copy of which was mailed to each subscriber, will be enforced without change. They agreed, however, to add another classification to the official schedule, to be known as city ser-

LOUNDS RETURNS SAFE AND HAPPY

Popular Potter Enjoyed Every Moment of His Old World Journey.

INTERESTING SPOTS SEEN

Hale and hearty and happy as a lark, Thomas Lounds returned on the early train this morning from his trip abroad, cheerfully given him by the News Review as the prize for winning the greatest popularity contest ever known in this city or vicinity. It will be remembered that Mr. Lounds was the winner of the first place in the contest, with J. E. Anderson and Thomas Neal winners of second and third places respectively. The return of Mr. Lounds from his delightful trip, though closing the last chapter of the great event, will not obliterate it from the minds of the thousands who displayed so much enthusiasm while it was in progress.

Mr. Lounds frankly says that it was the greatest trip of his life; that he never spent a more pleasurable period and never expects to in the future. He is greatly appreciative of the News Review's effort, and made the request this morning that both the paper and his numberless friends who carried him to victory in the exciting contest be extended through the columns of the News Review his sincere thanks.

The sea voyage made by Mr. Lounds, both going and returning, was made on the palatial steamer, the Ethopia. Sailing from New York on August 29, he arrived in Glasgow on good time, after a most pleasant trip and immediately commenced a tour of all points of interest. From Glasgow he went to Liverpool, thence to London, Dublin, Hanley, Isle of Man, Greenock, Moville and lastly Tunstall, the home of his parents. His return trip on the Ethopia was rather exciting, the seas rolling high and in one instance hurling a man of Cleveland a distance of 20 feet, rendering him unconscious and nearly killing him.

Among the most interesting sights witnessed by Mr. Lounds were castles, beautiful in structure and ranging in age from 700 to 800 years. The mammoth Firth of Forth bridge at Greenock was a great sight and so was the tower of London. Mr. Lounds says that the great potteries that he visited at Hanley and vicinity are all running slack, the trade being very

President Thomas J. Duffy, of the N. B. of O. P., announced this afternoon that the vote of the different locals, so far received, was largely in favor of the two-year agreement.

The proposition is one of the most important that has come up in many years. The public generally is vitally interested; for, according to the statements made by prominent business men, all interests will benefit by doing away with the flurry that usually attends the yearly readjustments of the wage scale. This year the business interests are said to have suffered noticeably by the uncertainty which for a time attended the readjustment.

The constitution of the Brotherhood stipulates that yearly agreements shall be made and it was necessary to take a referendum vote so that the action in agreeing for two years would be legal. This vote shows that the trade favors the longer term.

When the question came up in the conferences held in this city and Philadelphia it was tacitly agreed to submit it to the arbitration board and submit to its findings, providing that the sanction of the trade could be had. The arbiters will undoubtedly take the necessary steps to make the agreement binding for two years.

The arbiters had not concluded the work of examining the witnesses called before them to explain the work over which the price to be paid is in dispute. The session yesterday was adjourned shortly after 6 p. m., after quite a number of witnesses had been heard. During the afternoon the arbiters visied the K., T. & K. pottery to better acquaint themselves with the conditions.

It is thought that a decision as regards both disputes will be reached tonight, as the consideration of the evidence, after it has all been taken, will not require a great length of time.

AN UPRIGHT LIFE COMES TO A CLOSE

Chas. H. Murphy Cut Down By Death in the Midst of Promising Career.

SUCCESSFUL IN BUSINESS

And Universally Esteemed for His Many Excellent Qualities—Suddenly Stricken With Pneumonia While Visiting His Parents.

Charles Henry Murphy, one of the best known and most highly respected young business men of Columbiana county, died at 3:30 yesterday afternoon at the home of his parents, Mr. and Mrs. T. B. Murphy, of Fourth street. He had been ill but a short time, and though his death was known to be the question of but a few hours, the news saddened the entire community where he was esteemed and respected by all.

A little over two weeks ago Mr. Murphy, with his wife and three children, came from Salem to East Liverpool, where it was proposed that they spend the brief holiday allotted to a busy merchant. They were guests of Mr. Murphy's parents and spent a very happy time for a few days. Then Mr. Murphy was attacked by rheumatism, with which he had been troubled on a previous occasion. It might be said that he was a doomed man from that moment, for there was not a time that he was considered better. Pleural pneumonia set in almost immediately and he grew steadily worse. Everything known to medical science was done to relieve his sufferings, but the efforts were without avail.

Mr. Murphy became unconscious at 5 o'clock yesterday morning, and save for a brief space of time between 7 and 8 o'clock, remained in that state until his death. During that interval of consciousness the scene at the bedside was pathetic in the extreme. The father called his little family about him, and calling each by name, bade them a fond farewell. He next took leave of his parents and brothers and sisters, assuring all that he was ready to go into the presence of the Master, dying as he had lived, a Christian, a loving father and a dutiful son. Dennis Triem, Mr. Murphy's business partner, was also present, and though the parting in this instance was different from the others, it was none the less touching. From that time until the moment of his death the sick man sank steadily, and life was prolonged for the last few hours only by the administration of oxygen and other stimulants.

In the death of Charles H. Murphy, Columbiana county loses one of its best citizens, most enterprising young business men and a man of sterling integrity, the friendship of whom any one would be proud to own. He was born in Brownsville, Pa., 40 years ago the 15th of last April, and at the age of 9 years removed with his parents to this city. He was associated with his brother, George C. Murphy, in the clothing and gents' furnishing business here for many years, and in 1897 went to Salem, where he has since resided. With his partner, Dennis Triem, one of the best known young merchants of Salem, he has been in the clothing business there for the past seven years, and by virtue of an extraordinary business tact and fair dealing at all times, earned for himself a place high in the esteem of his townsmen. Charles H. Murphy was a business man, a gentleman and a public spirited citizen who will be sadly missed in his home town.

Mr. Murphy married Miss Laura Morton in this city in 1893, and the union was blessed by the birth of three children, all of whom, with the mother, survive. The children are Thomas B., aged 9 years; Marie, 7 years old, and Geo. Morton, who is the youngest, being but 3. Mr. Murphy is also survived by his aged parents, three brothers and three sisters, George C. Murphy, Miss Ollie H. Murphy, Mrs. Ella M. Kober, Mrs. George Gilchrist, of Wheeling; Wm. L. Murphy, of Sebring, and Harry E., of this city. Mr. Murphy was a member of the Masonic order, and the members of the local lodge, to which he former-

DR. MONTGOMERY CANNOT COME HERE

Word From Findlay Pastor Sadly Disappoints East Liverpool Church.

FAREWELL TO MR. JORDAN

Rev. John Montgomery, to whom the First Presbyterian church extended a call to become the successor of Rev. Charles G. Jordan as pastor, will not become a resident of this city. This information, which brought deep disappointment to the members of the church, was received in a telegram addressed to the session of the congregation last evening. Mr. Montgomery states that the presbytery to which he belongs, at a meeting at Lima, refused to release him. The action was taken after a strong petition from the Findlay congregation had been presented by a committee appointed for that purpose. Mr. Montgomery, owing to the strong sentiment manifested in favor of him remaining where he is, agreed to refer the whole matter to the presbytery and abide by its decision.

This leaves the whole question of a new pastor open for the decision of the church. So far as is known, there is no particular candidate in view, though several are available. The session of the church will meet this evening to canvass the situation and take steps toward filling the vacancy as early as possible.

Rev. Charles G. Jordan was given an impressive farewell at the Sunday school room of the church last evening. He leaves the city shortly to engage in evangelistic work. His assistant, Miss Etta McClung, for whom also the farewell reception was arranged, will also take up other lines of church work.

The Sunday school room was thronged all the evening with parishioners and friends of the two conspicuous church workers. Many expressions of regret and well wishing were spoken. J. J. Purinton, Mrs. W. R. Clark, Col. H. R. Hill and Professor H. F. Laughlin received the people, and the occasion was a memorable one. The room was handsomely decorated. Supt. R. E. Rayman presided. The program opened with a selection by the Gwendolyn quartet, consisting of Misses Harrison, James, Baxter and Scott.

Rev. Dr. J. C. Taggart offered a fervent prayer. W. A. Hill, speaking for the session, told of the sorrow felt at the pastor's departure. Frank Gardner, in behalf of the Sunday school, told of the great work Mr. Jordan had done for the young people, and Will Rhodes spoke along similar lines for the Christian Endeavor society. N. A. Frederick, representing the congregation, gave Mr. Jordan high eulogy for his work, and while regretting his retirement, regarded it as an advancement into a broader field of endeavor. Remarks were made by D. M. McLane, Miss McClung, Rev. Dr. Pratt, Thomas W. Morris, Rev. Mr. Jordan and Sterling Carson.

Dr. Pratt, for the ministers of the city, paid a high tribute to his ministerial brother. Mr. Jordan thanked his friends and the congregation for their loyal support and gave abundant expression to good wishes. The speeches closed with an address by Rev. Dr. Milligan, former pastor. Mr. Carson, representing the choir, presented Mr. Jordan a fine suit case. The program over, refreshments were served and a delightful social hour was spent.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Its Terms Are Preferred to Those Offered by the Columbiana County Company.

REPORT OF THE INVESTIGATING COMMITEE

Nearly half a hundred representative citizens assembled at the Y. M. C. A. hall last evening in response to a call for a mass meeting having for its object the acceptance or rejection of the proposition of one or the other of the two telephone companies doing business in East Liverpool.

From beginning to end there was little of a complimentary nature to be said for the Columbiana County company, and since the direct representatives of both companies were excluded from the meeting, no one appeared to champion the cause of the latter concern.

The meeting was called to order by Louis Steinfeld, president of the Business Men's association, who stated the assemblage had been called together for the purpose of determining upon what system the business, manufacturing and professional interests should adopt for their own. He said a movement had been inaugurated in the association of business men to resist the attempt of the Columbiana company to raise their rates.

Several meetings has been held and an executive committee was appointed to procure a proposition from both of the local corporations, looking to the adoption of the one offering the best inducements, both as to rates and service to be furnished.

Mr. Steinfeld stated that the committee, which was composed of Joseph Betz, Henry Joseph and C. A. Ferguson, was ready to report, and if there were no objections the committee would be heard. The report was as follows:

East Liverpool, O., Sept. 29.

To the Mass Meeting of Telephone Subscribers, Y. M. C. A. Hall.

Your committee appointed to obtain from the telephone companies doing business in this city the best rates beg leave to report as follows:

The first conference was held with representatives of the Columbiana County Telephone company and the situation canvassed in all its phases.

The committee insisted that the company live up to the letter and spirit of the franchise granted by our city council, but this they refused to accede to. The representatives stated that the rates promulgated in the company's letter of September 1, 1903, a copy of which was mailed to each subscriber, will be enforced without change. They agreed, however, to add another classification to the official schedule, to be known as city ser-

NETTIE BURROWS IS HEARD FROM

The Missing Girl Is Safe at the Home of William Prosser, New Cumberland.

Nettie, the 14-year-old daughter of Mrs. Levi Burrows, who mysteriously disappeared on last Friday, exclusive mention of which was made in last evening's News Review, has been located. Thomas Marron received a letter from New Cumberland this morning, stating that the girl is at the home of William Prosser, in that city.

The distracted parent of the child was notified this morning and will see that the girl is returned home.

Mrs. Wright Sues Administrator.

Lisbon, September 30.—(Special.)—Florence Wright Cumberland, of Hanover township, through her attorneys, Charles S. Speaker and George P. Farrell, has filed a new petition in common pleas court against William C. Wright, as administrator of the estate of Mary A. Crayton, deceased, and the American Surety company, of New York, asking that the judgment of the probate court of this county in approving the account of the defendant as administrator and accepting his resignation be set aside.

LOUNDS RETURNS SAFE AND HAPPY

Popular Potter Enjoyed Every Moment of His Old World Journey.

INTERESTING SPOTS SEEN

Hale and hearty and happy as a lark, Thomas Lounds returned on the early train this morning from his trip abroad, cheerfully given him by the News Review as the prize for winning the greatest popularity contest ever known in this city or vicinity. It will be remembered that Mr. Lounds was the winner of the first place in the contest, with J. E. Anderson and Thomas Neal winners of second and third places respectively. The return of Mr. Lounds from his delightful trip, though closing the last chapter of the great event, will not obliterate it from the minds of the thousands who displayed so much enthusiasm while it was in progress.

Mr. Lounds frankly says that it was the greatest trip of his life; that he never spent a more pleasurable period and never expects to in the future. He is greatly appreciative of the News Review's effort, and made the request this morning that both the paper and his numberless friends who carried him to victory in the exciting contest be extended through the columns of the News Review his sincere thanks.

The sea voyage made by Mr. Lounds, both going and returning, was made on the palatial steamer, the Ethopia. Sailing from New York on August 29, he arrived in Glasgow on good time, after a most pleasant trip and immediately commenced a tour of all points of interest. From Glasgow he went to Liverpool, thence to London, Dublin, Hanley, Isle of Man, Greenock, Moville and lastly Tunstall, the home of his parents. His return trip on the Ethopia was rather exciting, the seas rolling high and in one instance hurling a man of Cleveland a distance of 20 feet, rendering him unconscious and nearly killing him.

Among the most interesting sights witnessed by Mr. Lounds were castles, beautiful in structure and ranging in age from 700 to 800 years. The mammoth Firth of Forth bridge at Greenock was a great sight and so was the tower of London. Mr. Lounds says that the great potteries that he visited at Hanley and vicinity are all running slack, the trade being very

One of his best pieces of work was the tankard jug, the gift of the mail carriers to President Roosevelt, which he decorated.

vice and confining the subscribers thereto to the East Liverpool exchange only, calls outside of this exchange to be charged for at regular toll rates. The rates for this service were to be as follows:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line		16 00
Three-party line		14 00
Four-party line		12 00

Subject to a discount of 10 per cent for prompt payment. The discount under this schedule the officials were at first reluctant to grant, but they finally agreed unequivocally thereto. They also agreed to enter into contracts for a term of not to exceed three years. The gentlemen were requested to submit their proposition in writing and on the following day this communication was received:

East Liverpool, O., Sept. 19.

Mr. Joseph Betz, Chairman of the Business Men's Committee.

Dear Sir—In compliance with your request we hereby submit a written statement of the additional service classification outlined to your committee on the 18th inst. To meet a popular demand we have established a rate for city service as follows:

	Business.	Residence.
For individual line	$24 00	$18 00
For two-party line	22 00	16 00

These rates are to apply for service between telephones connected with one exchange only. That is to say for messages to any exchange in the system except to subscribers connected directly to the exchange in the same city a toll charge will be made. We regret to say that our tentative offer of a discount on such service we find after careful and mature consideration we cannot afford to confirm and that such rates will be subject to no discount. Also that we cannot afford to reduce the rates for free county service as set forth in our schedule under date of Sept. 1, 1903, a copy of which was forwarded to every subscriber to the service of this company. We can make no reduction on free county rate to apply to service between East Liverpool and Lisbon as requested on behalf of the bar association. However, we will enter into contracts for a restricted county service at a reduction of rate from the unlimited county service depending on the number of calls to be transmitted per year. The points to which such service is required and other governing features, which would determine the rate in each particular case. There are so many possible combinations that a complete schedule of rates covering all conditions would be almost interminable in length and has therefore not been prepared. Each such case will be considered in its several features and the rates fixed accordingly. The only modification we are prepared at this time to make to the schedule of rates already submitted to subscribers is the addition thereto of city service. We have secured a large number of subscriptions for local rates as set forth in our schedule. Any subscriber who has signed contract for such service, but desires the cheaper and more restricted service we now propose to furnish, can have such contract cancelled by signing a new contract for such city service. Should your committee desire any information that we can furnish relative to any feature of the cost of constructing, operating, or maintaining a telephone system, it will afford us pleasure to furnish such information. Enclosed herewith are copies of contracts we are securing from subscribers at this time which you requested.

Respectfully,
THE COLUMBIANA COUNTY TELEPHONE COMPANY,
W. F. Crossley, Sec'y.

Approved: Maxine Reber, Vice President.

P. S.—We omitted the term of contract we are willing to sign for, but will add that we are prepared to sign contracts for a term of three years.

W. F. CROSSLEY.

You will note that in this letter the company not only withdraws the three and four-party rates for city service, but, what is vastly more important, also the 10 per cent discount for prompt payment under this schedule. This means that subscribers to city and county service will not be entitled to any cash discounts, whereas subscribers to the local service will get this service at 10 per cent less than the schedule rates.

On Thursday evening of last week your committee met the representatives of the Bell Telephone company, and these gentlemen submitted the following rates, covering service within the East Liverpool exchange alone:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line	18 00	15 00
Three-party line		12 00

[All party lines to be selective ring.]

These rates are to be charged flat, the old rebate system discarded and all old contracts to remain in force at the option of the individual subscriber. This company is not in favor of long-term contracts, claiming that they are unfair to both parties, but agrees to enter into contracts for a term not to exceed three years.

The Bell company had previously offered the following rates for service between East Liverpool and Wellsville:

	Business.	Residence.
Individual line	$30 00	$24 00
Two-party line	24 00	18 00

This proposition was later withdrawn, and the one above noted substituted.

The toll rates of the Bell company within the county are:

To Wellsville, 10 cents; Lisbon and Salineville, 15 cents; Salem, Leetonia, Columbiana and East Palestine, 20 cents. The Columbiana County makes a toll charge of 10 cents to all parts of the county.

Upon investigation we find that this city enjoys as low, if not lower rates, than other cities of its size.

In conclusion permit us to state that for advertising this meeting and the rent of the Y. M. C. A. hall an unavoidable expense of about $35 has been incurred. To meet this expenditure you are respectfully requested to make proper provision.

Respectfully submitted,
JOS. BETZ,
HENRY JOSEPH,
C. A. FERGUSON,
Committee.

Mr. Betz supplemented the report with a few personal impressions gathered during his service as a member of the committee. He was the best posted man in the meeting, and did not hesitate to give forcible expression to his views derogatory to the Columbiana County company. At the conclusion of Mr. Betz's remarks the chairman took occasion to add that those assembled would be expected to make a decision as to what service they preferred. The report was received and the committee discharged.

A general discussion took place at this point in which a number of the business men present participated. The sentiment was in favor of the adoption of the Bell system, and not a single speaker had a word to say favoring the Columbiana. Mr. Betz felt that the main question at issue was what service should be adopted as it concerned the city proper. He said there was probably $30,000 expended each year in telephone rentals, and while some of the business and professional men were bound to have both systems, he felt that the subscribers who had no need of two should be given an opportunity to drop one or the other.

E. W. Hill, who acted as secretary of the meeting, asked permission to read a letter from R. M. Davidson, said to be a resident of Salem. The communication was a strong one, and urged the East Liverpool business men to stand pat in their determination to drop the Columbiana service. A great many complimentary things were said of the Bell, and indeed the letter was so strong in this regard that it indicated some prejudice on the part of the writer. No one seemed to know the man and the missive was tabled without ceremony.

Attorney Hollis E. Grosshans reported for the Southern Columbiana County Bar asscoiation, saying a committee had been appointed to act in conjunction with that of the business men. His committee had not been able to induce either company to enter into an agreement that would give the lawyers a county service to Lisbon. Since they had accomplished nothing, he desired those present to know that the bar association proposed to be guided by whatever action was taken at this meeting. Mr. Grosshans was followed by his brother, Attorney F. E. Grosshans, who spoke in favor of the Bell, as did every speaker given the floor. Though the telephone representatives had been excluded from the meeting the Bell corporation was as well represented by the two attorneys as though the president of the concern had been present. Mr. Grosshans closed his remarks by offering a motion to the effect that the citizens' convention adopt but one service. Justice McCarron offered an amendment to the effect that the service decided upon should be the cheaper. The Bell enthusiasts persuaded the mover of the amendment to withdrawhis proposition and Grosshans' motion went through.

A lengthy discussion then took place, indulged in by Job H. Dawson, J. J. Purinton and several others, all favoring the adoption of the Bell system, and a motion to that effect was finally made. Before it could be passed, however, the chairman called attention to the fact that an expense of some $35 had been incurred by the committee and it was decided to hold up action on the motion until the money could be collected. While the hat was being passed the telephone question was further discussed, it being the general belief that the Columbiana County was here to stay, and though this company had much the best of the argument when the number of subscribers was considered, still the Bell ought to be decided upon, and it was.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Continued from First Page.

vice and confining the subscribers thereto to the East Liverpool exchange only, calls outside of this exchange to be charged for at regular toll rates. The rates for this service were to be as follows:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line		16 00
Three-party line		14 00
Four-party line		12 00

Subject to a discount of 10 per cent for prompt payment. The discount under this schedule the officials were at first reluctant to grant, but they finally agreed unequivocally thereto. They also agreed to enter into contracts for a term of not to exceed three years. The gentlemen were requested to submit their proposition in writing and on the following day this communication was received:

East Liverpool, O., Sept. 19.

Mr. Joseph Betz, Chairman of the Business Men's Committee.

Dear Sir—In compliance with your request we hereby submit a written statement of the additional service classification outlined to your committee on the 18th inst. To meet a popular demand we have established a rate for city service as follows:

	Business.	Residence.
For individual line	$24 00	$18 00
For two-party line	22 00	16 00

These rates are to apply for service between telephones connected with one exchange only. That is to say for messages to any exchange in the system except to subscribers connected directly to the exchange in the same city a toll charge will be made. We regret to say that our tentative offer of a discount on such service we find after careful and mature consideration we cannot afford to confirm and that such rates will be subject to no discount. Also that we cannot afford to reduce the rates for free county service as set forth in our schedule under date of Sept. 1, 1903, a copy of which was forwarded to every subscriber to the service of this company. We can make no reduction on free county rate to apply to service between East Liverpool and Lisbon as requested on behalf of the bar association. However, we will enter into contracts for a restricted county service at a reduction of rate from the unlimited county service depending on the number of calls to be transmitted per year. The points to which such service is required and other governing features, which would determine the rate in each particular case. There are so many possible combinations that a complete schedule of rates covering all conditions would be almost interminable in length and has therefore not been prepared. Each such case will be considered in its several features and the rates fixed accordingly. The only modification we are prepared at this time to make to the schedule of rates already submitted to subscribers is the addition thereto of city service. We have secured a large number of subscriptions for local rates as set forth in our schedule. Any subscriber who has signed contract for such service, but desires the cheaper and more restricted service we now propose to furnish, can have such contract cancelled by signing a new contract for such city service. Should your committee desire any information that we can furnish relative to any feature of the cost of constructing, operating, or maintaining a telephone system, it will afford us pleasure to furnish such information. Enclosed herewith are copies of contracts we are securing from subscribers at this time which you requested.

Respectfully,
THE COLUMBIANA COUNTY TELEPHONE COMPANY,
W. F. Crossley, Sec'y.

Approved: Maxine Reber, Vice President.

P. S.—We omitted the term of contract we are willing to sign for, but will add that we are prepared to sign contracts for a term of three years.

W. F. CROSSLEY.

You will note that in this letter the company not only withdraws the three and four-party rates for city service, but, what is vastly more important, also the 10 per cent discount for prompt payment under this schedule. This means that subscribers to city and county service will not be entitled to any cash discounts, whereas subscribers to the local service will get this service at 10 per cent less than the schedule rates.

On Thursday evening of last week your committee met the representatives of the Bell Telephone company, and these gentlemen submitted the following rates, covering service within the East Liverpool exchange alone:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line	18 00	15 00
Three-party line		12 00

[All party lines to be selective ring.]

These rates are to be charged flat, the old rebate system discarded and all old contracts to remain in force at the option of the individual subscriber. This company is not in favor of long-term contracts, claiming that they are unfair to both parties, but agrees to enter into contracts for a term not to exceed three years.

The Bell company had previously offered the following rates for service between East Liverpool and Wellsville:

	Business.	Residence.
Individual line	$30 00	$24 00
Two-party line	24 00	18 00

This proposition was later withdrawn, and the one above noted substituted.

The toll rates of the Bell company within the county are:

To Wellsville, 10 cents; Lisbon and Salineville, 15 cents; Salem, Leetonia, Columbiana and East Palestine, 20 cents. The Columbiana County makes a toll charge of 10 cents to all parts of the county.

Upon investigation we find that this city enjoys as low, if not lower rates, than other cities of its size.

In conclusion permit us to state that for advertising this meeting and the rent of the Y. M. C. A. hall an unavoidable expense of about $35 has been incurred. To meet this expenditure you are respectfully requested to make proper provision.

Respectfully submitted,
JOS. BETZ,
HENRY JOSEPH,
C. A. FERGUSON,
Committee.

Mr. Betz supplemented the report with a few personal impressions gathered during his service as a member of the committee. He was the best posted man in the meeting, and did not hesitate to give forcible expression to his views derogatory to the Columbiana County company. At the conclusion of Mr. Betz's remarks the chairman took occasion to add that those assembled would be expected to make a decision as to what service they preferred. The report was received and the committee discharged.

A general discussion took place at this point in which a number of the business men present participated. The sentiment was in favor of the adoption of the Bell system, and not a single speaker had a word to say favoring the Columbiana. Mr. Betz felt that the main question at issue was what service should be adopted as it concerned the city proper. He said there was probably $30,000 expended each year in telephone rentals, and while some of the business and professional men were bound to have both systems, he felt that the subscribers who had no need of two should be given an opportunity to drop one or the other.

E. W. Hill, who acted as secretary of the meeting, asked permission to read a letter from R. M. Davidson, said to be a resident of Salem. The communication was a strong one, and urged the East Liverpool business men to stand pat in their determination to drop the Columbiana service. A great many complimentary things were said of the Bell, and indeed the letter was so strong in this regard that it indicated some prejudice on the part of the writer. No one seemed to know the man and the missive was tabled without ceremony.

Attorney Hollis E. Grosshans reported for the Southern Columbiana County Bar asscoiation, saying a committee had been appointed to act in conjunction with that of the business men. His committee had not been able to induce either company to enter into an agreement that would give the lawyers a county service to Lisbon. Since they had accomplished nothing, he desired those present to know that the bar association proposed to be guided by whatever action was taken at this meeting. Mr. Grosshans was followed by his brother, Attorney F. E. Grosshans, who spoke in favor of the Bell, as did every speaker given the floor. Though the telephone representatives had been excluded from the meeting the Bell corporation was as well represented by the two attorneys as though the president of the concern had been present. Mr. Grosshans closed his remarks by offering a motion to the effect that the citizens' convention adopt but one service. Justice McCarron offered an amendment to the effect that the service decided upon should be the cheaper. The Bell enthusiasts persuaded the mover of the amendment to withdrawhis proposition and Grosshans' motion went through.

A lengthy discussion then took place, indulged in by Job H. Dawson, J. J. Purinton and several others, all favoring the adoption of the Bell system, and a motion to that effect was finally made. Before it could be passed, however, the chairman called attention to the fact that an expense of some $35 had been incurred by the committee and it was decided to hold up action on the motion until the money could be collected. While the hat was being passed the telephone question was further discussed, it being the general belief that the Columbiana County was here to stay, and though this company had much the best of the argument when the number of subscribers was considered, still the Bell ought to be decided upon, and it was.

EAST END

CORNER STONE TO BE LAID WITH CEREMONY

East End Colored Baptists Will Have Special Service For This Purpose October 11.

The corner stone of the new edifice of the Colored Baptist church, at the corner of Pennsylvania avenue and Clay street, will be laid on Sunday, October 11, with impressive ceremonies and the day will be the most notable for the colored people of the city in many months. The ceremonies will be in charge of the colored Masonic lodges of Duquesne and Pittsburg. The lodges will be accompanied to this city by quite a number of people and a special train will be run on that day between this city and Pittsburg to accommodate them.

The services will commence at 10:30 o'clock, when Rev. A. H. Tibbs, paster of the Baptist church at Homestead, will deliver a sermon. In the afternoon Rev. G. E. Sallie, the pastor of a Duquesne church, will deliver an address. The ceremony of laying the corner stone will take place at 3:30 o'clock.

Rev. W. H. Nelson, who is to be the pastor of the new church, will preach at the evening service, which is to commence at 7:30 o'clock.

Three Is a Crowd.

Hereafter when Joseph Logan, one of the best liked young men in the East End, goes out for a ride with his best girl, he will carefully survey the vehicle before starting. This precautionary method will be adopted as a result of his experience a night or so ago. On that occasion he was out for a drive with the young lady, traversing the principal streets of the East End and several down town. Passing through the Diamond there was a commotion from the top of the buggy and a big Plymouth Rock hen spread her wings and flew to the sidewalk some distance away. Frightened at the unusual scene, the fowl cackled angrily as she sped away. Mr. Logan will also keep in mind that "two is company and three a crowd."

Entertainers Secured.

The Ladies' Aid society of the Second Christian church announce that the Burnett sisters, of Wellsville, well known entertainers, have been secured for a social to be held at the church Friday evening. These young ladies are accomplished musicians and will render a number of vocal and instrumental selections. There will be readings and recitations by others. Admission to the church is free. Refreshments of ice cream and cake will be served and a pleasant evening is promised.

Miss Bowie Located.

Katie Bowie, the 16-year-old girl, who disappeared from Luke's boarding house three weeks ago, has been heard from at her old home in St. Mary's. It will be remembered that at the time of Miss Bowie's disappearance two relatives had been visiting her father and wishing to visit the old place again, she went home with them. The girl's father reported the matter to the police and it was through Mayor Weaver and Chief Wyman that she was located.

Will Preach Sunday.

It is expected that Rev. S. F. Lloyd, the newly appointed pastor of the Erie street Methodist church, will be here Sunday to conduct the regular services. Definite announcement will be made as soon as word is received from Rev. Mr. Lloyd. While his reception will probably be informal, it will be none the less cordial and at his first services he will be encouraged by large congregations.

Wedding Announced.

The coming wedding of Miss Ida Densmore to Will Reynolds has been announced. The ceremony is to be performed next Saturday evening at the home of the bride's parents, Mr. and Mrs. John Densmore, 118 Elm street, and will be a very elaborate affair. Guests will be present from several neighboring cities.

EAST END AFFAIRS.

Charles Pittinger is visiting his mother, Mrs. Martha Pittinger, of First avenue.

Joseph Brown, who has been visiting his brother-in-law, W. L. Wilson, returned home yesterday.

William Ralph, the well known painter, left this morning for Columbus, where he will visit for a few days.

Rev. H. C. Chambers and wife will sail from New York next Saturday on the Anchor Line steamer Ethiopia, the vessel which is to take quite a party of missionaries across the water. This is the boat on which Thomas Lounds of this city, made the trip to Europe as the winner of the News Review's popularity contest.

'Squire L. W. Carman received a letter this morning from his son, Earl T. Carman, containing the information that he will take a vacation of a month, commencing October 2. He will visit the home of an uncle in Wellsburg and extends an invitation for his father to join him. Mr. Carman will likely visit East End before returning to Pittsburg.

FRONTIER CONFLICTS

Reported Between Bands of Revolutionaries and Sultan's Troops.

RAZLOG DESTROYED BY TURKS

Christian Population Said to Have Been Massacred—General Uprising Proclaimed Throughout Eastern Macedonia.

Sofia, Bulgaria, Sept. 30.—A telegram received here from the camp of General Zontcheff, the commander-in-chief of the Macedonian insurgents at Razlog, 55 miles from Sofia, announces that a general uprising was proclaimed Sept. 17 in the districts of Razlog, Nevrokop, Demirhissar, Melnik and Seres and that all the insurgent bands in Eastern Macedonia had received direct orders to begin operations.

The chief hope of the revolutionary organization now centers in the outbreak in Eastern Macedonia, which is expected to assume considerable proportions, as the leaders there are all officers of the Bulgarian reserve. This, the sympathizers with the Macedonian cause hope, will arouse a war feeling in the Bulgarian army and force the government to espouse the Macedonian cause.

Fighting on Frontier.

A dispatch from Rila reports continuous fighting all along the lines across the Turkish frontier, results of which are at present unknown.

It is stated that the town of Razlog has been destroyed by the Turks and the Christian population massacred. Fugitives are arriving in hundreds. All the wires have been cut. The Turkish troops are flying in disorder from Butchevo.

The official report of the reply made by Premier Petroff to the committee appointed by the Macedonian demonstration Sunday, which waited on him and asked if the government intended to do anything to help Macedonia, said no government could have Macedonian interests more at heart. The recent events had not modified the government's constant desire to avoid disputes with Turkey. The ministers would neglect nothing in the interest of the Bulgarians in Macedonia without nevertheless risking Bulgaria's vital interests, which must always have precedence over the sympathy and duty toward their brethren in Turkey.

Wants Corps of Red Cross.

Salonica, Macedonia, Sept. 30.—The American mission has presented a petition to Minister Leishman and Sir Nicholas R. O'Conor, the British ambassador, requesting them to secure the admission of a corps of the Red Cross society into Turkey, or, as an alternative, permission for the members of the American mission to dispense charity.

Odessa, Sept. 30.—The Bourse Gazette asserts that the coming meeting between Count Lamsdorff and Count Goulouchowski, respectively Russian and Austro-Hungarian foreign ministers, will be followed by a notification to the porte that the powers insist upon the execution of the Austro-Hungarian reforms in Macedonia being entrusted to an executive Christian commission.

ALCOHOL IN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMNS THEM.

EAST END

CORNER STONE TO BE LAID WITH CEREMONY

East End Colored Baptists Will Have Special Service For This Purpose October 11.

The corner stone of the new edifice of the Colored Baptist church, at the corner of Pennsylvania avenue and Clay street, will be laid on Sunday, October 11, with impressive ceremonies and the day will be the most notable for the colored people of the city in many months. The ceremonies will be in charge of the colored Masonic lodges of Duquesne and Pittsburg. The lodges will be accompanied to this city by quite a number of people and a special train will be run on that day between this city and Pittsburg to accommodate them.

The services will commence at 10:30 o'clock, when Rev. A. H. Tibbs, paster of the Baptist church at Homestead, will deliver a sermon. In the afternoon Rev. G. E. Sallie, the pastor of a Duquesne church, will deliver an address. The ceremony of laying the corner stone will take place at 3:30 o'clock.

Rev. W. H. Nelson, who is to be the pastor of the new church, will preach at the evening service, which is to commence at 7:30 o'clock.

Three Is a Crowd.

Hereafter when Joseph Logan, one of the best liked young men in the East End, goes out for a ride with his best girl, he will carefully survey the vehicle before starting. This precautionary method will be adopted as a result of his experience a night or so ago. On that occasion he was out for a drive with the young lady, traversing the principal streets of the East End and several down town. Passing through the Diamond there was a commotion from the top of the buggy and a big Plymouth Rock hen spread her wings and flew to the sidewalk some distance away. Frightened at the unusual scene, the fowl cackled angrily as she sped away. Mr. Logan will also keep in mind that "two is company and three a crowd."

Entertainers Secured.

The Ladies' Aid society of the Second Christian church announce that the Burnett sisters, of Wellsville, well known entertainers, have been secured for a social to be held at the church Friday evening. These young ladies are accomplished musicians and will render a number of vocal and instrumental selections. There will be readings and recitations by others. Admission to the church is free. Refreshments of ice cream and cake will be served and a pleasant evening is promised.

Miss Bowie Located.

Katie Bowie, the 16-year-old girl, who disappeared from Luke's boarding house three weeks ago, has been heard from at her old home in St. Mary's. It will be remembered that at the time of Miss Bowie's disappearance two relatives had been visiting her father and wishing to visit the old place again, she went home with them. The girl's father reported the matter to the police and it was through Mayor Weaver and Chief Wyman that she was located.

Will Preach Sunday.

It is expected that Rev. S. F. Lloyd, the newly appointed pastor of the Erie street Methodist church, will be here Sunday to conduct the regular services. Definite announcement will be made as soon as word is received from Rev. Mr. Lloyd. While his reception will probably be informal, it will be none the less cordial and at his first services he will be encouraged by large congregations.

Wedding Announced.

The coming wedding of Miss Ida Densmore to Will Reynolds has been announced. The ceremony is to be performed next Saturday evening at the home of the bride's parents, Mr. and Mrs. John Densmore, 118 Elm street, and will be a very elaborate affair. Guests will be present from several neighboring cities.

EAST END AFFAIRS.

Charles Pittinger is visiting his mother, Mrs. Martha Pittinger, of First avenue.

Joseph Brown, who has been visiting his brother-in-law, W. L. Wilson, returned home yesterday.

William Ralph, the well known painter, left this morning for Columbus, where he will visit for a few days.

Rev. H. C. Chambers and wife will sail from New York next Saturday on the Anchor Line steamer Ethiopia, the vessel which is to take quite a party of missionaries across the water. This is the boat on which Thomas Lounds, of this city, made the trip to Europe as the winner of the News Review's popularity contest.

'Squire L. W. Carman received a letter this morning from his son, Earl T. Carman, containing the information that he will take a vacation of a month, commencing October 2. He will visit the home of an uncle in Wellsburg and extends an invitation for his father to join him. Mr. Carman will likely visit East End before returning to Pittsburg.

NERVES GAVE WAY—PE-RU-NA CURED.

Mrs. X. Schneider, 2409 Thirty-seventh Place, Chicago, Ill., writes:

"After taking several remedies without result, I began in January, 1902, to take your valuable remedy, Peruna. I was a complete wreck. Had palpitation of the heart, cold hands and feet, female weakness, no appetite, trembling, sinking feeling nearly all the time. You said I was suffering with systemic catarrh, and I believe that I received your help in the nick of time. I followed your directions carefully and can say to-day that I am well again. I cannot thank you enough for my cure. I will always be your debtor. I have already recommended Peruna to my friends and neighbors and they all praise it. I wish that all suffering women would try it. I testify this according to the truth."—Mrs. X. Schneider.

Mrs. Fanny Klavadatscher, of Summitsville, N. Y., writes as follows:

"For three months I suffered with pain in the back and in the region of the kidneys, and a dull, pressing sensation in the abdomen, and other symptoms of pelvic catarrh.

"But after taking two bottles of Peruna I am entirely well, better than I ever was."—Mrs. Fanny Klavadatscher.

If you ever took DeWitt's Little Early Risers for billousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. Howell, of Houston, Texas, says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc."

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, and instead of being merely lazy the kidneys will become diseased. Alcohol congests the kidneys with blood and retards their activity.

There is no Alcohol in Nervan Tablets to interfere with the removal of all harmful sediment from the body. The Tablets soothe and heal the kidneys when they are irritated and inflamed. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often during the day and night; that cause rheumatism, catarrh of the bladder, pain in the back, joints and muscles; that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, Nervan Tablets.

At last the city council has awakened to the fact that it is time to act regarding the bond sale. The fact that the city is still embarrassed for money and paying 7 per cent interest on a portion of its indebtedness while about $93,000 worth of bonds, after a whole summer devoted to them, still lie idle and unsold, is not creditable to the business reputation of an enterprising city. The evident inclination to try to shift responsibility for the delay to the shoulders of the tax commission should deceive no one. The tax commission has no legal right to conduct a bond sale and no such power has been delegated to it by council. The latter body is at liberty to seek its advice, and that is all. Had the tax commission been entrusted with the duty of selling the bonds, it is not likely they would now remain unsold. Council should take prompt steps to dispose of the matter. Further delay is unnecessary and unjustifiable.

Great tax reformers are Tom Johnson and his brigade of official taxeaters in Cleveland. They receive nearly $300,000 in salaries every year, but only return enough property for taxation to produce a little over $1,200 a year in taxes. Tom is a multi-millionaire, but pays taxes of a little over $400 a year, and his chief henchman, County Clerk Salen, who receives $50,000 a year salary, makes no return whatever for taxation.

Mr. Harry A. Garfield has accepted the chair of politics in Princeton college. This involves considerable pecuniary sacrifice, as his law practice in Cleveland is stated to be worth about $20,000 per year. There are not many men who would give up more than three-fourth of their income for the honor of a professorship.

The telephone agitation has resulted in making talk a trifle cheaper than it might otherwise have been. That is something, but it was not all that the people wanted. The present systems are to continue, and everybody is hoping the rivalry of the two companies will result in improved service.

The policeman's lot may not be a happy one, but it is a picnic compared with that of a police chief who finds every morning when he wakes up that some new scheme has been hatched during the night for the purpose of depriving him of his official head.

Ninety-nine cranks out of every hundred who call on the president do so for the purpose of getting their names in the newspapers. Still it is well to watch the hundredth man. He may be dangerous.

The potters' scale arbitration board attacks the difficult problem presented in a business-like way and promises an early adjustment of the dispute. So mote it be.

The Russian bear is showing his teeth and giving notice that he will stand no more prodding.

Luckily the plumbers' strike was settled before water pipes began to freeze.

A NEGLECTED WIFE ASKS A DIVORCE

Mrs. Archie T. Chapman, of This City, Sues for Legal Separation from Her Husband.

Lisbon, September 30.—(Special.)—America A. Chapman, of East Liverpool, has begun action for divorce from Archie T. Chapman, of that city. The petition says they were married April 13, 1879, near Ripley, Jackson county, W. Va., and that they have seven children, the youngest being five years old. Mrs. Chapman charges unfaithfulness, alleging that on April 10 1902, her husband was guilty with one Josephine Ritchey, at the residence of the latter in East Liverpool, and that his relations with this co-respondent have frequently been improper, both in East Liverpool and Portsmouth.

For the last two and a half years the wife says her husband has neglected her and she has had to support herself and her two youngest children. The wife asks for the custody of her minor children. Judge J. G. Moore, of Lisbon, is the plaintiff's attorney.

AT THE THEATER

If there be anything in a name, "Our New Minister" ought to follow well in the footsteps of Denman Thompson and George W. Ryer's earlier success, "The Old Homestead." As a work of art it brought the whole town to its feet on its presentation here last year, and if this engagement at the Grand is not one of the season's successes it will be proof indeed that theater goers tastes have deteriorated. "Our New Minister" came here last season almost unheralded, little expected of it—since it was practically unknown outside of Boston and the eastern circuit—it met a fate that no press agent's attempts, no sensational advertising could give it, it scored a triumph. Judging from the advance sale of seats, "Our New Minister" will have a packed house. Secure your tickets early. At the Grand Friday night.

The theatergoing public hail with delight the good news that our friend, "Uncle Josh Spruceby," is here tonight. This company, which has made an exceptionally strong impression wherever it has appeared, has many friends here. The organization this year is better than ever, all the old favorites being retained and capable new ones added. The play is one of those homely New England dramas with a beautiful story running through it. Strict attention has been paid to detail and a full new set of scenery has been painted for this season. Undoubtedly a big crowd will attend to welcome "Sally," "Dutch," "Out o' Sight," the "Hayseed band and "Uncle Josh Spruceby" himself.

Bennett & Moulton company will be the attraction at the Grand all next week. Among the plays to be given this season are "A Daughter of the People," "Outcasts of Society," "Shipwrecked," "The Lyndon Bank Robbery," and many of equal merit. Everything this season is bran new and the excellent reputation that this company has will be kept up. Matinee will be given Saturday. Tickets will go on sale Saturday.

DAVIDSON'S PETITION IN WYMAN MATTER

Continued from First Page

in East Liverpool. Mr. Wyman was among those who took the examination. The plaintiff alleges that Mr. Wyman was disqualified from taking this examination by reason of the personal solicitation in his behalf, but that, notwithstanding the protests of the city solicitor, Mr. Wyman was permitted to take the examination.

The petition further recites that the municipal code provides for the filling of vacancies by promotion when practicable and alleges that, notwithstanding the fact that Mr. Wyman was ineligible to take the examination and that he was not in the classified service, he was permitted to take the examination and will be appointed chief of police regardless of the conditions imposed by the municipal code unless the city authorities are restrained.

The petition further says that at no time since the enactment of the new code has Mr. Wyman been connected with the police department except in the manner stated, and that it has been practicable at all times since to fill by promotion the present vacant office of chief of police.

MORE TIME ASKED BY BOND BUYERS

Council Gives Williams & Co. Until Friday to Produce the Cash.

ANOTHER SALE PROBABLE

It Will Be Necessary in Case the Pittsburgers Fail to Come to Time—The Delay a Serious Embarrassment to the City.

After considerable delay, six members of council, President Horwell, Barlow, Bullock, Cannon, Moon and Johnston, got together in adjourned session last evening. The object of the meeting was to take final action on the disposition of the $92,925 worth of bonds, which have been causing so much worry during the past few weeks.

In the absence of Auditor Davidson, Mr. Bullock acted as clerk and immediately after the body was called to order he read a communication from C. R. Williams & Co., of Pittsburg, who made the city an offer of $200 premium for the bonds. As was stated in the News Review last evening, the company wants a few more days in which to sell the bonds. The members of council were decidedly against giving any more time, but they simply could do nothing else. They have been made an offer by two other bond buyers, but they have no evidence that these concerns will be more active than the Pittsburg company. It was finally decided that action should be withheld until Friday evening. Upon that date, if the bonds are not disposed of and the money is not in the hands of the proper authorities, the sale to the Pittsburg people will be called off. The tax commission has been invited to attend the next meeting and its members will be asked for advice in regard to the sale.

There are many reasons why the bonds should be sold, but probably the most important ones are that every day they remain in the hands of the city interest amounting to a large figure is constantly piling up and if they are not soon sold the money market in East Liverpool will be in a worse condition than it is over the country in general. It is said there is not a bank in the city that is not cramped at the present time, and especially is that so with those to which the city is indebted. It is this fact that is influencing a number of the most prominent business men of the city to express themselves so heartily in favor of having a quick sale made.

Contrary to their announced intention, the members of council failed to pass an appropriation ordinance for the purpose of placing a sufficient amount of money in the treasury to meet the general running expenses of the city. For some unknown reason this matter was also deferred until the special meeting.

Auditor Davidson asked council for a leave of absence commencing October 6 and lasting a week. The request was honored.

AT THE THEATER

If there be anything in a name, "Our New Minister" ought to follow well in the footsteps of Denman Thompson and George W. Ryer's earlier success, "The Old Homestead." As a work of art it brought the whole town to its feet on its presentation here last year, and if tais engagement at the Grand is not one of the season's successes it will be proof indeed that theater goers tastes have deteriorated. "Our New Minister" came here last season almost unheralded, little expected of it—since it was practically unknown outside of Boston and the eastern circuit—it met a fate that no press agent's attempts, no sensational advertising could give it, it scored a triumph. Judging from the advance sale of seats, "Our New Minister" will have a packed house. Secure your tickets early. At the Grand Friday night.

The theatergoing public hail with delight the good news that our friend, "Uncle Josh Spruceby," is here tonight. This company, which has made an exceptionally strong impression wherever it has appeared, has many friends here. The organization this year is better than ever, all the old favorites being retained and capable new ones added. The play is one of those homely New England dramas with a beautiful story running through it. Strict attention has been paid to detail and a full new set of scenery has been painted for this season. Undoubtedly a big crowd will attend to welcome "Sally," "Dutch," "Out o' Sight," the "Hayseed bandand "Uncle Josh Spruceby" himself.

Bennett & Moulton company will be the attraction at the Grand all next week. Among the plays to be given this season are "A Daughter of the People," "Outcasts of Society," "Shipwrecked," "The Lyndon Bank Robbery," and many of equal merit. Everything this season is bran new and the excellent reputation that this company has will be kept up. Matinee will be given Saturday. Tickets will go on sale Saturday.

DAVIDSON'S PETITION IN WYMAN MATTER

Continued from First Page

in East Liverpool. Mr. Wyman was among those who took the examination. The plaintiff alleges that Mr. Wyman was disqualified from taking this examination by reason of the personal solicitation in his behalf, but that, notwithstanding the protests of the city solicitor, Mr. Wyman was permitted to take the examination.

The petition further recites that the municipal code provides for the filling of vacancies by promotion when practicable and alleges that, notwithstanding the fact that Mr. Wyman was ineligible to take the examination and that he was not in the classified service, he was permitted to take the examination and will be appointed chief of police regardless of the conditions imposed by the municipal code unless the city authorities are restrained.

The petition further says that at no time since the enactment of the new code has Mr. Wyman been connected with the police department except in the manner stated, and that it has been practicable at all times since to fill by promotion the present vacant office of chief of police.

MORE TIME ASKED BY BOND BUYERS

Council Gives Williams & Co. Until Friday to Produce the Cash.

ANOTHER SALE PROBABLE

It Will Be Necessary in Case the Pittsburgers Fail to Come to Time—The Delay a Serious Embarrassment to the City.

After considerable delay, six members of council, President Horwell, Barlow, Bullock, Cannon, Moon and Johnston, got together in adjourned session last evening. The object of the meeting was to take final action on the disposition of the $92,925 worth of bonds, which have been causing so much worry during the past few weeks.

In the absence of Auditor Davidson, Mr. Bullock acted as clerk and immediately after the body was called to order he read a communication from C. R. Williams & Co., of Pittsburg, who made the city an offer of $200 premium for the bonds. As was stated in the News Review last evening, the company wants a few more days in which to sell the bonds. The members of council were decidedly against giving any more time, but they simply could do nothing else. They have been made an offer by two other bond buyers, but they have no evidence that these concerns will be more active than the Pittsburg company. It was finally decided that action should be withheld until Friday evening. Upon that date, if the bonds are not disposed of and the money is not in the hands of the proper authorities, the sale to the Pittsburg people will be called off. The tax commission has been invited to attend the next meeting and its members will be asked for advice in regard to the sale.

There are many reasons why the bonds should be sold, but probably the most important ones are that every day they remain in the hands of the city interest amounting to a large figure is constantly piling up and if they are not soon sold the money market in East Liverpool will be in a worse condition than it is over the country in general. It is said there is not a bank in the city that is not cramped at the present time, and especially is that so with those to which the city is indebted. It is this fact that is influencing a number of the most prominent business men of the city to express themselves so heartily in favor of having a quick sale made.

Contrary to their announced intention, the members of council failed to pass an appropriation ordinance for the purpose of placing a sufficient amount of money in the treasury to meet the general running expenses of the city. For some unknown reason this matter was also deferred until the special meeting.

Auditor Davidson asked council for a leave of absence commencing October 6 and lasting a week. The request was honored.

The Genuine vs. the Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve.

Foreclosure Proceedings.

Lisbon, September 30.—(Special.)—W. P. Reissing, of East Liverpool, has begun foreclosure proceedings against Marie Bertrande to satisfy a claim of $1,270, with interest from July 22 1902, held to be due on two promissory notes, secured by chattel mortgages on bar and wine room furnishings.

UNBOUNDED FAITH IN MI-O- NA

Will Reed Will Refund Money If It Fails to Increase Flesh and Cure Dyspepsia.

"I have been in the drug business long enough to know that there are very few remedies that can be sold on a guarantee to refund the money if they do not give satisfaction.

"I have sold so much Mi-o-na and seen such remarkable results following its use that I welcome the chance to convince any doubter of its merit, by offering to give with each package of Mi-o-na a written guarantee to refund the money if it does not give an increase in weight, regulate the digestion and restore health.

"If you cannot call at my store, send me the price of Mi-o-na, 50c, by mail and I will forward you a regular size box, postage paid, with the same agreement to refund the money if it does not give satisfaction."

Anyone who has been losing flesh, or who has always been too thin, should use Mi-o-na. Thinness and scrawniness are signs that the food is not properly assimilated and that you do not get the nourishment from it that you should.

Mi-o-na mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs and puts the whole system in a proper physical condition.

Remember that you risk nothing in buying Mi-o-na. If it fails to give you the desired effect, the cost is trifling. If it fails, Will Reed will pay for the remedy himself.

THE HARTLEY WILL CASE

Raises Another Problem for the Solution of the Common Pleas Court.

Lisbon, September 30.—(Special.)—Court was asked this morning to appoint Byron Hutson and Frank Pumphrey executors of the estate of the late Abraham Hartley, of Salineville, they being named to act in that capacity in the alleged will sustained by a jury last term, in which Lina E. Hartley was plaintiff against Mary E. Burris et al. A hearing of the case on error is now pending in circuit court.

Benjamin Evans, of Salineville, has been serving as a special administrator during the litigation in the lower courts as to the will. The question was argued at some length this morning, Judge Hole reserving his decision.

Fuddling Cups.

An article in the Burlington Magazine describes some early English earthenware drinking cups of eccentric patterns. The principal feature of most of the quaint tygs, or loving cups, is their astonishing number of handles, which range from two to as many as twelve. It is supposed that the purpose of this equipment was that the cup might pass from hand to hand and each guest have a fresh portion of the rim to himself, no doubt an excellent arrangement for the first time round! Not content with half a dozen or so of full grown handles, the potter frequently inserted between each of them a sort of rudimentary handle, consisting of a looped strip of clay. The "fuddling cup" is a cluster of half a dozen good sized cups joined together. When it is realized that the six cups communicate with each other internally, so that to empty one you must empty all, the force of the name will be apparent. Any doubt as to the use of these formidable vessels is dispelled by the inscription: "Fill me full of sidar. Drink of me."

At the Top of St. Peter's.

One needs to climb to the top of St. Peter's to understand best how its builders sought to overawe its beholders. Then the colossal proportions of every detail become apparent; then one may discover that the pen in the hand of St. Mark is as long as a six foot grenadier. On approaching the row of apostles which stand along the edge of the roof and which seem to the bystander in the street below of the size of ordinary human beings one will find gigantic figures whose eyes are as big as men's heads and whose fingers vie in size with an athlete's forearm. The roof is indeed a city in itself, for here are rows of houses where the workmen who are constantly employed in repairing the cathedral have their homes. A fountain supplies them with water, and their provisions are brought to them on the backs of donkeys driven up the broad and easy incline of the stairway.

An Ailment of the Feet.

Poetry is at last classified. The Washington Post tells a story of some children who were discussing the perfections and usefulness of their respective fathers.

"My father's the best man in the world," said one little girl. "He is a minister. He makes people go to church."

"Mine is the best," piped up another. "He's a doctor. He makes sick people well so they can go to church."

Three or four more enlarged upon the benefit the world derived from their fathers, and it finally came the turn of a sweet, blue eyed little girl.

"My papa's the best of all," she said. "He's a poet."

"A poet!" said another, joining the group. "Why, a poet isn't a profession! It's a disease!"

A Henry George Tax.

The last campaign in which Henry George was permitted to engage abounded in wordy encounters. In making squelching rejoinders to impertinent questions the famous single taxer could not be excelled. During one of his addresses Henry George remarked that a lifetime had been devoted to the dissemination of his single tax views.

"And what have you accomplished?" inquired a voice in the audience.

"Taxed New York's halls to their greatest capacities," said the orator suavely. And a delighted audience would not permit him to continue for some minutes.

A Literal Minded Class.

A teacher in one of the schools near Philadelphia had one day been so disturbed by the buzzing of lips and shuffling of feet of the children that she was on the verge of distraction. Finally she said: "Children, I cannot stand so much noise. Please be quiet for a little while, at least. Let me see if you can't be so still that you could hear a pin drop."

Instantly every child became as still as a mouse. Then a little boy in a back seat piped out, with marked impatience:

"Well, let her drop!"—Philadelphia Ledger.

He Loved His Enemies.

James MacNeill Whistler looked upon life as upon a kind of warfare and was never so happy as when he was quarreling with somebody. He is quoted as having said when asked if he did not have many friends: "Yes, I have many friends, and I am grateful to them, but those whom most I love are my enemies, not in a Biblical sense. Oh, no, but because they keep one always busy, always up to the mark, either fighting them or proving them idiots."

LISBON WILL STAND BY THE BELL PEOPLE

Business Association Adopts Strong Declaration on the Telephone Question.

Lisbon, September 30.—(Special)—The Lisbon Business association met last evening and adopted the following announcement, printed copies of which will be circulated:

"To the telephone users of Lisbon and vicinity:

"The Business association announces that it will use the Bell telephone after October 1 and will discontinue the Columbiana County telephone. This action was taken on account of the Columbiana County Telephone company adopting a new schedule of rate to take effect October 1, and as said company did not offer its special local rate until the business people had contracted for a Bell telephone, the Business association leaves it to each individual subscriber to decide whether said company would have offered this special rate if the above action had not been taken by the association. The association believes that in protecting itself it has also protected each telephone subscriber.

"Owing to the confusion which seems to exist in regards to the telephone situation, the business association issues this circular containing the names of those who have already contracted for the Bell 'phone."

Then follow the names of 88 business firms and private citizens who have signed contracts for the Bell telephone.

Retail Grocers Combine.

Cincinnati, Sept. 30.—A combination of grocers in Ohio, Indiana and Kentucky, with a capital of $3,000,000, was organized here. This combination is composed of retail men, some of them having as many as 50 stores, and its announced purpose is to protect itself from the combination of wholesale grocers in the middle states, who recently organized under a New Jersey incorporation. It was announced that a large wholesale jobbing house would be established here for the distribution of goods to the retailers.

Wants Share of Fortune.

Tiffin, O., Sept. 30.—Suit was filed by Frank Guss to set aside the will of his sister, Charlotte Hoyt, wife of Reuben Hoyt, a New York multi-millionaire. She died in Tiffin several months ago, leaving five wills, one of which, bequeathing the bulk of her fortune, amounting to $100,000, to Judge Bunn, a prominent Tiffin lawyer, was probated. Her brothers and sisters were not mentioned in the will and are trying to get a share of the fortune, alleging that she was of unsound mind.

Railway Companies Consolidate.

Columbus, O., Sept. 30.—Articles of consolidation were filed with the secretary of state by the Youngstown and Southern Railway company and the Youngstown and Salem Railway company, taking the name of the former. The capital stock is $1,800,000. The incorporators are A. W. Jones, John H. Ruhmann, W. H. Ruhmann, J. R. Long, W. S. Andrews and R. L. Andrews.

Injured in Elevator Accident.

Columbus, O., Sept. 30.—The cylinder head of the hydraulic elevator at G. T. McAuley's wholesale millinery house blew out, allowing the elevator to fall from the third floor to the basement. There were six employes in the car, four women and two men. All were injured but none fatally. The safety clutch failed to work.

HANLON BESTS YANGER.

Given Dicision in Hard-Fought Battle at San Francisco.

Mechanics' Pavilion, San Francisco, Sept. 30.—Eddie Hanlon, of this city, received a decision over Benny Yanger, of Chicago, after 20 rounds of furious fighting. Incidentally the spectators were treated to an exhibition of gameness on the part of Yanger as is seldom witnessed in the prize ring.

It was a hard-fought battle, in which Hanlon for the first time abandoned his crouch. In the beginning of the sixth round he stood up and fought without his crouch. Prior to that and up to the ninth Yanger had somewhat the better of it on points. He reached Hanlon time and again without a return and Hanlon, coming in, punished the Slasher severely with his right. Hanlon up to this period showed no advantage. This was the first round which could be called a Hanlon round. From this time on to the sixteenth he held his own.

In the sixteenth round Hanlon knocked his opponent down with a right hook on the jaw and seemed to have Yanger at his mercy. By hanging on, however, Yanger managed to last through the round, although Hanlon tried desperately to land a knock out punch. In the seventeenth, eighteenth and nineteenth Yanger seemed to have recovered. The last minute of the twentieth round Yanger was again floored with a right and left hook on the jaw, and it looked as if the call of time saved him from a knockout.

Yanger fought with the greatest gameness and proved much the clever of the two, notwithstanding that Hanlon showed much improvement. There was never one moment's rest during the fight. Hanlon was always after his man.

Vista Tilley Opens at Youngstown.

Youngstown, O., Sept. 30.—Vista Tilley, the English comedienne, made her initial appearance in this country at the opera house in Clyde Fitch's new comedy "Algy." The play is a sprightly whimsicality, full of bright lines and amusing situations, in which Miss Tilley has ample opportunity to sustain her reputation as being without an equal in wearing men's garments and also to prove her ability as a comedienne. In the first and third acts Miss Tilley wore gowns, the first time she has done so on the stage. The supporting company was first class and the audience seemed pleased with the entertainment.

SOCIAL EVENTS

The Mock Trial.

Col. A. V. Newton, of Worcester, Mass., who is the author and principal fun-maker of the mock trial at the opera house tomorrow night, will arrive tomorrow morning and the rehearsal of the principals will be held at 4 o'clock at the opera house. Attorney Frank E. Grosshans does not propose that Mr. Newton shall have it all his own way and will probably have several surprises for the versatile colonel. There will be lots of fun for the spectators. Judge Wright indignantly denies that he has been approached by either side. It is hinted that the aforesaid denial is a bid for an approach—if the consideration is sufficient.

Devlin-Haldeman.

John C. Haldeman, a well known young machinist, of Salem, now employed in Youngstown, and Miss Mary Devlin, formerly of this city, now of St. Paul's parish, Salem, were married at 7 o'clock Monday evening by Rev. Father T. J. Conlon at his residence on McKinley avenue in that city. Miss Catherine Hanley and Mr. John McNicol were the attendants, and soon after the ceremony Mr. and Mrs. Haldeman left on a wedding trip to Cleveland and elsewhere.

Coming Wedding.

A prominent social function which will take place next week will be the marriage of Miss Clara, daughter of Mr. and Mrs. Edward A. Devon, to Mr. Ira A. Geiselman, a prominent young business man of this city. The ceremony will take place at St. Stephen's church on Thursday afternoon, October 15, at 3 o'clock, Rev. Edwin Weary officiating. Both the bride elect and her fiancee are popular and leading society young people, who have a large number of friends.

Andrews-Colclough.

Announcement has been made of the approaching marriage of Miss Myrtle, daughter of Mr. and Mrs. T. J. Andrews, of the East End, to Mr. E. P. Colclough. The wedding will take place on October 14, on Pennsylvania avenue.

Wedding at Lisbon.

Lisbon, September 30.—(Special.)—Henry Roy Aldridge and Miss Mayme E. Henderson, both of Lisbon, were licensed to marry today. The ceremony will be performed this afternoon by Rev. J. P. Anderson at the Presbyterian parsonage.

ADDITIONAL PERSONALS.

Colonel John J. Rose, the popular tobaccanist, has returned from a month's outing at Atlantic City, New York and other eastern points.

Mr. and Mrs. William Och, of New Castle, and Mrs. Thomas Parker, of Wheeling, are guests of Mr. and Mrs. Charles Och, Chester avenue.

Mayor W. A. Weaver returned this morning from New York, where he accompanied his daughters, Goldie and Mildred, who sailed yesterday for Leipsic, where they will study music.

slow. Hundreds of other interesting things were noted by Mr. Lounds and using his own words: "I will never forget them as long as I live. They made a lasting impression on me and the grandeur of some of the sights is far beyond description."

Mrs. J. W. Uselton.

Mrs. J. W. Uselton, 54 years old, died at her home on Eleventh street, Wellsville, yesterday afternoon after a long illness. She was a resident of that city for 30 years and highly esteemed. She was a prominent member of the U. P. church and is survived by her husband, a son and daughter. The funeral will take place tomorrow afternoon from the home, Rev. W. M. Glasgow officiating.

Foreclosure Proceedings.

Lisbon, September 30.—(Special.)—W. P. Reissing, of East Liverpool, has begun foreclosure proceedings against Marie Bertrande to satisfy a claim of $1,270, with interest from July 22 1902, held to be due on two promissory notes, secured by chattel mortgages on bar and wine room furnishings.

Why pay $15 for tailor made suits? Same can be bought at Joseph Bros. for $12.

UNBOUNDED FAITH IN MI-O- NA

Will Reed Will Refund Money If It Fails to Increase Flesh and Cure Dyspepsia.

"I have been in the drug business long enough to know that there are very few remedies that can be sold on a guarantee to refund the money if they do not give satisfaction.

"I have sold so much Mi-o-na and seen such remarkable results following its use that I welcome the chance to convince any doubter of its merit, by offering to give with each package of Mi-o-na a written guarantee to refund the money if it does not give an increase in weight, regulate the digestion and restore health.

"If you cannot call at my store, send me the price of Mi-o-na, 50c, by mail and I will forward you a regular size box, postage paid, with the same agreement to refund the money if it does not give satisfaction."

Anyone who has been losing flesh, or who has always been too thin, should use Mi-o-na. Thinness and scrawniness are signs that the food is not properly assimilated and that you do not get the nourishment from it that you should.

Mi-o-na mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs and puts the whole system in a proper physical condition.

Remember that you risk nothing in buying Mi-o-na. If it fails to give you the desired effect, the cost is trifling. If it fails, Will Reed will pay for the remedy himself.

STRUCK BECAUSE OF NO RUBBER BOOTS

Italian Workmen Throw Up Their Job of Excavating for Pumping Station.

A strike of Italians employed excavating for the new water works pumping station was inaugurated yesterday. The men demanded that the contractors furnish them with rubber boots. The request was refused and they quit.

An effort is being made to secure other men in their places.

BOY RAN AWAY

Stayed Out All Night And Has Yet Failed to Return Home.

Willie, the 9-year-old son of William Tarr, of the Nicholson addition, in the West End, disappeared from his home yesterday morning. This morning Wilbert Smith, the driver of a grocery delivery wagon, saw him on Cuppie's hill, near town.

Smith called to the boy and he started to run. It is thought the lad will return home today. He has run away before.

Frank Malone's Funeral.

Funeral services over the remains of Frank Malone, who died at his home on Liverpool road, just east of this city last Monday morning, were held at 1 'clock this afternoon at the late residence, Rev. Alexander Clendenning, of Stockport, officiating. Interment was made in Spring Hill cemetery.

Pleasant Lawn Party.

Miss Margaret Grimm, of Steubenville street, gave a very successful lawn party at her home last evening in honor of her house guest, Miss Estella Bigs, of Bellaire. A large crowd was present and enjoyed the evening immensely. Out of door games were indulged in and refreshments were served. The lawn was decorated with Japanese lanterns for the occasion.

Health Board Meeting.

The board of health meeting last evening was taken up by discussion of numerous complaints of alleged nuisances. Action was taken in some of the more pressing cases. The health report for August showed 25 births and 7 deaths.

THE HARTLEY WILL CASE

Raises Another Problem for the Solution of the Common Pleas Court.

Lisbon, September 30.—(Special.)—Court was asked this morning to appoint Byron Hutson and Frank Pumphrey executors of the estate of the late Abraham Hartley, of Salineville, they being named to act in that capacity in the alleged will sustained by a jury last term, in which Lina E. Hartley was plaintiff against Mary E. Burris et al. A hearing of the case on error is now pending in circuit court.

Benjamin Evans, of Salineville, has been serving as a special administrator during the litigation in the lower courts as to the will. The question was argued at some length this morning, Judge Hole reserving his decision.

Died at the Infirmary.

Lisbon, September 30.—(Special.)—Wesley Todd, aged 49, died in the county infirmary the other day of consumption. He had been an inmate of the infirmary less than a year and the body was taken to New Waterford, his former home, for burial.

Fine job printing—News Review

Fuddling Cups.

An article in the Burlington Magazine describes some early English earthenware drinking cups of eccentric patterns. The principal feature of most of the quaint tygs, or loving cups, is their astonishing number of handles, which range from two to as many as twelve. It is supposed that the purpose of this equipment was that the cup might pass from hand to hand and each guest have a fresh portion of the rim to himself, no doubt an excellent arrangement for the first time round! Not content with half a dozen or so of full grown handles, the potter frequently inserted between each of them a sort of rudimentary handle, consisting of a looped strip of clay. The "fuddling cup" is a cluster of half a dozen good sized cups joined together. When it is realized that the six cups communicate with each other internally, so that to empty one you must empty all, the force of the name will be apparent. Any doubt as to the use of these formidable vessels is dispelled by the inscription: "Fill me full of sidar. Drink of me."

At the Top of St. Peter's.

One needs to climb to the top of St. Peter's to understand best how its builders sought to overawe its beholders. Then the colossal proportions of every detail become apparent; then one may discover that the pen in the hand of St. Mark is as long as a six foot grenadier. On approaching the row of apostles which stand along the edge of the roof and which seem to the bystander in the street below of the size of ordinary human beings one will find gigantic figures whose eyes are as big as men's heads and whose fingers vie in size with an athlete's forearm. The roof is indeed a city in itself, for here are rows of houses where the workmen who are constantly employed in repairing the cathedral have their homes. A fountain supplies them with water, and their provisions are brought to them on the backs of donkeys driven up the broad and easy incline of the stairway.

An Ailment of the Feet.

Poetry is at last classified. The Washington Post tells a story of some children who were discussing the perfections and usefulness of their respective fathers.

"My father's the best man in the world," said one little girl. "He is a minister. He makes people go to church."

"Mine is the best," piped up another. "He's a doctor. He makes sick people well so they can go to church."

Three or four more enlarged upon the benefit the world derived from their fathers, and it finally came the turn of a sweet, blue eyed little girl.

"My papa's the best of all," she said. "He's a poet."

"A poet!" said another, joining the group. "Why, a poet isn't a profession! It's a disease!"

A Henry George Tax.

The last campaign in which Henry George was permitted to engage abounded in wordy encounters. In making squelching rejoinders to impertinent questions the famous single taxer could not be excelled. During one of his addresses Henry George remarked that a lifetime had been devoted to the dissemination of his single tax views.

"And what have you accomplished?" inquired a voice in the audience.

"Taxed New York's halls to their greatest capacities," said the orator suavely. And a delighted audience would not permit him to continue for some minutes.

A Literal Minded Class.

A teacher in one of the schools near Philadelphia had one day been so disturbed by the buzzing of lips and shuffling of feet of the children that she was on the verge of distraction. Finally she said: "Children, I cannot stand so much noise. Please be quiet for a little while, at least. Let me see if you can't be so still that you could hear a pin drop."

Instantly every child became as still as a mouse. Then a little boy in a back seat piped out, with marked impatience:

"Well, let her drop!"—Philadelphia Ledger.

He Loved His Enemies.

James MacNeill Whistler looked upon life as upon a kind of warfare and was never so happy as when he was quarreling with somebody. He is quoted as having said when asked if he did not have many friends: "Yes, I have many friends, and I am grateful to them, but those whom most I love are my enemies, not in a Biblical sense. Oh, no, but because they keep one always busy, always up to the mark, either fighting them or proving them idiots."

Must Be Something Terrible.

Dora—I shan't stand it another minute! I'm going to send him back his ring!

Clara—What! That beautiful diamond ring?

"Yes."

"Horrors! What has he done—robbed a church, killed his mother or what?"

A Fair Exchange.

Angry Poet (rushing into the office)—See here, sir! That check you sent me for my poem is no good!

Editor (coldly)—Neither was the poem. Shut the door, please.

Sauntered Into It.

Nell—He invited me to take a stroll, and before we had gone half a mile I had him proposing.

Belle—Won in a walk, eh?—Philadelphia Record.

LISBON WILL STAND BY THE BELL PEOPLE

Business Association Adopts Strong Declaration on the Telephone Question.

Lisbon, September 30.—(Special)—The Lisbon Business association met last evening and adopted the following announcement, printed copies of which will be circulated:

"To the telephone users of Lisbon and vicinity:

"The Business association announces that it will use the Bell telephone after October 1 and will discontinue the Columbiana County telephone. This action was taken on account of the Columbiana County Telephone company adopting a new schedule of rate to take effect October 1, and as said company did not offer its special local rate until the business people had contracted for a Bell telephone, the Business association leaves it to each individual subscriber to decide whether said company would have offered this special rate if the above action had not been taken by the association. The association believes that in protecting itself it has also protected each telephone subscriber.

"Owing to the confusion which seems to exist in regards to the telephone situation, the business association issues this circular containing the names of those who have already contracted for the Bell 'phone."

Then follow the names of 88 business firms and private citizens who have signed contracts for the Bell telephone.

Cincinnati, Sept. 30.—A combination of grocers in Ohio, Indiana and Kentucky, with a capital of $3,000,000, was organized here. This combination is composed of retail men, some of them having as many as 50 stores, and its announced purpose is to protect itself from the combination of wholesale grocers in the middle states, who recently organized under a New Jersey incorporation. It was announced that a large wholesale jobbing house would be established here for the distribution of goods to the retailers.

Wants Share of Fortune.

Tiffin, O., Sept. 30.—Suit was filed by Frank Guss to set aside the will of his sister, Charlotte Hoyt, wife of Reuben Hoyt, a New York multi-millionaire. She died in Tiffin several months ago, leaving five wills, one of which, bequeathing the bulk of her fortune, amounting to $100,000, to Judge Bunn, a prominent Tiffin lawyer, was probated. Her brothers and sisters were not mentioned in the will and are trying to get a share of the fortune, alleging that she was of unsound mind.

Railway Companies Consolidate.

Columbus, O., Sept. 30.—Articles of consolidation were filed with the secretary of state by the Youngstown and Southern Railway company and the Youngstown and Salem Railway company, taking the name of the former. The capital stock is $1,800,000. The incorporators are A. W. Jones, John H. Ruhmann, W. H. Ruhmann, J. R. Long, W. S. Andrews and R. L. Andrews.

Injured in Elevator Accident.

Columbus, O., Sept. 30.—The cylinder head of the hydraulic elevator at G. T. McAuley's wholesale millinery house blew out, allowing the elevator to fall from the third floor to the basement. THE CAPITOL IS COMING

HANLON BESTS YANGER.

Given Dicision in Hard-Fought Battle at San Francisco.

Mechanics' Pavilion, San Francisco, Sept. 30.—Eddie Hanlon, of this city, received a decision over Benny Yanger, of Chicago, after 20 rounds of furious fighting. Incidentally the spectators were treated to an exhibition of gameness on the part of Yanger as is seldom witnessed in the prize ring.

It was a hard-fought battle, in which Hanlon for the first time abandoned his crouch. In the beginning of the sixth round he stood up and fought without his crouch. Prior to that and up to the ninth Yanger had somewhat the better of it on points. He reached Hanlon time and again without a return and Hanlon, coming in, punished the Slasher severely with his right. Hanlon up to this period showed no advantage. This was the first round which could be called a Hanlon round. From this time on to the sixteenth he held his own.

In the sixteenth round Hanlon knocked his opponent down with a right hook on the jaw and seemed to have Yanger at his mercy. By hanging on, however, Yanger managed to last through the round, although Hanlon tried desperately to land a knock out punch. In the seventeenth, eighteenth and nineteenth Yanger seemed to have recovered. The last minute of the twentieth round Yanger was again floored with a right and left hook on the jaw, and it looked as if the call of time saved him from a knockout.

Yanger fought with the greatest gameness and proved much the clever of the two, notwithstanding that Hanlon showed much improvement. There was never one moment's rest during the fight. Hanlon was always after his man.

Vista Tilley Opens at Youngstown.

Youngstown, O., Sept. 30.—Vista Tilley, the English comedienne, made her initial appearance in this country at the opera house in Clyde Fitch's new comedy "Algy." The play is a sprightly whimsicality, full of bright lines and amusing situations, in which Miss Tilley has ample opportunity to sustain her reputation as being without an equal in wearing men's garments and also to prove her ability as a comedienne. In the first and third acts Miss Tilley wore gowns, the first time she has done so on the stage. The supporting company was first class and the audience seemed pleased with the entertainment.

SOCIAL EVENTS

The Mock Trial.

Col. A. V. Newton, of Worcester, Mass., who is the author and principal fun-maker of the mock trial at the opera house tomorrow night, will arrive tomorrow morning and the rehearsal of the principals will be held at 4 o'clock at the opera house. Attorney Frank E. Grosshans does not propose that Mr. Newton shall have it all his own way and will probably have several surprises for the versatile colonel. There will be lots of fun for the spectators. Judge Wright indignantly denies that he has been approached by either side. It is hinted that the aforesaid denial is a bid for an approach—if the consideration is sufficient.

Devlin-Haldeman.

John C. Haldeman, a well known young machinist, of Salem, now employed in Youngstown, and Miss Mary Devlin, formerly of this city, now of St. Paul's parish, Salem, were married at 7 o'clock Monday evening by Rev. Father T. J. Conlon at his residence on McKinley avenue in that city. Miss Catherine Hanley and Mr. John McNicol were the attendants, and soon after the ceremony Mr. and Mrs. Haldeman left on a wedding trip to Cleveland and elsewhere.

Coming Wedding.

A prominent social function which will take place next week will be the marriage of Miss Clara, daughter of Mr. and Mrs. Edward A. Devon, to Mr. Ira A. Geiselman, a prominent young business man of this city. The ceremony will take place at St. Stephen's church on Thursday afternoon, October 15, at 3 o'clock, Rev. Edwin Weary officiating. Both the bride elect and her fiancee are popular and leading society young people, who have a large number of friends.

Andrews-Colclough.

Announcement has been made of the approaching marriage of Miss Myrtle, daughter of Mr. and Mrs. T. J. Andrews, of the East End, to Mr. E. P. Colclough. The wedding will take place on October 14, on Pennsylvania avenue.

Wedding at Lisbon.

Lisbon, September 30.—(Special.)—Henry Roy Aldridge and Miss Mayme E. Henderson, both of Lisbon, were licensed to marry today. The ceremony will be performed this afternoon by Rev. J. P. Anderson at the Presbyterian parsonage.

ADDITIONAL PERSONALS.

Colonel John J. Rose, the popular tobaccanist, has returned from a month's outing at Atlantic City, New York and other eastern points.

Mr. and Mrs. William Och, of New Castle, and Mrs. Thomas Parker, of Wheeling, are guests of Mr. and Mrs. Charles Och, Chester avenue.

Mayor W. A. Weaver returned this morning from New York, where he accompanied his daughters, Goldie and Mildred, who sailed yesterday for Leipsic, where they will study music.

Captain and Mrs. Gus Martindill left today for Columbus, Gallipolis and Cincinnati, where they will visit relatives. From Cincinnati they go to Evansville, Ind., to attend the convention of the Ohio River Improvement association.

Lisbon, September 30.—(Special.)—Rev. Father Andlauer, who has been pastor of the Catholic churches in Lisbon and Dungannon for several years, has been transferred by Bishop Hortsman, of Cleveland, to Milan. A priest will be sent here from Cleveland to succeed Father Andlauer.

ARCHER WANTS TO HANDLE MAIL

The Ex-Senator Aspires to the Postmasteship of Bellaire.

IN STATE'S STRONG BOX

Is a Sum Collected By George M. Collier, the Absconding Examiner of Engineers — Tramp Mayor Now Starting In a New Role.

From a Staff Correspondent.

Columbus, September 30. — Hon Frank B. Archer, of Belmont, is still an aspirant for political honors. He wants the Bellaire postmastership, which pays a good salary and which is filled by his chiefest political enemy, Johnny Gow. Gow was for Armstrong as against Weems for the congressional delegates in Belmont county, and as Weems will be the next congressman it is morally sure that Gow will soon be out of a job. Archer was for Weems principally because of his antipathy to Gow. Before the recent fight for Congressman Gill's shoes was on he was not regarded as friendly to Weems. It is to be expected there will be other seekers after the berth Archer wants. Weems' nomination was a keen disappointment to the friends of Mr. Gill, largely because of the loss of patronage they will suffer.

State Treasurer I. B. Cameron has collected for the state $2,966.27, which was on deposit in the Hayden-Clinton bank in this city in the name of Geo. M. Collier, the absconding state examiner of engineers and the sum is now in the state's strong box. The agent of the company which bonded Collier stated Monday that the bond would be paid as soon as the state formally requested this. W. E. Kennedy, of Cincinnati, Collier's successor, returned to his home and will assume active charge of the office on Thursday. It is not thought likely he will make any change in the force. A new supply of licenses bearing the name of Mr. Kennedy will be necessary, as the licenses containing Collier's name are now illegal. Until the new ones are available the work of the department will practically be at a standstill.

Alonzo Weed, the diminutive mayor of Amesville, who has been jailed no less than a dozen times in this city for drunkenness during the past four weeks, is now starring in another freak role. He was arrested Saturday, released Sunday and on Monday hired himself as a porter in a local saloon. The proprietor has an eye to business and figures his honor will be a drawing card. He is to receive no salary, but is to have all he can eat and drink. He says he will never return to Amesville.

Word has been received that Bryan will spend three days in Ohio and will arrive October 5. He will probably speak at the places he was compelled to skip on his visit to the state about five weeks ago. Chairman Salen, of the Democratic state committee, has invited Colonel Herrick to debate with Johnson.

State School Commissioner L. D. Bonebrake is at work on the re-classification of the high schools of the state and expects to complete it by November. He says that the standard of curriculum is being raised, and instead of 179 first grade high schools this year there will be about 200. A number will also be advanced from the second to third grade. The law providing for the classification of high schools was passed two years ago, Representative Clement Brumbaugh, of Darke, being the author.

Be thankful! For life, and money enough to buy Ayer's Pills. J. C. Ayer Co., Lowell, Mass.

Fisherman's Awful Catch.

Jamestown, N. Y., Sept. 30.—F. W. Hinkle, of Cincinnati, while fishing in Chautauqua lake, felt a tug on his line and upon pulling the hook to the surface was horrified to find the body of a man. The body was later identified as Aaron Spencer, 50 years old, a resident of Boomertown. Spencer left Lakewood Sunday in company with Fred Metcalfe, of Boomertown, and had not since been seen.

Postmasters Appointed.

Washington, Sept. 30.—The following postmasters were appointed: Pennsylvania—Bradleytown, Venango county, James B. Arters; Brush Valley, Indiana county, Mary A. Davis. Ohio—Haydenville, Hocking county, Fannie McFadden. West Virginia—Coalwood, McDowell county, Aaron Collier Peabody, Wetzel county, Albert Garner; Red Creek, Tucker county, Martin V. Boner.

Cassatt Resigns.

Newark, N. J., Sept. 30.—Alexander J. Cassatt, president of the Pennsylvania Railroad company, has resigned as third vice president of the Public Service corporation, and A. B. Carlton, president of the United Electric company before it was absorbed by the Public Service corporation, was elected in his place.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Bellville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

Lynchers to Go Free.

Wilmington, Del., Sept. 30.—The grand jury announced that it had decided to ignore the bill against those charged with being concerned in the burning at the stake of George White, the negro who assaulted and murdered Miss Helen Bishop.

Hagee's Cordial of Cod Liver Oil is for both prevention and cure. It heads off disease by strengthening the system. It cures coughs, colds bronchitis, consumption and many other disorders in the most rational way.

Hagee's is cod liver oil without grease.

Jealousy Causes Tragedy.

San Francisco, Sept. 30.—Marie Jordan, a cloak saleswoman, was shot dead on the street by Edward De La Brousse, who then fired a shot into his head, inflicting a wound which probably will prove fatal. They were both under 30 years of age. The tragedy was the result of jealousy.

It's folly to suffer from that horrible plague of the night, itching piles. Doan's Ointment cures, quickly and permanently. At any drug store, 50 cents.

ROVERS ARE ANXIOUS FOR ANOTHER TRIAL

But Are Not Likely to Accept the Challenge of the Rovers to Play For $100.

While it is not likely that the Rovers will accept the challenge of the Oaklands to play another game for a purse of $100, under the conditions imposed by Manager Weaver, they are anxious for another contest later in the season. The Rovers expect to play several men, who it is claimed have been members of the team since last season, although they have not taken part in the games. One of these men is "Lefty" Baker, the big full back of last year's first team. The backs would then be Baker, Cartwright and Mardy. Young Burgess, the B. A. C. full back, has joined the team and will add strength to it. Burgess has the making of a great player, his work at the News Review game attracting a great deal of attention. His weight is 174 pounds. It is reported that Lem Harvey has left the Oaklands to join the Rovers. Harvey is said to have the best interference of any player in town.

Manager Hughes, of the Rovers, called at the News Review office this morning and stated the conditions under which the two teams can meet again. The Rovers do not care to cancel any of their games and they are booked for every Saturday, including the date Manager Weaver wanted to play. It has been suggested that the game be deferred until Thanksgiving day, when all the friends of the two teams will have the opportunity of attending. The Rovers have a Thanksgiving date but are willing to cancel. They are also willing to play for a purse and the entire receipts.

Will Invade Wellsville.

Loyal to the utmost for the success of the eleven that is to play foot ball under their name, the members of the East Liverpool high school will invade Wellsville Friday afternoon to encourage them in the great game with the Wellsville high school eleven. The colors will be flung to the breeze and the invaders will "root" lustily that they may not be trailed in the dust. There are several hundred members of the newly organized athletic society and all of them will attend. Many other members of the school and friends of the players will be there.

Frank Moore, the popular foot ball player, now with the Josh Spruceby band, dropped into town yesterday to look up his friends among the foot ball squad. His company played in Wellsville last night and will be at the Grand tonight.

Woman's Sensational Suicide.

Kansas City, Sept. 30.—While suffering from temporary insanity Miss Adelaide Pribbenow, a music teacher, whose parents live in Omaha, jumped from the third-story window of a fashionable hotel, ran 10 blocks to the railroad yards in the north end of the city, threw herself in front of a passing train and was ground to pieces. Her fall from the window was checked by the roof of an adjoining building from which she fell to the ground below, which was soft, owing to rain. Her friends in the hotel rushed out expecting to find her body on the ground. Instead there was no trace of her, nor did they get a glimpse of her until her mangled body was found on the railroad track.

This is taken to mean that, notwithstanding the large number of witnesses examined, nothing really definite as to who killed Agatha Reichlin was brought out.

ARCHER WANTS TO HANDLE MAIL

The Ex-Senator Aspires to the Postmasteship of Bellaire.

IN STATE'S STRONG BOX

Is a Sum Collected By George M. Collier, the Absconding Examiner of Engineers — Tramp Mayor Now Starting In a New Role.

From a Staff Correspondent.

Columbus, September 30. — Hon. Frank B. Archer, of Belmont, is still an aspirant for political honors. He wants the Bellaire postmastership, which pays a good salary and which is filled by his chiefest political enemy, Johnny Gow. Gow was for Armstrong as against Weems for the congressional delegates in Belmont county, and as Weems will be the next congressman it is morally sure that Gow will soon be out of a job. Archer was for Weems principally because of his antipathy to Gow. Before the recent fight for Congressman Gill's shoes was on he was not regarded as friendly to Weems. It is to be expected there will be other seekers after the berth Archer wants. Weems' nomination was a keen disappointment to the friends of Mr. Gill, largely because of the loss of patronage they will suffer.

State Treasurer I. B. Cameron has collected for the state $2,966.27, which was on deposit in the Hayden-Clinton bank in this city in the name of Geo. M. Collier, the absconding state examiner of engineers and the sum is now in the state's strong box. The agent of the company which bonded Collier stated Monday that the bond would be paid as soon as the state formally requested this. W. E. Kennedy, of Cincinnati, Collier's successor, returned to his home and will assume active charge of the office on Thursday. It is not thought likely he will make any change in the force. A new supply of licenses bearing the name of Mr. Kennedy will be necessary, as the licenses containing Collier's name are now illegal. Until the new ones are available the work of the department will practically be at a standstill.

Alonzo Weed, the diminutive mayor of Amesville, who has been jailed no less than a dozen times in this city for drunkenness during the past four weeks, is now starring in another freak role. He was arrested Saturday, released Sunday and on Monday hired himself as a porter in a local saloon. The proprietor has an eye to business and figures his honor will be a drawing card. He is to receive no salary, but is to have all he can eat and drink. He says he will never return to Amesville.

Word has been received that Bryan will spend three days in Ohio and will arrive October 5. He will probably speak at the places he was compelled to skip on his visit to the state about five weeks ago. Chairman Salen, of the Democratic state committee, has invited Colonel Herrick to debate with Johnson.

State School Commissioner L. D. Bonebrake is at work on the re-classification of the high schools of the state and expects to complete it by November. He says that the standard of curriculum is being raised, and instead of 179 first grade high schools this year there will be about 200. A number will also be advanced from the second to third grade. The law providing for the classification of high schools was passed two years ago, Representative Clement Brumbaugh, of Darke, being the author.

Be thankful! For life, and money enough to buy Ayer's Pills. J. C. Ayer Co., Lowell, Mass.

Fisherman's Awful Catch.

Jamestown, N. Y., Sept. 30.—F. W. Hinkle, of Cincinnati, while fishing in Chautauqua lake, felt a tug on his line and upon pulling the hook to the surface was horrified to find the body of a man. The body was later identified as Aaron Spencer, 50 years old, a resident of Boomertown. Spencer left Lakewood Sunday in company with Fred Metcalfe, of Boomertown, and had not since been seen.

Postmasters Appointed.

Washington, Sept. 30.—The following postmasters were appointed: Pennsylvania—Bradleytown, Venango county, James B. Arters; Brush Valley, Indiana county, Mary A. Davis. Ohio—Haydenville, Hocking county, Fannie McFadden. West Virginia—Coalwood, McDowell county, Aaron Collier Peabody, Wetzel county, Albert Garner; Red Creek, Tucker county, Martin V. Boner.

Cassatt Resigns.

Newark, N. J., Sept. 30.—Alexander J. Cassatt, president of the Pennsylvania Railroad company, has resigned as third vice president of the Public Service corporation, and A. B. Carlton, president of the United Electric company before it was absorbed by the Public Service corporation, was elected in his place.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Bellville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

Lynchers to Go Free.

Wilmington, Del., Sept. 30.—The grand jury announced that it had decided to ignore the bill against those charged with being concerned in the burning at the stake of George White, the negro who assaulted and murdered Miss Helen Bishop.

Hagee's Cordial of Cod Liver Oil is for both prevention and cure. It heads off disease by strengthening the system. It cures coughs, colds bronchitis, consumption and many other disorders in the most rational way.

Hagee's is cod liver oil without grease.

Jealousy Causes Tragedy.

San Francisco, Sept. 30.—Marie Jordan, a cloak saleswoman, was shot dead on the street by Edward De La Brousse, who then fired a shot into his head, inflicting a wound which probably will prove fatal. They were both under 30 years of age. The tragedy was the result of jealousy.

It's folly to suffer from that horrible plague of the night, itching piles. Doan's Ointment cures, quickly and permanently. At any drug store, 50 cents.

ROVERS ARE ANXIOUS FOR ANOTHER TRIAL

But Are Not Likely to Accept the Challenge of the Rovers to Play For $100.

While it is not likely that the Rovers will accept the challenge of the Oaklands to play another game for a purse of $100, under the conditions imposed by Manager Weaver, they are anxious for another contest later in the season. The Rovers expect to play several men, who it is claimed have been members of the team since last season, although they have not taken part in the games. One of these men is "Lefty" Baker, the big full back of last year's first team. The backs would then be Baker, Cartwright and Mardy. Young Burgess the B. A. C. full back, has joined the team and will add strength to it. Burgess has the making of a great player, his work at the News Review game attracting a great deal of attention. His weight is 174 pounds. It is reported that Lem Harvey has left the Oaklands to join the Rovers. Harvey is said to have the best interference of any player in town.

Manager Hughes, of the Rovers called at the News Review office this morning and stated the conditions under which the two teams can meet again. The Rovers do not care to cancel any of their games and they are booked for every Saturday, including the date Manager Weaver wanted to play. It has been suggested that the game be deferred until Thanksgiving day, when all the friends of the two teams will have the opportunity of attending. The Rovers have a Thanksgiving date but are willing to cancel. They are also willing to play for a purse and the entire receipts.

SITUATION AT THE SOO

Number of Men Arrested for Being Implicated in Riots. Everything Now Quiet.

DISCHARGED MEN IN DEMAND

Employment Agencies Offer Places to Many—Woodmen at Wilde Station Attack Train Crew—No Destitution Exists—Mayor's Statement.

Sault Ste. Marie, Sept. 30.—A detachment of the Canadian militia which has been ordered to the Soo arrived here shortly after midnight.

Sault Ste. Marie, Mich., Sept. 30.—The arrest of nine men charged with being implicated in the riot at the Canadian Soo and an attempt of a number of men forcibly to resist detention by the concern at Wilde station, on the Algoma Central, were among the developments in the situation at the Soo. Numerous requests by employment agencies for the services of employes thrown out of work by the closing of the concern and its various affiliated companies, to which they are responding, and the absence of destitution have given the men hope, and with the exception of the incident mentioned everything is quet.

Mayor Plummer has, with the sanction of the municipality, readily aided the needy, who were declared to be few, but he announced that on the arrival of a detachment of militia all unemployed men of the company who have refused to accept the offers of work elsewhere will be forced to leave. Since the attack by the mob on the company's offices the local militia, reinforced by the police, has guarded the plant and industries of the company, but order has been observed and communication between the two Soos was resumed. It is planned also to start the street cars on the Canada side.

Awaiting Arrival of Troops.

There are 500 woodsmen in the camps of the company, but as a measure of protection the company will not allow them to come in until all of the troops en route have arrived. Although they are said to be well provided with food and have good sleeping quarters, the men are dissatisfied, which has caused them to protest against being left at Wilde station.

The men became angry when told they would be held at the station over night and began to throw rocks at the engine crew. The fusillade of missiles became so heavy that to escape with their lives the crew, under pretense of switching the train after an engine and two coaches had been uncoupled, started down the main track on the Algoma Central road, leaving the foreigners behind. Some of them, unwilling to stay there, have walked to the Soo.

Mayor Plummer's Statement.

In a statement by Mayor Plummer denying that there had been destitution there, he said: "At my suggestion municipal funds were used to help men who had been thrown out of employment and were in need. They were given checks for meals and men with families were supplied with the necessities of life. All who requested aid were given it, and, although the sudden loss of employment meant hardships for men with families, there never has been any destitution. The company by which the men had been employed also aided them when aid was needed. I have telegrams from numbers of employment agencies stating that all who want employment may have it and at better wages than they had been paid by the company. Many are accepting the offers—even the men who have families—although they dislike to quit their homes here."

Mr. Coyne also said that his company had been liberal in providing for the men, but that some had refused to avail themselves of the offers, preferring to wait until funds could be secured by the company that they might cash their pay checks and living on the small earnings they had saved.

The Cause of Many Sudden Deaths.

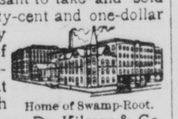

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton. N. Y., on every bottle.

YELLOW FEVER ON INCREASE.

Laredo, Tex., Has 37 Cases—Vice Consul Kimball a Victim.

Laredo, Tex., Sept. 30.—The yellow fever situation is beginning to assume a very grave phase. There are now in this city 37 cases of fever, 16 of which have been pronounced genuine by the marine hospital service experts in charge; 10 cases have been pronounced suspicious and 11 new cases have been reported. The majority of the cases are confined to a certain district of the city, with the exception of some of the new cases. The work of placing the city in a perfect sanitary condition is being effectively and scientifically brought about under the direction of the yellow fever experts on the ground

A second detention camp has been established at Cactus, a station on the line of the International and Great Northern railroad, about 15 miles from Laredo.

The conditions in Neuvo Laredo are not very encouraging. One death occurred during the day. It is impossible to learn from the Mexican authorities how many cases exist. Among the cases reported as very grave is that of United States Vice Consul J. F. Kimball.

Nuevo Laredo established a strict quarantine against the city. No official news has been sent from Monterey, but it is learned on what is considered good authority that there are at least 10 new cases of fever there.

Houston, Tex., Sept. 30.—Federal Judge Burns made an order releasing all the federal prisoners held in the county jail at Laredo, the yellow fever being the reason. Most of the prisoners were held on charges of smuggling.

Tin Ore Ledge Discovered.

Butte, Mont., Sept. 30.—A 100-foot ledge of tin ore has been discovered near Lost river, in the Cape York district, north of Cape Nome. One hundred pounds of sample rock will be shipped to Pittsburg. Details of the discovery, which it is claimed may prove the greatest known anywhere, are given by Joseph Hutchinson, who represents eastern capitalists associated with the American Tin Plate company.

Oldfield Makes Fast Time.

Cleveland, Sept. 30.—Barney Oldfield reeled off some fast miles at the Glenville track. He went to try out the new 41-inch tires which were lately affixed to his automobile and after a few warming-up miles, he reeled off five laps in 4:58 4-5, an average of 59 9-25 seconds per mile. His time for each mile was: First, 1:00 2-5; second, 1:00; third :59; fourth, 59; fifth, :58 2-5.

CANCEROUS ULCERS

ROOTED IN THE BLOOD.

After the age of 45 or 50, when the vital powers are naturally weaker, it is noticed that a hurt of any kind heals slowly and often a very insignificant scratch or bruise becomes a bad ulcer or sore. At this time of life warty growths, moles and pimples that have been on the body almost from birth begin to inflame and fester, and before very long are large eating ulcers.

A small pimple came on my jaw, but gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time then the Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it is remarkable what a wonderful effect it had from the beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good. Mrs. R. SHIRER, Wyaconda, Mo.

Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years, is beginning to assert itself, and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps, salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood and a tonic to build up the general system is what is needed, and S. S. S. is just such a remedy. No poison is so powerful and no germ so deadly that this great vegetable blood remedy cannot reach it, and ulcers of every kind quickly yield to its wonderful curative properties. If you have an old sore or ulcer, write us all about it, and medical advice or any information you may desire will be given by our physicians without charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

President Renders Final Decision in Case of Foreman W. A. Miller.

TALKED WITH LABOR LEADERS

Aims to Do Equal and Exact Justice to All—No Discrimination Between Union and Non-Union Men—Simply Acting for the Government.

Washington, Sept. 30.—An important conference took place at the White House between President Roosevelt and five members of the executive council of the American Federation of Labor, including President Gompers and Mr. Mitchell, head of the miners' union, during which the case of Foreman W. A. Miller, of the government printing office, who was dismissed because he had been expelled from the local bookbinders' union and afterward was reinstated by direction of the president, was the principal topic of discussion. The conference was granted at the request of the labor leaders. The Miller case was very fuly presented by the members of the executive council, at the close of which the president made a statement in which he announced that his decision not to dismiss Miller was final and that the question of his personal fitness must be settled in the regular routine of administration. The statement in full is as follows:

"I thank you and your committee for your courtesy and I appreciate the opportunity to meet with you. It will always be a pleasure to see you or any representatives of your organizations or of your federation as a whole.

"As regards the Miller case I have little to add to what I have already said. In dealing with it I ask you to remember that I am dealing purely with the relation of the government to its employes. I must govern my action by the laws of the land which I am sworn to administer and which differentiate any case in which the government of the United States is a party from all other cases whatsoever. These laws are enacted for the benefit of the whole people, and cannot and must not be construed as permitting discrimination against some of the people. I am president of all the people of the United States, without regard to creed, color, birthplace, occupation or social condition. My aim is to do equal and exact justice among them all. In the employment and dismissal of men in the government service I can no more recognize the fact that a man does not belong to a union as being for or against him than I can recognize the fact that he is a Protestant or a Catholic, a Jew or a Gentile, as being for or against him.

"In the communications sent me by various labor organizations protesting against the retention of Miller in the government printing office the grounds alleged are twofold: 1, that he is a non-union man; 2, that he is not personally fit. The question of his personal fitness is one to be settled in the routine of administrative detail and cannot be allowed to conflict with or to complicate the larger question of governmental discrimination for or against him or any other man because he is or is not a member of a union. This is the only question now before me for decision, and as to this my decision is final."

Dickens' Birthplace Sold.

London, Sept. 30.—The birthplace of Charles Dickens, 387 Commercial road, Landport, North Portsmouth dockyard, where his father was a clerk, in which the author spent the early part of his life, was sold by auction at Portsmouth and bought in for $5,625 by the mayor, representing the city of Portsmouth. There was a large attendance at the sale, which was followed by speeches congratulating the municipality of Portsmouth on its action, to which the mayor responded. A Dickens' museum will probably be established in the house.

Colombian Congress Costly.

Colon, Colombia, Sept. 30.—News from the interior says Vice President Marroquin and his son have publicly announced that it is not their intention to be candidates for the presidency or vice presidency of the republic. General Reyes is still the candidate most likely to be elected. The Porvenir of Cartagena says that after being 90 days in session congress passed five unimportant bills and cost the country, already impoverished, 3,240,000 pesos, equivalent to $40,000.

Industrial Plant Destroyed.

Monterey, Mexico, Sept. 30.—Fire destroyed the entire plant of the Industrial Cotton and Furniture company. The loss will probably exceed $200,000, partially insured.

Senator Scott Starts for Home.

Colorado Springs, Sept. 30.—Senator Nathan B. Scott and Mrs. Scott have left for their home in Wheeling, W. Va., the senator having recovered from his recent illness.

Killed by Gas Explosion.

New York, Sept. 30.—James Owens, a plasterer, was killed and three other workmen were seriously injured by an explosion of gas on the roof of the Imperial hotel.

Chosen Lord Mayor.

London, Sept. 30.—At a meeting of the aldermen held at Guild hall Sir J. T. Ritchie was elected lord mayor of London for the coming year.

Mothers, do you know

that a perfectly healthy baby never cries. When the little one does cry there's something wrong, and generally it's the stomach. Paregoric, Soothing Syrups, Cordials, Teething Syrups and Pain Killers contain opium and morphine. Don't use them. They are harmful—costly, too. Such drugs constipate and derange the digestive organs.

Dr. Caldwell's Syrup Pepsin

(A LAXATIVE)

is pleasant to take, augments and supplies the natural digestive ferment, acting as a gentle laxative by the power to assimilate food, makes and keeps babies in health and good humor. A trial will convince you.

MRS. ALLIE JACKSON, of Farmer City, Ill., writes: My seven-months-old baby was troubled a great deal with his stomach and bowels. I had tried numerous remedies with no good results, until the baby lost much flesh and was in very poor health. A friend recommended Caldwell's Syrup Pepsin. I procured a 50c bottle at the drug store and gave the contents to the baby according to directions, after which there was a decided improvement in his condition. Have been giving him Syrup Pepsin for about a month, with very satisfactory results, his stomach and bowels being in good, healthy condition and his former weight regained.

Your druggist sells it. If not, send us his name and we will send sample bottle FREE.

MARCH WITHOUT MUSIC.

Chicago's Centennial Parade Draws Big Crowd—Bands Were Scarce.

Chicago, Sept. 30.—The great parade of the centennial celebration which filed for three hours through the streets was a wonderful success. A crowd estimated at 1,000,000 people lined the streets through which the procession passed and cheered its features lustily.

The parade was pratically destitute of music, with the exception of the bands belonging to the regiments of the national guard. The regimental commanders during the day informed their musicians that they either must march with the balance of the men or they would be court-martialed and dismissed in disgrace from the military service of the state. President Kennedy, of the musicians' union, when confronted with this situation, said the men would not be fined if they turned out, and as a consequence the regiments marched with the usual music.

A few amateur bands were scattered throughout the parade and all of them were lustily cheered by the crowd as they passed along. A large number of floats were exhibited in the parade, some of them of great beauty.

Strong Verdict of Coroner's Jury.

Lynchburg, Tenn., Sept. 30.—The coroner's jury has returned a verdict to the effect that Allen Small, who was killed last Thursday night during a raid on the Moore county jail, was deliberately, maliciously and premeditatedly murdered and 27 men are named in the verdict as guilty of the crime. Fourteen of the mob are under arrest and warrants for the others have been issued. Three of the prisoners have turned state's evidence and have been released on bond on condition that they will appear as witnesses for the prosecution.

Officer's Big Fee.

Bridgeport, Conn., Sept. 30.—Deputy Sheriff Peter Doolin, who served the writs in the suit brought by D. E. Loewe & Co., hatters, of Danbury, against the officers of the National Federation of Labor and the United Hatters of North America and 250 members of the latter organization as individuals, received the largest fee ever granted to a court officer in Connecticut. Doolin returned reports to the superior court and his fee for mileage, searching records, etc., amounted to $2,860.40.

Big Roll Disappears.

New York, Sept. 30.—The loss of a roll of bills amounting to $2,000 in the cafe of the Waldorf-Astoria by a guest of the hotel has startled not only the patrons, but the management to unusual activity. The fat roll was placed on the table by one of the wealthy patrons while dining. His back was turned only a few seconds, but when he reached for it the money was gone

SITUATION AT THE SOO

Number of Men Arrested for Being Implicated in Riots. Everything Now Quiet.

DISCHARGED MEN IN DEMAND

Employment Agencies Offer Places to Many—Woodmen at Wilde Station Attack Train Crew—No Destitution Exists—Mayor's Statement.

Sault Ste. Marie, Sept. 30.—A detachment of the Canadian militia which has been ordered to the Soo arrived here shortly after midnight.

Sault Ste. Marie, Mich., Sept. 30.—The arrest of nine men charged with being implicated in the riot at the Canadian Soo and an attempt of a number of men forcibly to resist detention by the concern at Wilde station, on the Algoma Central, were among the developments in the situation at the Soo. Numerous requests by employment agencies for the services of employes thrown out of work by the closing of the concern and its various affiliated companies, to which they are responding, and the absence of destitution have given the men hope, and with the exception of the incident mentioned everything is quet.

Mayor Plummer has, with the sanction of the municipality, readily aided the needy, who were declared to be few, but he announced that on the arrival of a detachment of militia all unemployed men of the company who have refused to accept the offers of work elsewhere will be forced to leave. Since the attack by the mob on the company's offices the local militia, reinforced by the police, has guarded the plant and industries of the company, but order has been observed and communication between the two Soos was resumed. It is planned also to start the street cars on the Canada side.

Awaiting Arrival of Troops.

There are 500 woodsmen in the camps of the company, but as a measure of protection the company will not allow them to come in until all of the troops en route have arrived. Although they are said to be well provided with food and have good sleeping quarters, the men are dissatisfied, which has caused them to protest against being left at Wilde station.

The men became angry when told they would be held at the station over night and began to throw rocks at the engine crew. The fusillade of missiles became so heavy that to escape with their lives the crew, under pretense of switching the train after an engine and two coaches had been uncoupled, started down the main track on the Algoma Central road, leaving the foreigners behind. Some of them, unwilling to stay there, have walked to the Soo.

Mayor Plummer's Statement.

In a statement by Mayor Plummer denying that there had been destitution there, he said: "At my suggestion municipal funds were used to help men who had been thrown out of employment and were in need. They were given checks for meals and men with families were supplied with the necessities of life. All who requested aid were given it, and, although the sudden loss of employment meant hardships for men with families, there never has been any destitution. The company by which the men had been employed also aided them when aid was needed. I have telegrams from numbers of employment agencies stating that all who want employment may have it and at better wages than they had been paid by the company. Many are accepting the offers—even the men who have families—although they dislike to quit their homes here."

Mr. Coyne also said that his company had been liberal in providing for the men, but that some had refused to avail themselves of the offers, preferring to wait until funds could be secured by the company that they might cash their pay checks and living on the small earnings they had saved.

The Cause of Many Sudden Deaths.

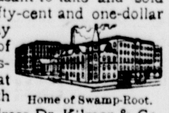

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton. N. Y., on every bottle.

YELLOW FEVER ON INCREASE.

Laredo, Tex., Has 37 Cases—Vice Consul Kimball a Victim.

Laredo, Tex., Sept. 30.—The yellow fever situation is beginning to assume a very grave phase. There are now in this city 37 cases of fever, 16 of which have been pronounced genuine by the marine hospital service experts in charge; 10 cases have been pronounced suspicious and 11 new cases have been reported. The majority of the cases are confined to a certain district of the city, with the exception of some of the new cases. The work of placing the city in a perfect sanitary condition is being effectively and scientifically brought about under the direction of the yellow fever experts on the ground.

A second detention camp has been established at Cactus, a station on the line of the International and Great Northern railroad, about 15 miles from Laredo.

The conditions in Neuvo Laredo are not very encouraging. One death occurred during the day. It is impossible to learn from the Mexican authorities how many cases exist. Among the cases reported as very grave is that of United States Vice Consul J. F. Kimball.

Nuevo Laredo established a strict quarantine against the city. No official news has been sent from Monterey, but it is learned on what is considered good authority that there are at least 10 new cases of fever there.

Houston, Tex., Sept. 30.—Federal Judge Burns made an order releasing all the federal prisoners held in the county jail at Laredo, the yellow fever being the reason. Most of the prisoners were held on charges of smuggling.

Tin Ore Ledge Discovered.

Butte, Mont., Sept. 30.—A 100-foot ledge of tin ore has been discovered near Lost river, in the Cape York district, north of Cape Nome. One hundred pounds of sample rock will be shipped to Pittsburg. Details of the discovery, which it is claimed may prove the greatest known anywhere, are given by Joseph Hutchinson, who represents eastern capitalists associated with the American Tin Plate company.

Oldfield Makes Fast Time.

Cleveland, Sept. 30.—Barney Oldfield reeled off some fast miles at the Glenville track. He went to try out the new 41-inch tires which were lately affixed to his automobile and after a few warming-up miles, he reeled off five laps in 4:58 4-5, an average of 59 9-25 seconds per mile. His time for each mile was: First, 1:00 2-5; second, 1:00; third :59; fourth, 59; fifth, :58 2-5.

President Renders Final Decision in Case of Foreman W. A. Miller.

TALKED WITH LABOR LEADERS

Aims to Do Equal and Exact Justice to All—No Discrimination Between Union and Non-Union Men—Simply Acting for the Government.

Washington, Sept. 30.—An important conference took place at the White House between President Roosevelt and five members of the executive council of the American Federation of Labor, including President Gompers and Mr. Mitchell, head of the miners' union, during which the case of Foreman W. A. Miller, of the government printing office, who was dismissed because he had been expelled from the local bookbinders' union and afterward was reinstated by direction of the president, was the principal topic of discussion. The conference was granted at the request of the labor leaders. The Miller case was very fuly presented by the members of the executive council, at the close of which the president made a statement in which he announced that his decision not to dismiss Miller was final and that the question of his personal fitness must be settled in the regular routine of administration. The statement in full is as follows:

"I thank you and your committee for your courtesy and I appreciate the opportunity to meet with you. It will always be a pleasure to see you or any representatives of your organizations or of your federation as a whole.

"As regards the Miller case I have little to add to what I have already said. In dealing with it I ask you to remember that I am dealing purely with the relation of the government to its employes. I must govern my action by the laws of the land which I am sworn to administer and which differentiate any case in which the government of the United States is a party from all other cases whatsoever. These laws are enacted for the benefit of the whole people, and cannot and must not be construed as permitting discrimination against some of the people. I am president of all the people of the United States, without regard to creed, color, birthplace, occupation or social condition. My aim is to do equal and exact justice among them all. In the employment and dismissal of men in the government service I can no more recognize the fact that a man does not belong to a union as being for or against him than I can recognize the fact that he is a Protestant or a Catholic, a Jew or a Gentile, as being for or against him.

"In the communications sent me by various labor organizations protesting against the retention of Miller in the government printing office the grounds alleged are twofold: 1, that he is a non-union man; 2, that he is not personally fit. The question of his personal fitness is one to be settled in the routine of administrative detail and cannot be allowed to conflict with or to complicate the larger question of governmental discrimination for or against him or any other man because he is or is not a member of a union. This is the only question now before me for decision, and as to this my decision is final."

Dickens' Birthplace Sold.

London, Sept. 30.—The birthplace of Charles Dickens, 387 Commercial road, Landport, North Portsmouth dockyard, where his father was a clerk, in which the author spent the early part of his life, was sold by auction at Portsmouth and bought in for $5,625 by the mayor, representing the city of Portsmouth. There was a large attendance at the sale, which was followed by speeches congratulating the municipality of Portsmouth on its action, to which the mayor responded. A Dickens' museum will probably be established in the house.

Colombian Congress Costly.

Colon, Colombia, Sept. 30.—News from the interior says Vice President Marroquin and his son have publicly announced that it is not their intention to be candidates for the presidency or vice presidency of the republic. General Reyes is still the candidate most likely to be elected. The Porvenir of Cartagena says that after being 90 days in session congress passed five unimportant bills and cost the country, already impoverished, 2,240,000 pesos, equivalent to $40,000.

Industrial Plant Destroyed.

Monterey, Mexico, Sept. 30.—Fire destroyed the entire plant of the Industrial Cotton and Furniture company. The loss will probably exceed $200,000, partially insured.

London, Sept. 30.—At a meeting of the aldermen held at Guild hall Sir J. T. Ritchie was elected lord mayor of London for the coming year.

Mothers, do you know

that a perfectly healthy baby never cries. When the little one does cry there's something wrong, and generally it's the stomach. Paregoric, Soothing Syrups, Cordials, Teething Syrups and Pain Killers contain opium and morphine. Don't use them. They are harmful—costly, too. Such drugs constipate and derange the digestive organs.

Dr. Caldwell's Syrup Pepsin

(A LAXATIVE)

is pleasant to take, augments and supplies the natural digestive ferment, acting as a gentle laxative by the power to assimilate food, makes and keeps babies in health and good humor. A trial will convince you.

Mrs. Allie Jackson, of Farmer City, Ill., writes: My seven-months-old baby was troubled a great deal with his stomach and bowels. I had tried numerous remedies with no good results, until the baby lost much flesh and was in very poor health. A friend recommended Caldwell's Syrup Pepsin. I procured a 50c bottle at the drug store and gave the contents to the baby according to directions, after which there was a decided improvement in his condition. Have been giving him Syrup Pepsin for about a month, with very satisfactory results, his stomach and bowels being in good, healthy condition and his former weight regained.

Your druggist sells it. If not, send us his name and we will send sample bottle FREE.

MARCH WITHOUT MUSIC.

Chicago's Centennial Parade Draws Big Crowd—Bands Were Scarce.

Chicago, Sept. 30.—The great parade of the centennial celebration which filed for three hours through the streets was a wonderful success. A crowd estimated at 1,000,000 people lined the streets through which the procession passed and cheered its features lustily.

The parade was pratically destitute of music, with the exception of the bands belonging to the regiments of the national guard. The regimental commanders during the day informed their musicians that they either must march with the balance of the men or they would be court-martialed and dismissed in disgrace from the military service of the state. President Kennedy, of the musicians' union, when confronted with this situation, said the men would not be fined if they turned out, and as a consequence the regiments marched with the usual music.

A few amateur bands were scattered throughout the parade and all of them were lustily cheered by the crowd as they passed along. A large number of floats were exhibited in the parade, some of them of great beauty.

Strong Verdict of Coroner's Jury.

Lynchburg, Tenn., Sept. 30.—The coroner's jury has returned a verdict to the effect that Allen Small, who was killed last Thursday night during a raid on the Moore county jail, was deliberately, maliciously and premeditatedly murdered and 27 men are named in the verdict as guilty of the crime. Fourteen of the mob are under arrest and warrants for the others have been issued. Three of the prisoners have turned state's evidence and have been released on bond on condition that they will appear as witnesses for the prosecution.

Officer's Big Fee.

Bridgeport, Conn., Sept. 30.—Deputy Sheriff Peter Doolin, who served the writs in the suit brought by D. E. Loewe & Co., hatters, of Danbury, against the officers of the National Federation of Labor and the United Hatters of North America and 250 members of the latter organization as individuals, received the largest fee ever granted to a court officer in Connecticut. Doolin returned reports to the superior court and his fee for mileage, searching records, etc., amounted to $2,860.40.

Big Roll Disappears.

New York, Sept. 30.—The loss of a roll of bills amounting to $2,000 in the cafe of the Waldorf-Astoria by a guest of the hotel has startled not only the patrons, but the management to unusual activity. The fat roll was placed on the table by one of the wealthy patrons while dining. His back was turned only a few seconds, but when he reached for it the money was gone.

Dr. Finley Installed.

New York, Sept. 30.—Dr. John Huston Finley, who for the last five years has occupied the chair of politics at Princeton university, was installed as president of the College of the City of New York. CANCEROUS ULCERS

ROOTED IN THE BLOOD.

After the age of 45 or 50, when the vital powers are naturally weaker, it is noticed that a hurt of any kind heals slowly and often a very insignificant scratch or bruise becomes a bad ulcer or sore. At this time of life warty growths, moles and pimples that have been on the body almost from birth begin to inflame and fester, and before very long are large eating ulcers.

Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years, is beginning to assert itself, and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps, salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood and a tonic to build up the general system is what is needed, and S. S. S. is just such a remedy. No poison is so powerful and no germ so deadly that this great vegetable blood remedy cannot reach it, and ulcers of every kind quickly yield to its wonderful curative properties. If you have an old sore or ulcer, write us all about it, and medical advice or any information you may desire will be given by our physicians without charge.

SSS

THE SWIFT SPECIFIC CO., ATLANTA, GA.

A small pimple came on my jaw, but gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time then the Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it is remarkable what a wonderful effect it had from the beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good. Mrs. R. SHIRER, Wyaconda, Mo.

THE CAPITOL IS COMING

TRUANT OFFICER HAS BEEN CHOSEN

Constable Powell Appointed to Serve the City in That Capacity.

THE LAW IS VERY STRICT

And the New Officer Will Do His Best to See That It Is Properly Enforced. The Walker District Will Receive Attention.

Constable C. W. Powell was yesterday appointed truant officer for East Liverpool. Since the death of James Miller, who acted for years in that capacity, William Beardmore has to the best of his ability, served as truant officer. Owing to infirmities Mr. Beardmore was compelled to resign, and Constable Powell was chosen as his successor. The position of truant officer in this city at the present time is one of more responsibility than ever before. It seems as though the outlying districts contain a larger set of so-called incorrigibles than in many years. As a result of the conditions it was deemed necessary to appoint a more active officer.

In the Walker school district there are numerous cases reported and Constable Powell has been ordered to enforce the school laws to the letter. The total number of absentees, all of whom, according to the school act, should be in regular attendance at the Walker school, is not known. For the purpose of having every scholar within the age limit attending school, Constable Powell has been assigned the duty of enforcing the law.

Constable Powell stated last evening that he will apply himself vigorously in an effort to compel the parents of children who are known to be absent from the school to see to it that those pupils take up their studies. The newly appointed truant officer will base his actions upon the following provision of the state law:

"If said parent, guardian or other person having the legal charge and control of said child, shall wilfully neglect, fail or refuse to cause said child to attend some recognized school, it shall be the duty of said officers to make, or cause to be made, a complaint against said parent, guardian or other person having the legal charge or control of such child, in any court of competent jurisdiction in the city, village or township in which the offense occurred, for such refusal, failure or neglect, and upon conviction thereof said parent, guardian or other person, as the case may be, shall be punished by a fine of not less than $5 nor more than $20, or the court may, in its discretion, require persons so convicted to give bond in the penal sum of $100, with one or more sureties to be approved by said court, conditioned that said person so convicted shall cause the child or children under his or her legal charge or control to attend some recognized school within five days thereafter, and to remain at school during the term prescribed by law."

STATEMENT FROM MANAGER CROSSLEY

Another Side to the Telephone Controversy According to His View.

OUTSIDE INFLUENCE CLAIM

At a meeting held in Y. M. C. A. hall Tuesday night, those present adopted the Bell telephone and will endeavor to create the impression that they represented the telephone using public of this city. As the representative of the Columbiana County Telephone Co. in this county, I feel it my duty to call the attention of our subscribers to the manner in which this action was brought about by men who outdid themselves in behalf of the other company.

In spite of the fact that the rates submitted to the business men by this company were exactly the same as those of the Bell and that the Columbiana County Telephone company can furnish connection with over twice as many subscribers as the bell for the same rate that they charge for about one-third the service; not one word was said in behalf of this company and not a single valid reason offered in behalf of the adoption of the Bell 'phone and yet these men would ask you to reject a telephone service which you know to be better and more satisfactory than that of the Bell simply because they, for reasons known to themselves alone, have seen fit to favor the company furnishing the smallest service.

These tactics have been adopted by the friends of the Bell company throughout the county and simply because this company refused to resort to such methods it has been rejected at these meetings and yet the Columbiana County Telephone company is assured of the support of 75 per cent of its patrons.

In support of the assertion that the action of this meeting was not the voice of the business men of this city it is only necessary to call attention to the fact that the meeting was controlled by outsiders who were not appointed, or asked to act on the committee, at the citizens' meeting, but stepped in and influenced the meeting in favor of the Bell company with only one member of the authorized committee to assist them.

It is only necessary for the telephone subscriber to consider the methods adopted by the two companies and the service rendered by each in the past and the Columbiana County Telephone company will have nothing to fear.

Ths company will continue to do business with the public and compete for the telephone business of this county by furnishing a better and larger service at as low a rate as offered by the Bell.

This company desires to express its appreciation to the business men of this county for the hearty support they have given and to assure them that the service furnished in the future will warrant a continuance of their patronage.

Yours very truly,
W. F. CROSSLEY,
Sec. and Gen. Manager.

20TH YEAR. NO. 229. EAST LIVERPOOL, O., WEDNESDAY, SEPTEMBER 30, 1903. TWO CENTS.

DAVIDSON'S PETITION IN WYMAN MATTER

Solicitor Gives His Reasons For Efforts to Oust This City's Chief of Police.

THE OLD GROUNDS AGAIN WERE GONE OVER

Lisbon, September 30.—(Special)—George E. Davidson, as solicitor for the city of East Liverpool, filed a petition in court here today against James H. Grafton, W. L. Taylor, Daniel M. Ogilvie and Job H. Dawson, as directors of the public safety in the city of East Liverpool, and William A. Weaver, as mayor of the city, asking that these officials be restrained from appointing John W. Wyman chief of police in that city on the ground that Mr. Wyman was ineligible to take the preliminary competitive examination that was held. This action was foreshadowed exclusively in the News Review yesterday.

The petition says that on the fourth of May last, when the new legislative act pertaining to the government of cities went into effect, the police department of East Liverpool was composed of eight patrolmen and a city marshal with no office of chief of police. The eight patrolmen who were then in service of the city are still holding their positions and are in the classified service of the city under the new code. On July 20, 1903, the city council enacted an ordinance providing for chief of police, seven patrolmen and one night watchman.

The plaintiff alleges that prior to the appointment of the board of public safety included among the defendants, the mayor, W. A. Weaver, by a secret agreement with a majority of the prospective members of the board of public safety, provided for the appointment of John W. Wyman as chief of police. Upon taking office on May 4, 1903, Mayor Weaver appointed Mr. Wyman a temporary chief of police.

It is alleged by the solicitor that this appointment was made at the solicitation of Mr. Wyman and in recognition of his political influence in aiding the election of Mayor Weaver, and that there was no public exigency demanding the appointment. On August 20, 1903, the board of public safety adopted rules and regulations for carrying out the purposes of the merit system for police appointment in accordance with the provisions of the new code, which provides that any personal solicitation directed to the appointing power in behalf of any candidate shall disqualify that candidate from competing at any examination for one year thereafter.

When the board of public safety on September 11 last held an examination of applicants for admission to the classified service of the police department

Bence, Heeman and Zang for the journeymen, had the different questions under careful consideration for some time and finally the following agreement was reached, all being heartily in favor of it:

The wages of the journeymen will be $3.75 per day of eight hours for five days and seven hours on Saturday.

In the original proposition of the journeymen $4 per day was asked. They had been receiving $3.50 per day of nine hours during eight months of the year and eight hours during the remaining four months. The season proposition is not included in the agreement, and the journeymen feel that they have gained quite a nice victory.

CLUBBED HIS WIFE AND BROKE BONES

Ugly Charges Made Against Frank Allman, Who Was Taken to Jail.

TWO SUITS AGAINST HIM

John D. Allman, the machinist, who was bound over to court by 'Squire McCarron in the sum of $500 to answer to a charge of non-support, preferred against him by his wife, has been made defendant in another case, Attorney Frank E. Grosshans having filed a suit for the wife against him for $300 alimony. Allman was taken to Lisbon this afternoon by Constable Powell, where he will be jailed to await both hearings.

The accused man was taken before 'Squire McCarron this morning to answer to an attachment made on $310 which he has on deposit in the People's bank, Wellsville. Owing to Constable Copestick he was dismissed. The constable failed to make proper returns on certain papers served, and Attorney McGarry, for the defendant, grasped the point immediately and had the case thrown out of court. Copestick was severely criticised for his negligence and also for releasing Allman from the city jail yesterday and taking him around to resorts of pleasure.

Though this case was dropped Allman will meet the same charge when answering the alimony proceedings.

Attorney Grosshans, employed by Mrs. Allman, says he will get every cent sued for. He will bring into play particulars of Allman's past life, and it promises to be interesting. The allegation is made that Allman struck his wife five years ago with a club and broke two bones in her arm, that he cruelly mistreated her upon another time when she was in a critical condition; that he has threatened to kill her time and again; that he has only given her $5 in five years; that he gave one of the five children $1 once, another 50 cents, and on the birthday of Mrs. Allman some time ago he gave one of the children 10 cents and told her to give it to her mother as a birthday gift.

AN UPRIGHT LIFE COMES TO A CLOSE

Chas. H. Murphy Cut Down By Death in the Midst of Promising Career.

SUCCESSFUL IN BUSINESS

And Universally Esteemed for His Many Excellent Qualities—Suddenly Stricken With Pneumonia While Visiting His Parents.

Charles Henry Murphy, one of the best known and most highly respected young business men of Columbiana county, died at 3:30 yesterday afternoon at the home of his parents, Mr. and Mrs. T. B. Murphy, of Fourth street. He had been ill but a short time, and though his death was known to be the question of but a few hours, the news saddened the entire community where he was esteemed and respected by all.

A little over two weeks ago Mr. Murphy, with his wife and three children, came from Salem to East Liverpool, where it was proposed that they spend the brief holiday allotted to a busy merchant. They were guests of Mr. Murphy's parents and spent a very happy time for a few days. Then Mr. Murphy was attacked by rheumatism, with which he had been troubled on a previous occasion. It might be said that he was a doomed man from that moment, for there was not a time that he was considered better. Pleural pneumonia set in almost immediately and he grew steadily worse. Everything known to medical science was done to relieve his sufferings, but the efforts were without avail.

Mr. Murphy became unconscious at 5 o'clock yesterday morning, and save for a brief space of time between 7 and 8 o'clock, remained in that state until his death. During that interval of consciousness the scene at the bedside was pathetic in the extreme. The father called his little family about him, and calling each by name, bade them a fond farewell. He next took leave of his parents and brothers and sisters, assuring all that he was ready to go into the presence of the Master, dying as he had lived, a Christian, a loving father and a dutiful son. Dennis Triem, Mr. Murphy's business partner, was also present, and though the parting in this instance was different from the others, it was none the less touching. From that time until the moment of his death the sick man sank steadily, and life was prolonged for the last few hours only by the administration of oxygen and other stimulants.

In the death of Charles H. Murphy, Columbiana county loses one of its best citizens, most enterprising young business men and a man of sterling integrity, the friendship of whom any one would be proud to own. He was born in Brownsville, Pa., 40 years ago the 15th of last April, and at the age of 9 years removed with his parents to this city. He was associated with his brother, George C. Murphy, in the clothing and gents' furnishing business here for many years, and in 1897 went to Salem, where he has since resided. With his partner, Dennis Triem, one of the best known young merchants of Salem, he has been in the clothing business there for the past seven years, and by virtue of an extraordinary business tact and fair dealing at all times, earned for himself a place high in the esteem of his townsmen. Charles H. Murphy was a business man, a gentleman and a public spirited citizen who will be sadly missed in his home town.

Mr. Murphy married Miss Laura Morton in this city in 1893, and the union was blessed by the birth of three children, all of whom, with the mother, survive. The children are Thomas B., aged 9 years; Marie, 7 years old, and Geo. Morton, who is the youngest, being but 3. Mr. Murphy is also survived by his aged parents, three brothers and three sisters, George C. Murphy, Miss Ollie H. Murphy, Mrs. Ella M. Kober, Mrs. George Gilchrist, of Wheeling; Wm. L. Murphy, of Sebring, and Harry E., of this city. Mr. Murphy was a member of the Masonic order, and the members of the local lodge, to which he former-

DR. MONTGOMERY CANNOT COME HERE

Word From Findlay Pastor Sadly Disappoints East Liverpool Church.

FAREWELL TO MR. JORDAN

Rev. John Montgomery, to whom the First Presbyterian church extended a call to become the successor of Rev. Charles G. Jordan as pastor, will not become a resident of this city. This information, which brought deep disappointment to the members of the church, was received in a telegram addressed to the session of the congregation last evening. Mr. Montgomery states that the presbytery to which he belongs, at a meeting at Lima, refused to release him. The action was taken after a strong petition from the Findlay congregation had been presented by a committee appointed for that purpose. Mr. Montgomery, owing to the strong sentiment manifested in favor of him remaining where he is, agreed to refer the whole matter to the presbytery and abide by its decision.

This leaves the whole question of a new pastor open for the decision of the church. So far as is known, there is no particular candidate in view, though several are available. The session of the church will meet this evening to canvass the situation and take steps toward filling the vacancy as early as possible.

Rev. Charles G. Jordan was given an impressive farewell at the Sunday school room of the church last evening. He leaves the city shortly to engage in evangelistic work. His assistant, Miss Etta McClung, for whom also the farewell reception was arranged, will also take up other lines of church work.

The Sunday school room was thronged all the evening with parishioners and friends of the two conspicuous church workers. Many expressions of regret and well wishing were spoken. J. J. Purinton, Mrs. W. R. Clark, Col. H. R. Hill and Professor H. F. Laughlin received the people, and the occasion was a memorable one. The room was handsomely decorated. Supt. R. E. Rayman presided. The program opened with a selection by the Gwendolyn quartet, consisting of Misses Harrison, James, Baxter and Scott.

Rev. Dr. J. C. Taggart offered a fervent prayer. W. A. Hill, speaking for the session, told of the sorrow felt at the pastor's departure. Frank Gardner, in behalf of the Sunday school, told of the great work Mr. Jordan had done for the young people, and Will Rhodes spoke along similar lines for the Christian Endeavor society. N. A. Frederick, representing the congregation, gave Mr. Jordan high eulogy for his work, and while regretting his retirement, regarded it as an advancement into a broader field of endeavor. Remarks were made by D. M. McLane, Miss McClung, Rev. Dr. Pratt, Thomas W. Morris, Rev. Mr. Jordan and Sterling Carson.

Dr. Pratt, for the ministers of the city, paid a high tribute to his ministerial brother. Mr. Jordan thanked his friends and the congregation for their loyal support and gave abundant expression to good wishes. The speeches closed with an address by Rev. Dr. Milligan, former pastor. Mr. Carson, representing the choir, presented Mr. Jordan a fine suit case. The program over, refreshments were served and a delightful social hour was spent.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Its Terms Are Preferred to Those Offered by the Columbiana County Company.

REPORT OF THE INVESTIGATING COMMITEE

Nearly half a hundred representative citizens assembled at the Y. M. C. A. hall last evening in response to a call for a mass meeting having for its object the acceptance or rejection of the proposition of one or the other of the two telephone companies doing business in East Liverpool.

From beginning to end there was little of a complimentary nature to be said for the Columbiana County company, and since the direct representatives of both companies were excluded from the meeting, no one appeared to champion the cause of the latter concern.

The meeting was called to order by Louis Steinfeld, president of the Business Men's association, who stated the assemblage had been called together for the purpose of determining upon what system the business, manufacturing and professional interests should adopt for their own. He said a movement had been inaugurated in the association of business men to resist the attempt of the Columbiana company to raise their rates.

Several meetings has been held and an executive committee was appointed to procure a proposition from both of the local corporations, looking to the adoption of the one offering the best inducements, both as to rates and service to be furnished.

Mr. Steinfeld stated that the committee, which was composed of Joseph Betz, Henry Joseph and C. A. Ferguson, was ready to report, and if there were no objections the committee would be heard. The report was as follows:

East Liverpool, O., Sept. 29.

To the Mass Meeting of Telephone Subscribers, Y. M. C. A. Hall.

Your committee appointed to obtain from the telephone companies doing business in this city the best rates beg leave to report as follows:

The first conference was held with representatives of the Columbiana County Telephone company and the situation canvassed in all its phases.

The committee insisted that the company live up to the letter and spirit of the franchise granted by our city council, but this they refused to accede to. The representatives stated that the rates promulgated in the company's letter of September 1, 1903, a copy of which was mailed to each subscriber, will be enforced without change. They agreed, however, to add another classification to the official schedule, to be known as city ser-

DEIDRICK SUES HIS PARTNERS

Troubles of Salineville Pottery Find Their Way Into Court.

AN INJUNCTION IS SOUCHT

Lisbon, September 30.—(Special)—William H. Deidrick, of Salineville, is plaintiff in a suit against the Dresden China company of that town and H. R. Shaff, J. J. Kirk, James Dodds and H. A. Kirk, asking that the defendants be restrained from offering for sale his stock in the china company or in any way disposing of it.

The plaintiff says that he and the four defendants are the directors of the Dresden China company, elected a year ago in July to serve one year, and that none of the defendants, all of whom have continued in office, have taken oath since July to discharge their duties faithfully.

Mr. Deidrick alleges that on September 16 last he was the owner of 110 shares of stock in the company and that on May 9 all the stockholders except J. W. Shaff signed a written agreement that each would contribute 50 per cent of his funds to the company, conditioned upon all the stockholders signing the agreement. Three days later H. R. Shaff, who is also secretary and treasurer of the company, asked the plaintiff to endorse over immediately 50 per cent of his stock in the company, it is alleged.

This Mr. Deidrick refused to do until all the stockholders had signed the agreement, whereupon he alleges the defendant directors by menaces and threats compelled him to do so.

Immediately afterwards in the absence of the plaintiff, who is president of the board of directors, it is alleged, that the remaining directors held a pretended meeting without notifying him and went through the form of accepting his contribution of stock. The plaintiff says that on September 21 he notified the remaining directors of the company not to transfer his stock or in any way dispose of it, but alleges that they will do so unless restrained.

FRIGHTFUL DEATH OF MAJOR HAY

PITTSBURG MAN KILLED IN ELEVATOR ACCIDENT.

Well Known in This City, Where His Son Was When the Sad News Came.

Major Samuel Worthington Hay, a well known Pittsburger, son of a former mayor of that city, was killed in an elevator accident in the Arrott building, at Fourth avenue and Wood street, Pittsburg, yesterday afternoon. Major Hay attempted to leave the elevator car at the fourth floor after it started, and was crushed to death between the car, the grating and the ceiling. The car was upward bound, and as it passed the body dropped 90 feet to the basement below.

He was 56 years old and one of the best known citizens of Pittsburg. His son, Ralph W., was in East Liverpool at the time of the accident, having come on Monday to take the place of Thomas Stevens in the Ohio Valley gas office while Mr. Stevens took his vacation. Mr. Hay was notified at 3 p. m. of his father's death and at once left for Pittsburg.

Major Hay was well known in East Liverpool. He was connected with the Pennsylvania railroad freight department for some years and later superintendent of the Howe, Brown & Co. foundry. About 15 years ago he became Pittsburg manager of the Whiting Foundry Equipment company, of Harvey, Ill. He served both in the civil war and the Spanish-American war and was past commander of Duquesne post, G. A. R. He was also a prominent Mason and Y. M. C. A. worker. His wife, two sons and a daughter survive.

THE PLUMBERS' STRIKE IS SETTLED AT LAST

Efforts of Trades Council Committee Finally Bring About This Result.

Through the efforts of the grievance committee of Trades and Labor Council the prolonged strike of the plumbers has been settled. The strike has been on since early last spring. According to the terms of the agreement the settlement of the matter is for a period of nearly two years, the date decided upon being May 1, 1905.

The grievance committee, composed of the following: William Pittinger, A. E. Bartele, Peter Hague, Edward Hattan and Edward Hickey and Messrs. Milligan, Hymes and Kinsey, for the master plumbers, and Messrs.

TWO YEAR AGREEMENT ON POTTERS' WAGE SCALE

When the board of arbitration, now engaged upon the task of settling the two disputed points in the pottery wage scale, concludes its labors, the agreement between the manufacturers and operatives thus effected will, in all likelihood, endure for two years. President Thomas J. Duffy, of the N. B. of O. P., announced this afternoon that the vote of the different locals, so far received, was largely in favor of the two-year agreement.

The proposition is one of the most important that has come up in many years. The public generally is vitally interested; for, according to the statements made by prominent business men, all interests will benefit by doing away with the flurry that usually attends the yearly readjustments of the wage scale. This year the business interests are said to have suffered noticeably by the uncertainty which for a time attended the readjustment.

The constitution of the Brotherhood stipulates that yearly agreements shall be made and it was necessary to take a referendum vote so that the action in agreeing for two years would be legal. This vote shows that the trade favors the longer term.

When the question came up in the conferences held in this city and Philadelphia it was tacitly agreed to submit it to the arbitration board and submit to its findings, providing that the sanction of the trade could be had. The arbiters will undoubtedly take the necessary steps to make the agreement binding for two years.

The arbiters had not concluded the work of examining the witnesses called before them to explain the work over which the price to be paid is in dispute. The session yesterday was adjourned shortly after 6 p. m., after quite a number of witnesses had been heard. During the afternoon the arbiters visied the K., T. & K. pottery to better acquaint themselves with the conditions.

It is thought that a decision as regards both disputes will be reached tonight, as the consideration of the evidence, after it has all been taken, will not require a great length of time.

LOUNDS RETURNS SAFE AND HAPPY

Popular Potter Enjoyed Every Moment of His Old World Journey.

INTERESTING SPOTS SEEN

Hale and hearty and happy as a lark, Thomas Lounds returned on the early train this morning from his trip abroad, cheerfully given him by the News Review as the prize for winning the greatest popularity contest ever known in this city or vicinity. It will be remembered that Mr. Lounds was the winner of the first place in the contest, with J. E. Anderson and Thomas Neal winners of second and third places respectively. The return of Mr. Lounds from his delightful trip, though closing the last chapter of the great event, will not obliterate it from the minds of the thousands who displayed so much enthusiasm while it was in progress.

Mr. Lounds frankly says that it was the greatest trip of his life; that he never spent a more pleasurable period and never expects to in the future. He is greatly appreciative of the News Review's effort, and made the request this morning that both the paper and his numberless friends who carried him to victory in the exciting contest be extended through the columns of the News Review his sincere thanks.

The sea voyage made by Mr. Lounds, both going and returning, was made on the palatial steamer, the Ethopia. Sailing from New York on August 29, he arrived in Glasgow on good time, after a most pleasant trip and immediately commenced a tour of all points of interest. From Glasgow he went to Liverpool, thence to London, Dublin, Hanley, Isle of Man, Greenock, Moville and lastly Tunstall, the home of his parents. His return trip on the Ethopia was rather exciting, the seas rolling high and in one instance hurling a man of Cleveland a distance of 20 feet, rendering him unconscious and nearly killing him.

Among the most interesting sights witnessed by Mr. Lounds were castles, beautiful in structure and ranging in age from 700 to 800 years. The mammoth Firth of Forth bridge at Greenock was a great sight, and so was the tower of London. Mr. Lounds says that the great potteries that he visited at Hanley and vicinity are all running slack, the trade being very

Distress After Eating Cured.

Judge W. T. Holland, of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, lasting for an hour or so, and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by Alvin H. Bulger.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Continued from First Page.

vice and confining the subscribers thereto to the East Liverpool exchange only, calls outside of this exchange to be charged for at regular toll rates. The rates for this service were to be as follows:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line		16 00
Three-party line		14 00
Four-party line		12 00

Subject to a discount of 10 per cent for prompt payment. The discount under this schedule the officials were at first reluctant to grant, but they finally agreed unequivocally thereto. They also agreed to enter into contracts for a term of not to exceed three years. The gentlemen were requested to submit their proposition in writing and on the following day this communication was received:

East Liverpool, O., Sept. 19.

Mr. Joseph Betz, Chairman of the Business Men's Committee.

Dear Sir—In compliance with your request we hereby submit a written statement of the additional service classification outlined to your committee on the 18th inst. To meet a popular demand we have established a rate for city service as follows:

	Business.	Residence.
For individual line	$24 00	$18 00
For two-party line	22 00	16 00

These rates are to apply for service between telephones connected with one exchange only. That is to say for messages to any exchange in the system except to subscribers connected directly to the exchange in the same city a toll charge will be made. We regret to say that our tentative offer of a discount on such service we find after careful and mature consideration we cannot afford to confirm and that such rates will be subject to no discount. Also that we cannot afford to reduce the rates for free county service as set forth in our schedule under date of Sept. 1, 1903, a copy of which was forwarded to every subscriber to the service of this company. We can make no reduction on free county rate to apply to service between East Liverpool and Lisbon as requested on behalf of the bar association. However, we will enter into contracts for a restricted county service at a reduction of rate from the unlimited county service depending on the number of calls to be transmitted per year. The points to which such service is required and other governing features, which would determine the rate in each particular case. There are so many possible combinations that a complete schedule of rates covering all conditions would be almost interminable in length and has therefore not been prepared. Each such case will be considered in its several features and the rates fixed accordingly. The only modification we are prepared at this time to make to the schedule of rates already submitted to subscribers is the addition thereto of city service. We have secured a large number of subscriptions for local rates as set forth in our schedule. Any subscriber who has signed contract for such service, but desires the cheaper and more restricted service we now propose to furnish, can have such contract cancelled by signing a new contract for such city service. Should your committee desire any information that we can furnish relative to any feature of the cost of constructing, operating, or maintaining a telephone system, it will afford us pleasure to furnish such information. Enclosed herewith are copies of contracts we are securing from subscribers at this time which you requested.

Respectfully,
THE COLUMBIANA COUNTY TELEPHONE COMPANY,
W. F. Crossley, Sec'y.

Approved: Maxine Reber, Vice President.

P. S.—We omitted the term of contract we are willing to sign for, but will add that we are prepared to sign contracts for a term of three years.
W. F. CROSSLEY.

You will note that in this letter the company not only withdraws the three and four-party rates for city service, but, what is vastly more important, also the 10 per cent discount for prompt payment under this schedule. This means that subscribers to city and county service will not be entitled to any cash discounts, whereas subscribers to the local service will get this service at 10 per cent less than the schedule rates.

On Thursday evening of last week your committee met the representatives of the Bell Telephone company, and these gentlemen submitted the following rates, covering service within the East Liverpool exchange alone:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line	18 00	15 00
Three-party line		12 00

[All party lines to be selective ring.]

These rates are to be charged flat, the old rebate system discarded and all old contracts to remain in force at the option of the individual subscriber. This company is not in favor of long-term contracts, claiming that they are unfair to both parties, but agrees to enter into contracts for a term not to exceed three years.

The Bell company had previously offered the following rates for service between East Liverpool and Wellsville:

	Business.	Residence.
Individual line	$30 00	$24 00
Two-party line	24 00	18 00

This proposition was later withdrawn, and the one above noted substituted.

The toll rates of the Bell company within the county are:

To Wellsville, 10 cents; Lisbon and Salineville, 15 cents; Salem, Leetonia, Columbiana and East Palestine, 20 cents. The Columbiana County makes a toll charge of 10 cents to all parts of the county.

Upon investigation we find that this city enjoys as low, if not lower rates, than other cities of its size.

In conclusion permit us to state that for advertising this meeting and the rent of the Y. M. C. A. hall an unavoidable expense of about $35 has been incurred. To meet this expenditure you are respectfully requested to make proper provision.

Respectfully submitted,
JOS. BETZ,
HENRY JOSEPH,
C. A. FERGUSON,
Committee.

Mr. Betz supplemented the report with a few personal impressions gathered during his service as a member of the committee. He was the best posted man in the meeting, and did not hesitate to give forcible expression to his views derogatory to the Columbiana County company. At the conclusion of Mr. Betz's remarks the chairman took occasion to add that those assembled would be expected to make a decision as to what service they preferred. The report was received and the committee discharged.

A general discussion took place at this point in which a number of the business men present participated. The sentiment was in favor of the adoption of the Bell system, and not a single speaker had a word to say favoring the Columbiana. Mr. Betz felt that the main question at issue was what service should be adopted as it concerned the city proper. He said there was probably $30,000 expended each year in telephone rentals, and while some of the business and professional men were bound to have both systems, he felt that the subscribers who had no need of two should be given an opportunity to drop one or the other.

E. W. Hill, who acted as secretary of the meeting, asked permission to read a letter from R. M. Davidson, said to be a resident of Salem. The communication was a strong one, and urged the East Liverpool business men to stand pat in their determination to drop the Columbiana service. A great many complimentary things were said of the Bell, and indeed the letter was so strong in this regard that it indicated some prejudice on the part of the writer. No one seemed to know the man and the missive was tabled without ceremony.

Attorney Hollis E. Grosshans reported for the Southern Columbiana County Bar asscoiation, saying a committee had been appointed to act in conjunction with that of the business men. His committee had not been able to induce either company to enter into an agreement that would give the lawyers a county service to Lisbon. Since they had accomplished nothing, he desired those present to know that the bar association proposed to be guided by whatever action was taken at this meeting. Mr. Grosshans was followed by his brother, Attorney F. E. Grosshans, who spoke in favor of the Bell, as did every speaker given the floor. Though the telephone representatives had been excluded from the meeting, the Bell corporation was as well represented by the two attorneys as though the president of the concern had been present. Mr. Grosshans closed his remarks by offering a motion to the effect that the citizens' convention adopt but one service. Justice McCarron offered an amendment to the effect that the service decided upon should be the cheaper. The Bell enthusiasts persuaded the mover of the amendment to withdraw his proposition and Grosshans' motion went through.

A lengthy discussion then took place, indulged in by Job H. Dawson, J. J. Purinton and several others, all favoring the adoption of the Bell system, and a motion to that effect was finally made. Before it could be passed, however, the chairman called attention to the fact that an expense of some $35 had been incurred by the committee and it was decided to hold up action on the motion until the money could be collected. While the hat was being passed the telephone question was further discussed, it being the general belief that the Columbiana County was here to stay, and though this company had much the best of the argument when the number of subscribers was considered, still the Bell ought to be decided upon, and it was.

EAST END

CORNER STONE TO BE LAID WITH CEREMONY

East End Colored Baptists Will Have Special Service For This Purpose October 11.

The corner stone of the new edifice of the Colored Baptist church, at the corner of Pennsylvania avenue and Clay street, will be laid on Sunday, October 11, with impressive ceremonies and the day will be the most notable for the colored people of the city in many months. The ceremonies will be in charge of the colored Masonic lodges of Duquesne and Pittsburg. The lodges will be accompanied to this city by quite a number of people and a special train will be run on that day between this city and Pittsburg to accommodate them.

The services will commence at 10:30 o'clock, when Rev. A. H. Tibbs, pastor of the Baptist church at Homestead, will deliver a sermon. In the afternoon Rev. G. E. Sallie, the pastor of a Duquesne church, will deliver an address. The ceremony of laying the corner stone will take place at 3:30 o'clock.

Rev. W. H. Nelson, who is to be the pastor of the new church, will preach at the evening service, which is to commence at 7:30 o'clock.

Three Is a Crowd.

Hereafter when Joseph Logan, one of the best liked young men in the East End, goes out for a ride with his best girl, he will carefully survey the vehicle before starting. This precautionary method will be adopted as a result of his experience a night or so ago. On that occasion he was out for a drive with the young lady, traversing the principal streets of the East End and several down town. Passing through the Diamond there was a commotion from the top of the buggy and a big Plymouth Rock hen spread her wings and flew to the sidewalk some distance away. Frightened at the unusual scene, the fowl cackled angrily as she sped away. Mr. Logan will also keep in mind that "two is company and three a crowd."

Entertainers Secured.

The Ladies' Aid society of the Second Christian church announce that the Burnett sisters, of Wellsville, well known entertainers, have been secured for a social to be held at the church Friday evening. These young ladies are accomplished musicians and will render a number of vocal and instrumental selections. There will be readings and recitations by others. Admission to the church is free. Refreshments of ice cream and cake will be served and a pleasant evening is promised.

Miss Bowie Located.

Katie Bowie, the 16-year-old girl, who disappeared from Luke's boarding house three weeks ago, has been heard from at her old home in St. Mary's. It will be remembered that at the time of Miss Bowie's disappearance two relatives had been visiting her father and wishing to visit the old place again, she went home with them. The girl's father reported the matter to the police and it was through Mayor Weaver and Chief Wyman that she was located.

Will Preach Sunday.

It is expected that Rev. S. F. Lloyd, the newly appointed pastor of the Erie street Methodist church, will be here Sunday to conduct the regular services. Definite announcement will be made as soon as word is received from Rev. Mr. Lloyd. While his reception will probably be informal, it will be none the less cordial and at his first services he will be encouraged by large congregations.

Wedding Announced.

The coming wedding of Miss Ida Densmore to Will Reynolds has been announced. The ceremony is to be performed next Saturday evening at the home of the bride's parents, Mr. and Mrs. John Densmore, 118 Elm street, and will be a very elaborate affair. Guests will be present from several neighboring cities.

EAST END AFFAIRS.

Charles Pittinger is visiting his mother, Mrs. Martha Pittinger, of First avenue.

Joseph Brown, who has been visiting his brother-in-law, W. L. Wilson, returned home yesterday.

William Ralph, the well known painter, left this morning for Columbus, where he will visit for a few days.

Rev. H. C. Chambers and wife will sail from New York next Saturday on the Anchor Line steamer Ethiopia, the vessel which is to take quite a party of missionaries across the water. This is the boat on which Thomas Lounds, of this city, made the trip to Europe as the winner of the News Review's popularity contest.

'Squire L. W. Carman received a letter this morning from his son, Earl T. Carman, containing the information that he will take a vacation of a month, commencing October 2. He will visit the home of an uncle in Wellsburg and extends an invitation for his father to join him. Mr. Carman will likely visit East End before returning to Pittsburg.

NERVES GAVE WAY—PE-RU-NA CURED.

Mrs. X. Schneider, 2409 Thirty-seventh Place, Chicago, Ill., writes:

"After taking several remedies without result, I began in January, 1902, to take your valuable remedy, Peruna. I was a complete wreck. Had palpitation of the heart, cold hands and feet, female weakness, no appetite, trembling, sinking feeling nearly all the time. You said I was suffering with systemic catarrh, and I believe that I received your help in the nick of time. I followed your directions carefully and can say to-day that I am well again. I cannot thank you enough for my cure. I will always be your debtor. I have already recommended Peruna to my friends and neighbors and they all praise it. I wish that all suffering women would try it. I testify this according to the truth."—Mrs. X. Schneider.

Mrs. Fanny Klavadatscher, of Summitsville, N. Y., writes as follows:

"For three months I suffered with pain in the back and in the region of the kidneys, and a dull, pressing sensation in the abdomen, and other symptoms of pelvic catarrh.

"But after taking two bottles of Peruna I am entirely well, better than I ever was."—Mrs. Fanny Klavadatscher.

FRONTIER CONFLICTS

Reported Between Bands of Revolutionaries and Sultan's Troops.

RAZLOG DESTROYED BY TURKS

Christian Population Said to Have Been Massacred—General Uprising Proclaimed Throughout Eastern Macedonia.

Sofia, Bulgaria, Sept. 30.—A telegram received here from the camp of General Zontcheff, the commander-in-chief of the Macedonian insurgents at Razlog, 55 miles from Sofia, announces that a general uprising was proclaimed Sept. 17 in the districts of Razlog, Nevrokop, Demirhissar, Melnik and Seres and that all the insurgent bands in Eastern Macedonia had received direct orders to begin operations.

The chief hope of the revolutionary organization now centers in the outbreak in Eastern Macedonia, which is expected to assume considerable proportions, as the leaders there are all officers of the Bulgarian reserve. This, the sympathizers with the Macedonian cause hope, will arouse a war feeling in the Bulgarian army and force the government to espouse the Macedonian cause.

Fighting on Frontier.

A dispatch from Rila reports continuous fighting all along the lines across the Turkish frontier, results of which are at present unknown.

It is stated that the town of Razlog has been destroyed by the Turks and the Christian population massacred. Fugitives are arriving in hundreds. All the wires have been cut. The Turkish troops are flying in disorder from Butchevo.

The official report of the reply made by Premier Petroff to the committee appointed by the Macedonian demonstration Sunday, which waited on him and asked if the government intended to do anything to help Macedonia, said no government could have Macedonian interests more at heart. The recent events had not modified the government's constant desire to avoid disputes with Turkey. The ministers would neglect nothing in the interest of the Bulgarians in Macedonia without nevertheless risking Bulgaria's vital interests, which must always have precedence over the sympathy and duty toward their brethren in Turkey.

Wants Corps of Red Cross.

Salonica, Macedonia, Sept. 30.—The American mission has presented a petition to Minister Leishman and Sir Nicholas R. O'Conor, the British ambassador, requesting them to secure the admission of a corps of the Red Cross society into Turkey, or, as an alternative, permission for the members of the American mission to dispense charity.

Odessa, Sept. 30.—The Bourse Gazette asserts that the coming meeting between Count Lamsdorff and Count Goulouchowski, respectively Russian and Austro-Hungarian foreign ministers, will be followed by a notification to the porte that the powers insist upon the execution of the Austro-Hungarian reforms in Macedonia being entrusted to an executive Christian commission.

Rheumatism, All Diseases of the Blood, Backache, Nervous Dyspepsia, Clear the Complexion and Aid Digestion.

Give you a good appetite, renew life cells in young and old. Permanently restore youthful vigor and vitality. They tone up the whole system and make you feel like a new person. No remedy in the world to equal them. Take a few Nervan Tablets and note the wonderful effect.

ALCOHOL IN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMNS THEM.

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, and instead of being merely lazy the kidneys will become diseased. Alcohol congests the kidneys with blood and retards their activity.

There is no Alcohol in Nervan Tablets to interfere with the removal of all harmful sediment from the body. The Tablets soothe and heal the kidneys when they are irritated and inflamed. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often during the day and night; that cause rheumatism, catarrh of the bladder, pain in the back, joints and muscles; that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, Nervan Tablets.

At last the city council has awakened to the fact that it is time to act regarding the bond sale. The fact that the city is still embarrassed for money and paying 7 per cent interest on a portion of its indebtedness while about $93,000 worth of bonds, after a whole summer devoted to them, still lie idle and unsold, is not creditable to the business reputation of an enterprising city. The evident inclination to try to shift responsibility for the delay to the shoulders of the tax commission should deceive no one. The tax commission has no legal right to conduct a bond sale and no such power has been delegated to it by council. The latter body is at liberty to seek its advice, and that is all. Had the tax commission been entrusted with the duty of selling the bonds, it is not likely they would now remain unsold. Council should take prompt steps to dispose of the matter. Further delay is unnecessary and unjustifiable.

Great tax reformers are Tom Johnson and his brigade of official taxeaters in Cleveland. They receive nearly $300,000 in salaries every year, but only return enough property for taxation to produce a little over $1,200 a year in taxes. Tom is a multi-millionaire, but pays taxes of a little over $400 a year, and his chief henchman, County Clerk Salen, who receives $50,000 a year salary, makes no return whatever for taxation.

Mr. Harry A. Garfield has accepted the chair of politics in Princeton college. This involves considerable pecuniary sacrifice, as his law practice in Cleveland is stated to be worth about $20,000 per year. There are not many men who would give up more than three-fourth of their income for the honor of a professorship.

The telephone agitation has resulted in making talk a trifle cheaper than it might otherwise have been. That is something, but it was not all that the people wanted. The present systems are to continue, and everybody is hoping the rivalry of the two companies will result in improved service.

The policeman's lot may not be a happy one, but it is a picnic compared with that of a police chief who finds every morning when he wakes up that some new scheme has been hatched during the night for the purpose of depriving him of his official head.

Ninety-nine cranks out of every hundred who call on the president do so for the purpose of getting their names in the newspapers. Still it is well to watch the hundredth man. He may be dangerous.

The potters' scale arbitration board attacks the difficult problem presented in a business-like way and promises an early adjustment of the dispute. So mote it be.

The Russian bear is showing his teeth and giving notice that he will stand no more prodding.

Luckily the plumbers' strike was settled before water pipes began to freeze.

A NEGLECTED WIFE ASKS A DIVORCE

Mrs. Archie T. Chapman, of This City, Sues for Legal Separation from Her Husband.

Lisbon, September 30.—(Special.)—America A. Chapman, of East Liverpool, has begun action for divorce from Archie T. Chapman, of that city. The petition says they were married April 13, 1879, near Ripley, Jackson county, W. Va., and that they have seven children, the youngest being five years old. Mrs. Chapman charges unfaithfulness, alleging that on April 10 1902, her husband was guilty with one Josephine Ritchey, at the residence of the latter in East Liverpool, and that his relations with this co-respondent have frequently been improper, both in East Liverpool and Portsmouth.

For the last two and a half years the wife says her husband has neglected her and she has had to support herself and her two youngest children. The wife asks for the custody of her minor children. Judge J. G. Moore, of Lisbon, is the plaintiff's attorney.

AT THE THEATER

If there be anything in a name, "Our New Minister" ought to follow well in the footsteps of Denman Thompson and George W. Ryer's earlier success, "The Old Homestead." As a work of art it brought the whole town to its feet on its presentation here last year, and if this engagement at the Grand is not one of the season's successes it will be proof indeed that theater goers tastes have deteriorated. "Our New Minister" came here last season almost unheralded, little expected of it—since it was practically unknown outside of Boston and the eastern circuit—it met a fate that no press agent's attempts, no sensational advertising could give it, it scored a triumph. Judging from the advance sale of seats, "Our New Minister" will have a packed house. Secure your tickets early. At the Grand Friday night.

The theatergoing public hail with delight the good news that our friend, "Uncle Josh Spruceby," is here tonight. This company, which has made an exceptionally strong impression wherever it has appeared, has many friends here. The organization this year is better than ever, all the old favorites being retained and capable new ones added. The play is one of those homely New England dramas with a beautiful story running through it. Strict attention has been paid to detail and a full new set of scenery has been painted for this season. Undoubtedly a big crowd will attend to welcome "Sally," "Dutch," "Out o' Sight," the "Hayseed bandand "Uncle Josh Spruceby" himself.

Bennett & Moulton company will be the attraction at the Grand all next week. Among the plays to be given this season are "A Daughter of the People," "Outcasts of Society," "Shipwrecked," "The Lyndon Bank Robbery," and many of equal merit. Everything this season is bran new and the excellent reputation that this company has will be kept up. Matinee will be given Saturday. Tickets will go on sale Saturday.

DAVIDSON'S PETITION IN WYMAN MATTER

Continued from First Page.

in East Liverpool. Mr. Wyman was among those who took the examination. The plaintiff alleges that Mr. Wyman was disqualified from taking this examination by reason of the personal solicitation in his behalf, but that, notwithstanding the protests of the city solicitor, Mr. Wyman was permitted to take the examination.

The petition further recites that the municipal code provides for the filling of vacancies by promotion when practicable and alleges that, notwithstanding the fact that Mr. Wyman was ineligible to take the examination and that he was not in the classified service, he was permitted to take the examination and will be appointed chief of police regardless of the conditions imposed by the municipal code unless the city authorities are restrained.

The petition further says that at no time since the enactment of the new code has Mr. Wyman been connected with the police department except in the manner stated, and that it has been practicable at all times since to fill by promotion the present vacant office of chief of police.

MORE TIME ASKED BY BOND BUYERS

Council Gives Williams & Co. Until Friday to Produce the Cash.

ANOTHER SALE PROBABLE

It Will Be Necessary in Case the Pittsburgers Fail to Come to Time—The Delay a Serious Embarrassment to the City.

After considerable delay, six members of council, President Horwell, Barlow, Bullock, Cannon, Moon and Johnston, got together in adjourned session last evening. The object of the meeting was to take final action on the disposition of the $92,925 worth of bonds, which have been causing so much worry during the past few weeks.

In the absence of Auditor Davidson, Mr. Bullock acted as clerk and immediately after the body was called to order he read a communication from C. R. Williams & Co., of Pittsburg, who made the city an offer of $260 premium for the bonds. As was stated in the News Review last evening, the company wants a few more days in which to sell the bonds. The members of council were decidedly against giving any more time, but they simply could do nothing else. They have been made an offer by two other bond buyers, but they have no evidence that these concerns will be more active than the Pittsburg company. It was finally decided that action should be withheld until Friday evening. Upon that date, if the bonds are not disposed of and the money is not in the hands of the proper authorities, the sale to the Pittsburg people will be called off. The tax commission has been invited to attend the next meeting and its members will be asked for advice in regard to the sale.

There are many reasons why the bonds should be sold, but probably the most important ones are that every day they remain in the hands of the city interest amounting to a large figure is constantly piling up and if they are not soon sold the money market in East Liverpool will be in a worse condition than it is over the country in general. It is said there is not a bank in the city that is not cramped at the present time, and especially is that so with those to which the city is indebted. It is this fact that is influencing a number of the most prominent business men of the city to express themselves so heartily in favor of having a quick sale made.

Contrary to their announced intention, the members of council failed to pass an appropriation ordinance for the purpose of placing a sufficient amount of money in the treasury to meet the general running expenses of the city. For some unknown reason this matter was also deferred until the special meeting.

Auditor Davidson asked council for a leave of absence commencing October 6 and lasting a week. The request was honored.

UNBOUNDED FAITH IN MI-O- NA

Will Reed Will Refund Money If It Fails to Increase Flesh and Cure Dyspepsia.

"I have been in the drug business long enough to know that there are very few remedies that can be sold on a guarantee to refund the money if they do not give satisfaction.

"I have sold so much Mi-o-na and seen such remarkable results following its use that I welcome the chance to convince any doubter of its merit, by offering to give with each package of Mi-o-na a written guarantee to refund the money if it does not give an increase in weight, regulate the digestion and restore health.

"If you cannot call at my store, send me the price of Mi-o-na, 50c, by mail and I will forward you a regular size box, postage paid, with the same agreement to refund the money if it does not give satisfaction.'

Anyone who has been losing flesh, or who has always been too thin, should use Mi-o-na. Thinness and scrawniness are signs that the food is not properly assimilated and that you do not get the nourishment from it that you should.

Mi-o-na mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs and puts the whole system in a proper physical condition.

Remember that you risk nothing in buying Mi-o-na. If it fails to give you the desired effect, the cost is trifling. If it fails, Will Reed will pay for the remedy himself.

Raises Another Problem for the Solution of the Common Pleas Court.

Lisbon, September 30.—(Special.)—Court was asked this morning to appoint Byron Hutson and Frank Pumphrey executors of the estate of the late Abraham Hartley, of Salineville, they being named to act in that capacity in the alleged will sustained by a jury last term, in which Lina E. Hartley was plaintiff against Mary E. Burris et al. A hearing of the case on error is now pending in circuit court.

Benjamin Evans, of Salineville, has been serving as a special administrator during the litigation in the lower courts as to the will. The question was argued at some length this morning, Judge Hole reserving his decision.

Died at the Infirmary.

Lisbon, September 30.—(Special.)—Wesley Todd, aged 49, died in the county infirmary the other day of consumption. He had been an inmate of the infirmary less than a year and the body was taken to New Waterford, his former home, for burial.

Fine job printing—News Review

Fuddling Cups.

An article in the Burlington Magazine describes some early English earthenware drinking cups of eccentric patterns. The principal feature of most of the quaint tygs, or loving cups, is their astonishing number of handles, which range from two to as many as twelve. It is supposed that the purpose of this equipment was that the cup might pass from hand to hand and each guest have a fresh portion of the rim to himself, no doubt an excellent arrangement for the first time round! Not content with half a dozen or so of full grown handles, the potter frequently inserted between each of them a sort of rudimentary handle, consisting of a looped strip of clay. The "fuddling cup" is a cluster of half a dozen good sized cups joined together. When it is realized that the six cups communicate with each other internally, so that to empty one you must empty all, the force of the name will be apparent. Any doubt as to the use of these formidable vessels is dispelled by the inscription: "Fill me full of sidar. Drink of me."

At the Top of St. Peter's.

One needs to climb to the top of St. Peter's to understand best how its builders sought to overawe its beholders. Then the colossal proportions of every detail become apparent; then one may discover that the pen in the hand of St. Mark is as long as a six foot grenadier. On approaching the row of apostles which stand along the edge of the roof and which seem to the bystander in the street below of the size of ordinary human beings one will find gigantic figures whose eyes are as big as men's heads and whose fingers vie in size with an athlete's forearm. The roof is indeed a city in itself, for here are rows of houses where the workmen who are constantly employed in repairing the cathedral have their homes. A fountain supplies them with water, and their provisions are brought to them on the backs of donkeys driven up the broad and easy incline of the stairway.

An Ailment of the Feet.

Poetry is at last classified. The Washington Post tells a story of some children who were discussing the perfections and usefulness of their respective fathers.

"My father's the best man in the world," said one little girl. "He is a minister. He makes people go to church."

"Mine is the best," piped up another. "He's a doctor. He makes sick people well so they can go to church."

Three or four more enlarged upon the benefit the world derived from their fathers, and it finally came the turn of a sweet, blue eyed little girl.

"My papa's the best of all," she said. "He's a poet."

"A poet!" said another, joining the group. "Why, a poet isn't a profession! It's a disease!"

A Henry George Tax.

The last campaign in which Henry George was permitted to engage abounded in wordy encounters. In making squelching rejoinders to impertinent questions the famous single taxer could not be excelled. During one of his addresses Henry George remarked that a lifetime had been devoted to the dissemination of his single tax views.

"And what have you accomplished?" inquired a voice in the audience.

"Taxed New York's halls to their greatest capacities," said the orator suavely. And a delighted audience would not permit him to continue for some minutes.

A Literal Minded Class.

A teacher in one of the schools near Philadelphia had one day been so disturbed by the buzzing of lips and shuffling of feet of the children that she was on the verge of distraction. Finally she said: "Children, I cannot stand so much noise. Please be quiet for a little while, at least. Let me see if you can't be so still that you could hear a pin drop."

Instantly every child became as still as a mouse. Then a little boy in a back seat piped out, with marked impatience:

"Well, let her drop!"—Philadelphia Ledger.

He Loved His Enemies.

James MacNeill Whistler looked upon life as upon a kind of warfare and was never so happy as when he was quarreling with somebody. He is quoted as having said when asked if he did not have many friends: "Yes, I have many friends, and I am grateful to them, but those whom most I love are my enemies, not in a Biblical sense. Oh, no, but because they keep one always busy, always up to the mark, either fighting them or proving them idiots."

Must Be Something Terrible.

Dora—I shan't stand it another minute! I'm going to send him back his ring!

Clara—What! That beautiful diamond ring?

"Yes."

"Horrors! What has he done—robbed a church, killed his mother or what?"

A Fair Exchange.

Angry Poet (rushing into the office)—See here, sir! That check you sent me for my poem is no good!

Editor (coldly)—Neither was the poem. Shut the door, please.

Sauntered Into It.

Nell—He invited me to take a stroll, and before we had gone half a mile I had him proposing.

LISBON WILL STAND BY THE BELL PEOPLE

Business Association Adopts Strong Declaration on the Telephone Question.

Lisbon, September 30.—(Special)—The Lisbon Business association met last evening and adopted the following announcement, printed copies of which will be circulated:

"To the telephone users of Lisbon and vicinity:

"The Business association announces that it will use the Bell telephone after October 1 and will discontinue the Columbiana County telephone. This action was taken on account of the Columbiana County Telephone company adopting a new schedule of rate to take effect October 1, and as said company did not offer its special local rate until the business people had contracted for a Bell telephone, the Business association leaves it to each individual subscriber to decide whether said company would have offered this special rate if the above action had not been taken by the association. The association believes that in protecting itself it has also protected each telephone subscriber.

"Owing to the confusion which seems to exist in regards to the telephone situation, the business association issues this circular containing the names of those who have already contracted for the Bell 'phone."

Then follow the names of 88 business firms and private citizens who have signed contracts for the Bell telephone.

Cincinnati, Sept. 30.—A combination of grocers in Ohio, Indiana and Kentucky, with a capital of $3,000,000, was organized here. This combination is composed of retail men, some of them having as many as 50 stores, and its announced purpose is to protect itself from the combination of wholesale grocers in the middle states, who recently organized under a New Jersey incorporation. It was announced that a large wholesale jobbing house would be established here for the distribution of goods to the retailers.

Wants Share of Fortune.

Tiffin, O., Sept. 30.—Suit was filed by Frank Guss to set aside the will of his sister, Charlotte Hoyt, wife of Reuben Hoyt, a New York multi-millionaire. She died in Tiffin several months ago, leaving five wills, one of which, bequeathing the bulk of her fortune, amounting to $100,000, to Judge Bunn, a prominent Tiffin lawyer, was probated. Her brothers and sisters were not mentioned in the will and are trying to get a share of the fortune, alleging that she was of unsound mind.

HANLON BESTS YANGER.

Given Dicision in Hard-Fought Battle at San Francisco.

Mechanics' Pavilion, San Francisco, Sept. 30.—Eddie Hanlon, of this city, received a decision over Benny Yanger, of Chicago, after 20 rounds of furious fighting. Incidentally the spectators were treated to an exhibition of gameness on the part of Yanger as is seldom witnessed in the prize ring.

It was a hard-fought battle, in which Hanlon for the first time abandoned his crouch. In the beginning of the sixth round he stood up and fought without his crouch. Prior to that and up to the ninth Yanger had somewhat the better of it on points. He reached Hanlon time and again without a return and Hanlon, coming in, punished the Slasher severely with his right. Hanlon up to this period showed an advantage. This was the first round which could be called a Hanlon round. From this time on to the sixteenth he held his own.

In the sixteenth round Hanlon knocked his opponent down with a right hook on the jaw and seemd to have Yanger at his mercy. By hanging on, however, Yanger managed to last through the round, although Hanlon tried desperately to land a knockout punch. In the seventeenth, eighteenth and nineteenth Yanger seemed to have recovered. The last minute of the twentieth round Yanger was again floored with a right and left hook on the jaw, and it looked as if the call of time saved him from a knockout.

Yanger fought with the greatest gameness and proved much the clever of the two, notwithstanding that Hanlon showed much improvement. There was never one moment's rest during the fight. Hanlon was always after his man.

Vista Tilley Opens at Youngstown.

Youngstown, O., Sept. 30.—Vista Tilley, the English comedienne, made her initial appearance in this country at the opera house in Clyde Fitch's new comedy "Algy." The play is a sprightly whimsicality, full of bright lines and amusing situations, in which Miss Tilley has ample opportunity to sustain her reputation as being without an equal in wearing men's garments and also to prove her ability as a comedienne. In the first and third acts Miss Tilley wore gowns, the first time she has done so on the stage. The supporting company was first class and the audience seemed pleased with the entertainment.

SOCIAL EVENTS

The Mock Trial.

Col. A. V. Newton, of Worcester, Mass., who is the author and principal fun-maker of the mock trial at the opera house tomorrow night, will arrive tomorrow morning and the rehearsal of the principals will be held at 4 o'clock at the opera house. Attorney Frank E. Grosshans does not propose that Mr. Newton shall have it all his own way and will probably have several surprises for the versatile colonel. There will be lots of fun for the spectators. Judge Wright indignantly denies that he has been approached by either side. It is hinted that the aforesaid denial is a bid for an approach—if the consideration is sufficient.

Devlin-Haldeman.

John C. Haldeman, a well known young machinist, of Salem, now employed in Youngstown, and Miss Mary Devlin, formerly of this city, now of St. Paul's parish, Salem, were married at 7 o'clock Monday evening by Rev. Father T. J. Conlon at his residence on McKinley avenue in that city. Miss Catherine Hanley and Mr. John McNicol were the attendants, and soon after the ceremony Mr. and Mrs. Haldeman left on a wedding trip to Cleveland and elsewhere.

Coming Wedding.

A prominent social function which will take place next week will be the marriage of Miss Clara, daughter of Mr. and Mrs. Edward A. Devon, to Mr. Ira A. Geiselman, a prominent young business man of this city. The ceremony will take place at St. Stephen's church on Thursday afternoon, October 15, at 3 o'clock, Rev. Edwin Weary officiating. Both the bride elect and her fiancee are popular and leading society young people, who have a large number of friends.

Andrews-Colclough.

Announcement has been made of the approaching marriage of Miss Myrtle, daughter of Mr. and Mrs. T. J. Andrews, of the East End, to Mr. E. P. Colclough. The wedding will take place on October 14, on Pennsylvania avenue.

Wedding at Lisbon.

Lisbon, September 30.—(Special.)—Henry Roy Aldridge and Miss Mayme E. Henderson, both of Lisbon, were licensed to marry today. The ceremony will be performed this afternoon by Rev. J. P. Anderson at the Presbyterian parsonage.

ARCHER WANTS TO HANDLE MAIL

The Ex-Senator Aspires to the Postmasteship of Bellaire.

IN STATE'S STRONG BOX

Is a Sum Collected By George M. Collier, the Absconding Examiner of Engineers — Tramp Mayor Now Starting In a New Role.

From a Staff Correspondent.

Columbus, September 30. — Hon. Frank B. Archer, of Belmont, is still an aspirant for political honors. He wants the Bellaire postmastership, which pays a good salary and which is filled by his chiefest political enemy, Johnny Gow. Gow was for Armstrong as against Weems for the congressional delegates in Belmont county, and as Weems will be the next congressman it is morally sure that Gow will soon be out of a job. Archer was for Weems principally because of his antipathy to Gow. Before the recent fight for Congressman Gill's shoes was on he was not regarded as friendly to Weems. It is to be expected there will be other seekers after the berth Archer wants. Weems' nomination was a keen disappointment to the friends of Mr. Gill, largely because of the loss of patronage they will suffer.

State Treasurer I. B. Cameron has collected for the state $2,966.27, which was on deposit in the Hayden-Clinton bank in this city in the name of Geo. M. Collier, the absconding state examiner of engineers and the sum is now in the state's strong box. The agent of the company which bonded Collier stated Monday that the bond would be paid as soon as the state formally requested this. W. E. Kennedy, of Cincinnati, Collier's successor, returned to his home and will assume active charge of the office on Thursday. It is not thought likely he will make any change in the force. A new supply of licenses bearing the name of Mr. Kennedy will be necessary, as the licenses containing Collier's name are now illegal. Until the new ones are available the work of the department will practically be at a standstill.

Alonzo Weed, the diminutive mayor of Amesville, who has been jailed no less than a dozen times in this city for drunkenness during the past four weeks, is now starring in another freak role. He was arrested Saturday, released Sunday and on Monday hired himself as a porter in a local saloon. The proprietor has an eye to business and figures his honor will be a drawing card. He is to receive no salary, but is to have all he can eat and drink. He says he will never return to Amesville.

Word has been received that Bryan will spend three days in Ohio and will arrive October 5. He will probably speak at the places he was compelled to skip on his visit to the state about five weeks ago. Chairman Salen, of the Democratic state committee, has invited Colonel Herrick to debate with Johnson.

State School Commissioner L. D. Bonebrake is at work on the re-classification of the high schools of the state and expects to complete it by November. He says that the standard of curriculum is being raised, and instead of 179 first grade high schools this year there will be about 200. A number will also be advanced from the second to third grade. The law providing for the classification of high schools was passed two years ago, Representative Clement Brumbaugh, of Darke, being the author.

Fisherman's Awful Catch.

Jamestown, N. Y., Sept. 30.—F. W. Hinkle, of Cincinnati, while fishing in Chautauqua lake, felt a tug on his line and upon pulling the hook to the surface was horrified to find the body of a man. The body was later identified as Aaron Spencer, 50 years old, a resident of Boomertown. Spencer left Lakewood Sunday in company with Fred Metcalfe, of Boomertown, and had not since been seen.

Postmasters Appointed.

Washington, Sept. 30.—The following postmasters were appointed: Pennsylvania—Bradleytown, Venango county, James B. Arters; Brush Valley, Indiana county, Mary A. Davis. Ohio—Haydenville, Hocking county, Fannie McFadden. West Virginia—Coalwood, McDowell county, Aaron Collier Peabody, Wetzel county, Albert Garner; Red Creek, Tucker county, Martin V. Boner.

Cassatt Resigns.

Newark, N. J., Sept. 30.—Alexander J. Cassatt, president of the Pennsylvania Railroad company, has resigned as third vice president of the Public Service corporation, and A. B. Carlton, president of the United Electric company before it was absorbed by the Public Service corporation, was elected in his place.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Bellville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

Lynchers to Go Free.

Wilmington, Del., Sept. 30.—The grand jury announced that it had decided to ignore the bill against those charged with being concerned in the burning at the stake of George White, the negro who assaulted and murdered Miss Helen Bishop.

Hagee's Cordial of Cod Liver Oil is for both prevention and cure. It heads off disease by strengthening the system. It cures coughs, colds bronchitis, consumption and many other disorders in the most rational way.

Jealousy Causes Tragedy.

San Francisco, Sept. 30.—Marie Jordan, a cloak saleswoman, was shot dead on the street by Edward De La Brousse, who then fired a shot into his head, inflicting a wound which probably will prove fatal. They were both under 30 years of age. The tragedy was the result of jealousy.

It's folly to suffer from that horrible plague of the night, itching piles. Doan's Ointment cures, quickly and permanently. At any drug store, 50 cents.

ROVERS ARE ANXIOUS FOR ANOTHER TRIAL

But Are Not Likely to Accept the Challenge of the Rovers to Play For $100.

While it is not likely that the Rovers will accept the challenge of the Oaklands to play another game for a purse of $100, under the conditions imposed by Manager Weaver, they are anxious for another contest later in the season. The Rovers expect to play several men, who it is claimed have been members of the team since last season, although they have not taken part in the games. One of these men is "Lefty" Baker, the big full back of last year's first team. The backs would then be Baker, Cartwright and Mardy. Young Burgess, the B. A. C. full back, has joined the team and will add strength to it. Burgess has the making of a great player, his work at the News Review game attracting a great deal of attention. His weight is 174 pounds. It is reported that Lem Harvey has left the Oaklands to join the Rovers. Harvey is said to have the best interference of any player in town.

Manager Hughes, of the Rovers, called at the News Review office this morning and stated the conditions under which the two teams can meet again. The Rovers do not care to cancel any of their games and they are booked for every Saturday, including the date Manager Weaver wanted to play. It has been suggested that the game be deferred until Thanksgiving day, when all the friends of the two teams will have the opportunity of attending. The Rovers have a Thanksgiving date but are willing to cancel. They are also willing to play for a purse and the entire receipts.

Will Invade Wellsville.

Loyal to the utmost for the success of the eleven that is to play foot ball under their name, the members of the East Liverpool high school will invade Wellsville Friday afternoon to encourage them in the great game with the Wellsville high school eleven. The colors will be flung to the breeze and the invaders will "root" lustily that they may not be trailed in the dust. There are several hundred members of the newly organized athletic society and all of them will attend. Many other members of the school and friends of the players will be there.

Woman's Sensational Suicide.

Kansas City, Sept. 30.—While suffering from temporary insanity Miss Adelaide Pribbenow, a music teacher, whose parents live in Omaha, jumped from the third-story window of a fashionable hotel, ran 10 blocks to the railroad yards in the north end of the city, threw herself in front of a passing train and was ground to pieces. Her fall from the window was checked by the roof of an adjoining building from which she fell to the ground below, which was soft, owing to rain. Her friends in the hotel rushed out expecting to find her body on the ground. Instead there was no trace of her, nor did they get a glimpse of her until her mangled body was found on the railroad track.

Hanna Has Narrow Escape.

Berlin Heights, O., Sept. 30.—The private electric car carrying Senator Hanna and others from Cleveland to the Republican meeting here struck a derailing switch three miles east of Berlin Heights and jumped the track while running at a rapid rate of speed. All the occupants of the car were thrown into a heap at one end of the coach, but aside from being badly shaken up all escaped serious injury.

Elyria, O., Sept. 30.—The grand jury of Lorain county, which has been investigating the Reichlin murder case for several days past, completed its labors and reported no indictments. This is taken to mean that, notwithstanding the large number of witnesses examined, nothing really definite as to who killed Agatha Reichlin was brought out.

SITUATION AT THE SOO

Number of Men Arrested for Being Implicated in Riots. Everything Now Quiet.

DISCHARGED MEN IN DEMAND

Employment Agencies Offer Places to Many—Woodmen at Wilde Station Attack Train Crew—No Destitution Exists—Mayor's Statement.

Sault Ste. Marie, Sept. 30.—A detachment of the Canadian militia which has been ordered to the Soo arrived here shortly after midnight.

Sault Ste. Marie, Mich., Sept. 30.—The arrest of nine men charged with being implicated in the riot at the Canadian Soo and an attempt of a number of men forcibly to resist detention by the concern at Wilde station, on the Algoma Central, were among the developments in the situation at the Soo. Numerous requests by employment agencies for the services of employes thrown out of work by the closing of the concern and its various affiliated companies, to which they are responding, and the absence of destitution have given the men hope, and with the exception of the incident mentioned everything is quet.

Mayor Plummer has, with the sanction of the municipality, readily aided the needy, who were declared to be few, but he announced that on the arrival of a detachment of militia all unemployed men of the company who have refused to accept the offers of work elsewhere will be forced to leave. Since the attack by the mob on the company's offices the local militia, reinforced by the police, has guarded the plant and industries of the company, but order has been observed and communication between the two Soos was resumed. It is planned also to start the street cars on the Canada side.

Awaiting Arrival of Troops.

There are 500 woodsmen in the camps of the company, but as a measure of protection the company will not allow them to come in until all of the troops en route have arrived. Although they are said to be well provided with food and have good sleeping quarters, the men are dissatisfied, which has caused them to protest against being left at Wilde station.

The men became angry when told they would be held at the station over night and began to throw rocks at the engine crew. The fusillade of missiles became so heavy that to escape with their lives the crew, under pretense of switching the train after an engine and two coaches had been uncoupled, started down the main track on the Algoma Central road, leaving the foreigners behind. Some of them, unwilling to stay there, have walked to the Soo.

Mayor Plummer's Statement.

In a statement by Mayor Plummer denying that there had been destitution there, he said: "At my suggestion municipal funds were used to help men who had been thrown out of employment and were in need. They were given checks for meals and men with families were supplied with the necessities of life. All who requested aid were given it, and, although the sudden loss of employment meant hardships for men with families, there never has been any destitution. The company by which the men had been employed also aided them when aid was needed. I have telegrams from numbers of employment agencies stating that all who want employment may have it and at better wages than they had been paid by the company. Many are accepting the offers—even the men who have families—although they dislike to quit their homes here."

Mr. Coyne also said that his company had been liberal in providing for the men, but that some had refused to avail themselves of the offers, preferring to wait until funds could be secured by the company that they might cash their pay checks and living on the small earnings they had saved.

The Cause of Many Sudden Deaths.

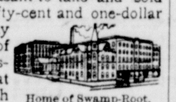

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root**, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton. N. Y., on every bottle.

YELLOW FEVER ON INCREASE.

Laredo, Tex., Has 37 Cases—Vice Consul Kimball a Victim.

Laredo, Tex., Sept. 30.—The yellow fever situation is beginning to assume a very grave phase. There are now in this city 37 cases of fever, 16 of which have been pronounced genuine by the marine hospital service experts in charge; 10 cases have been pronounced suspicious and 11 new cases have been reported. The majority of the cases are confined to a certain district of the city, with the exception of some of the new cases. The work of placing the city in a perfect sanitary condition is being effectively and scientifically brought about under the direction of the yellow fever experts on the ground.

A second detention camp has been established at Cactus, a station on the line of the International and Great Northern railroad, about 15 miles from Laredo.

The conditions in Neuvo Laredo are not very encouraging. One death occurred during the day. It is impossible to learn from the Mexican authorities how many cases exist. Among the cases reported as very grave is that of United States Vice Consul J. F. Kimball.

Nuevo Laredo established a strict quarantine against the city. No official news has been sent from Monterey, but it is learned on what is considered good authority that there are at least 10 new cases of fever there.

Houston, Tex., Sept. 30.—Federal Judge Burns made an order releasing all the federal prisoners held in the county jail at Laredo, the yellow fever being the reason. Most of the prisoners were held on charges of smuggling.

Tin Ore Ledge Discovered.

Butte, Mont., Sept. 30.—A 100-foot ledge of tin ore has been discovered near Lost river, in the Cape York district, north of Cape Nome. One hundred pounds of sample rock will be shipped to Pittsburg. Details of the discovery, which it is claimed may prove the greatest known anywhere, are given by Joseph Hutchinson, who represents eastern capitalists associated with the American Tin Plate company.

Oldfield Makes Fast Time.

Cleveland, Sept. 30.—Barney Oldfield reeled off some fast miles at the Glenville track. He went to try out the new 41-inch tires which were lately affixed to his automobile and after a few warming-up miles, he reeled off five laps in 4:58 4-5, an average of 59 9-25 seconds per mile. His time for each mile was: First, 1:00 2-5; second, 1:00; third :59; fourth, 59; fifth, :58 2-5.

CANCEROUS ULCERS

ROOTED IN THE BLOOD.

After the age of 45 or 50, when the vital powers are naturally weaker, it is noticed that a hurt of any kind heals slowly and often a very insignificant scratch or bruise becomes a bad ulcer or sore. At this time of life warty growths, moles and pimples that have been on the body almost from birth begin to inflame and fester, and before very long are large eating ulcers.

A small pimple came on my jaw, but gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time then the Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it is remarkable what a wonderful effect it had from the beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good. Mrs. R. SHIRER, Wyaconda, Mo.

Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years, is beginning to assert itself, and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps, salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood and a tonic to build up the general sysfem is what is needed, and S. S. S. is just such a remedy. No poison is so powerful and no germ so deadly that this great vegetable blood remedy cannot reach it, and ulcers of every kind quickly yield to its wonderful curative properties. If you have an old sore or ulcer, write us all about it, and medical advice or any information you may desire will be given by our physicians without charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

President Renders Final Decision in Case of Foreman W. A. Miller.

TALKED WITH LABOR LEADERS

Aims to Do Equal and Exact Justice to All—No Discrimination Between Union and Non-Union Men—Simply Acting for the Government.

Washington, Sept. 30.—An important conference took place at the White House between President Roosevelt and five members of the executive council of the American Federation of Labor, including President Gompers and Mr. Mitchell, head of the miners' union, during which the case of Foreman W. A. Miller, of the government printing office, who was dismissed because he had been expelled from the local bookbinders' union and afterward was reinstated by direction of the president, was the principal topic of discussion. The conference was granted at the request of the labor leaders. The Miller case was very fuly presented by the members of the executive council, at the close of which the president made a statement in which he announced that his decision not to dismiss Miller was final and that the question of his personal fitness must be settled in the regular routine of administration. The statement in full is as follows:

"I thank you and your committee for your courtesy and I appreciate the opportunity to meet with you. It will always be a pleasure to see you or any representatives of your organizations or of your federation as a whole.

"As regards the Miller case I have little to add to what I have already said. In dealing with it I ask you to remember that I am dealing purely with the relation of the government to its employes. I must govern my action by the laws of the land which I am sworn to administer and which differentiate any case in which the government of the United States is a party from all other cases whatsoever. These laws are enacted for the benefit of the whole people, and cannot and must not be construed as permitting discrimination against some of the people. I am president of all the people of the United States, without regard to creed, color, birthplace, occupation or social condition. My aim is to do equal and exact justice among them all. In the employment and dismissal of men in the government service I can no more recognize the fact that a man does not belong to a union as being for or against him than I can recognize the fact that he is a Protestant or a Catholic, a Jew or a Gentile, as being for or against him.

"In the communications sent me by various labor organizations protesting against the retention of Miller in the government printing office the grounds alleged are twofold: 1, that he is a non-union man; 2, that he is not personally fit. The question of his personal fitness is one to be settled in the routine of administrative detail and cannot be allowed to conflict with or to complicate the larger question of governmental discrimination for or against him or any other man because he is or is not a member of a union. This is the only question now before me for decision, and as to this my decision is final."

Dickens' Birthplace Sold.

London, Sept. 30.—The birthplace of Charles Dickens, 387 Commercial road, Landport, North Portsmouth dockyard, where his father was a clerk, in which the author spent the early part of his life, was sold by auction at Portsmouth and bought in for $5,625 by the mayor, representing the city of Portsmouth. There was a large attendance at the sale, which was followed by speeches congratulating the municipality of Portsmouth on its action, to which the mayor responded. A Dickens' museum will probably be established in the house.

Colombian Congress Costly.

Colon, Colombia, Sept. 30.—News from the interior says Vice President Marroquin and his son have publicly announced that it is not their intention to be candidates for the presidency or vice presidency of the republic. General Reyes is still the candidate most likely to be elected. The Porvenir of Cartagena says that after being 90 days in session congress passed five unimportant bills and cost the country, already impoverished, 2,240,000 pesos, equivalent to $40,000.

Industrial Plant Destroyed.

Monterey, Mexico, Sept. 30.—Fire destroyed the entire plant of the Industrial Cotton and Furniture company. The loss will probably exceed $200,000, partially insured.

Senator Scott Starts for Home.

Colorado Springs, Sept. 30.—Senator Nathan B. Scott and Mrs. Scott have left for their home in Wheeling, W. Va., the senator having recovered from his recent illness.

Killed by Gas Explosion.

New York, Sept. 30.—James Owens, a plasterer, was killed and three other workmen were seriously injured by an explosion of gas on the roof of the Imperial hotel.

Chosen Lord Mayor.

London, Sept. 30.—At a meeting of the aldermen held at Guild hall Sir J. T. Ritchie was elected lord mayor of London for the coming year.

Mothers, do you know

that a perfectly healthy baby never cries. When the little one does cry there's something wrong, and generally it's the stomach. Paregoric, Soothing Syrups, Cordials, Teething Syrups and Pain Killers contain opium and morphine. Don't use them. They are harmful—costly, too. Such drugs constipate and derange the digestive organs.

Dr. Caldwell's Syrup Pepsin

(A LAXATIVE)

is pleasant to take, augments and supplies the natural digestive ferment, acting as a gentle laxative by the power to assimilate food, makes and keeps babies in health and good humor. A trial will convince you.

Mrs. ALLIE JACKSON, of Farmer City, Ill., writes: My seven-months-old baby was troubled a great deal with his stomach and bowels. I had tried numerous remedies with no good results, until the baby lost much flesh and was in very poor health. A friend recommended Caldwell's Syrup Pepsin. I procured a 50c bottle at the drug store and gave the contents to the baby according to directions, after which there was a decided improvement in his condition. Have been giving him Syrup Pepsin for about a month, with very satisfactory results, his stomach and bowels being in good, healthy condition and his former weight regained.

Your druggist sells it. If not, send us his name and we will send sample bottle FREE.

MARCH WITHOUT MUSIC.

Chicago's Centennial Parade Draws Big Crowd—Bands Were Scarce.

Chicago, Sept. 30.—The great parade of the centennial celebration which filed for three hours through the streets was a wonderful success. A crowd estimated at 1,000,000 people lined the streets through which the procession passed and cheered its features lustily.

The parade was pratically destitute of music, with the exception of the bands belonging to the regiments of the national guard. The regimental commanders during the day informed their musicians that they either must march with the balance of the men or they would be court-martialed and dismissed in disgrace from the military service of the state. President Kennedy, of the musicians' union, when confronted with this situation, said the men would not be fined if they turned out, and as a consequence the regiments marched with the usual music.

A few amateur bands were scattered throughout the parade and all of them were lustily cheered by the crowd as they passed along. A large number of floats were exhibited in the parade, some of them of great beauty.

Strong Verdict of Coroner's Jury.

Lynchburg, Tenn., Sept. 30.—The coroner's jury has returned a verdict to the effect that Allen Small, who was killed last Thursday night during a raid on the Moore county jail, was deliberately, maliciously and premeditatedly murdered and 27 men are named in the verdict as guilty of the crime. Fourteen of the mob are under arrest and warrants for the others have been issued. Three of the prisoners have turned state's evidence and have been released on bond on condition that they will appear as witnesses for the prosecution.

Officer's Big Fee.

Bridgeport, Conn., Sept. 30.—Deputy Sheriff Peter Doolin, who served the writs in the suit brought by D. E. Loewe & Co., hatters, of Danbury, against the officers of the National Federation of Labor and the United Hatters of North America and 250 members of the latter organization as individuals, received the largest fee ever granted to a court officer in Connecticut. Doolin returned reports to the superior court and his fee for mileage, searching records, etc., amounted to $2,860.40.

Big Roll Disappears.

New York, Sept. 30.—The loss of a roll of bills amounting to $2,000 in the cafe of the Waldorf-Astoria by a guest of the hotel has startled not only the patrons, but the management to unusual activity. The fat roll was placed on the table by one of the wealthy patrons while dining. His back was turned only a few seconds, but when he reached for it the money was gone.

Dr. Finley Installed.

Lamont, ex-President Grover Cleveland, Professor Adolph Werner, C. M. Depew, Presidents Hadley, of Yale; Butler, of Columbia; Remsen, of Johns Hopkins, and Schurman, of Cornell.

THE CAPITOL IS COMING

TRUANT OFFICER HAS BEEN CHOSEN

Constable Powell Appointed to Serve the City in That Capacity.

THE LAW IS VERY STRICT

And the New Officer Will Do His Best to See That It Is Properly Enforced. The Walker District Will Receive Attention.

Constable C. W. Powell was yesterday appointed truant officer for East Liverpool. Since the death of James Miller, who acted for years in that capacity, William Beardmore has to the best of his ability, served as truant officer. Owing to infirmities Mr. Beardmore was compelled to resign, and Constable Powell was chosen as his successor. The position of truant officer in this city at the present time is one of more responsibility than ever before. It seems as though the outlying districts contain a larger set of so-called incorrigibles than in many years. As a result of the conditions it was deemed necessary to appoint a more active officer.

In the Walker school district there are numerous cases reported and Constable Powell has been ordered to enforce the school laws to the letter. The total number of absentees, all of whom, according to the school act, should be in regular attendance at the Walker school, is not known. For the purpose of having every scholar within the age limit attending school, Constable Powell has been assigned the duty of enforcing the law.

Constable Powell stated last evening that he will apply himself vigorously in an effort to compel the parents of children who are known to be absent from the school to see to it that those pupils take up their studies. The newly appointed truant officer will base his actions upon the following provision of the state law:

"If said parent, guardian or other person having the legal charge and control of said child, shall wilfully neglect, fail or refuse to cause said child to attend some recognized school, it shall be the duty of said officers to make, or cause to be made, a complaint against said parent, guardian or other person having the legal charge or control of such child, in any court of competent jurisdiction in the city, village or township in which the offense occurred, for such refusal, failure or neglect, and upon conviction thereof said parent, guardian or other person, as the case may be, shall be punished by a fine of not less than $5 nor more than $20, or the court may in its discretion, require persons so convicted to give bond in the penal sum of $100, with one or more sureties to be approved by said court, conditioned that said person so convicted shall cause the child or children under his or her legal charge or control to attend some recognized school within five days thereafter, and to remain at school during the term prescribed by law."

STATEMENT FROM MANAGER CROSSLEY

Another Side to the Telephone Controversy According to His View.

OUTSIDE INFLUENCE CLAIM

At a meeting held in Y. M. C. A. hall Tuesday night, those present adopted the Bell telephone and will endeavor to create the impression that they represented the telephone using public of this city. As the representative of the Columbiana County Telephone Co. in this county, I feel it my duty to call the attention of our subscribers to the manner in which this action was brought about by men who outdid themselves in behalf of the other company.

In spite of the fact that the rates submitted to the business men by this company were exactly the same as those of the Bell and that the Columbiana County Telephone company can furnish connection with over twice as many subscribers as the Bell for the same rate that they charge for about one-third the service; not one word was said in behalf of this company and not a single valid reason offered in behalf of the adoption of the Bell 'phone and yet these men would ask you to reject a telephone service which you know to be better and more satisfactory than that of the Bell simply because they, for reasons known to themselves alone, have seen fit to favor the company furnishing the smallest service.

These tactics have been adopted by the friends of the Bell company throughout the county and simply because this company refused to resort to such methods it has been rejected at these meetings and yet the Columbiana County Telephone company is assured of the support of 75 per cent of its patrons.

In support of the assertion that the action of this meeting was not the voice of the business men of this city it is only necessary to call attention to the fact that the meeting was controlled by outsiders who were not appointed, or asked to act on the committee, at the citizens' meeting, but stepped in and influenced the meeting in favor of the Bell company with only one member of the authorized committee to assist them.

It is only necessary for the telephone subscriber to consider the methods adopted by the two companies and the service rendered by each in the past and the Columbiana County Telephone company will have nothing to fear.

Ths company will continue to do business with the public and compete for the telephone business of this county by furnishing a better and larger service at as low a rate as offered by the Bell.

This company desires to express its appreciation to the business men of this county for the hearty support they have given and to assure them that the service furnished in the future will warrant a continuance of their patronage.

Yours very truly,
W. F. CROSSLEY,
229-h Sec. and Gen. Manager.

20TH YEAR. NO. 229. EAST LIVERPOOL, O., WEDNESDAY, SEPTEMBER 30, 1903. TWO CENTS.

DAVIDSON'S PETITION IN WYMAN MATTER

Solicitor Gives His Reasons For Efforts to Oust This City's Chief of Police.

THE OLD GROUNDS AGAIN WERE GONE OVER

Lisbon, September 30.—(Special)—George E. Davidson, as solicitor for the city of East Liverpool, filed a petition in court here today against James H. Grafton, W. L. Taylor, Daniel M. Ogilvie and Job H. Dawson, as directors of the public safety in the city of East Liverpool, and William A. Weaver, as mayor of the city, asking that these officials be restrained from appointing John W. Wyman chief of police in that city on the ground that Mr. Wyman was ineligible to take the preliminary competitive examination that was held. This action was foreshadowed exclusively in the News Review yesterday.

The petition says that on the fourth of May last, when the new legislative act pertaining to the government of cities went into effect, the police department of East Liverpool was composed of eight patrolmen and a city marshal with no office of chief of police. The eight patrolmen who were then in service of the city are still holding their positions and are in the classified service of the city under the new code. On July 20, 1903, the city council enacted an ordinance providing for chief of police, seven patrolmen and one night watchman.

The plaintiff alleges that prior to the appointment of the board of public safety included among the defendants, the mayor, W. A. Weaver, by a secret agreement with a majority of the prospective members of the board of public safety, provided for the appointment of John W. Wyman as chief of police. Upon taking office on May 4, 1903, Mayor Weaver appointed Mr. Wyman a temporary chief of police.

It is alleged by the solicitor that this appointment was made at the solicitation of Mr. Wyman and in recognition of his political influence in aiding the election of Mayor Weaver, and that there was no public exigency demanding the appointment. On August 20, 1903, the board of public safety adopted rules and regulations for carrying out the purposes of the merit system for police appointment in accordance with the provisions of the new code, which provides that any personal solicitation directed to the appointing power in behalf of any candidate shall disqualify that candidate from competing at any examination for one year thereafter.

When the board of public safety on September 11 last held an examination of applicants for admission to the classified service of the police department

Bence, Heeman and Zang for the journeymen, had the different questions under careful consideration for some time and finally the following agreement was reached, all being heartily in favor of it:

The wages of the journeymen will be $3.75 per day of eight hours for five days and seven hours on Saturday.

In the original proposition of the journeymen $4 per day was asked. They had been receiving $3.50 per day of nine hours during eight months of the year and eight hours during the remaining four months. The season proposition is not included in the agreement, and the journeymen feel that they have gained quite a nice victory.

CLUBBED HIS WIFE AND BROKE BONES

Ugly Charges Made Against Frank Allman, Who Was Taken to Jail.

TWO SUITS AGAINST HIM

John D. Allman, the machinist, who was bound over to court by 'Squire McCarron in the sum of $500 to answer to a charge of non-support, preferred against him by his wife, has been made defendant in another case, Attorney Frank E. Grosshans having filed a suit for the wife against him for $300 alimony. Allman was taken to Lisbon this afternoon by Constable Powell, where he will be jailed to await both hearings.

The accused man was taken before 'Squire McCarron this morning to answer to an attachment made on $310 which he has on deposit in the People's bank, Wellsville. Owing to Constable Copestick he was dismissed. The constable failed to make proper returns on certain papers served, and Attorney McGarry, for the defendant, grasped the point immediately and had the case thrown out of court. Copestick was severely criticised for his negligence and also for releasing Allman from the city jail yesterday and taking him around to resorts of pleasure.

Though this case was dropped Allman will meet the same charge when answering the alimony proceedings.

Attorney Grosshans, employed by Mrs. Allman, says he will get every cent sued for. He will bring into play particulars of Allman's past life, and it promises to be interesting. The allegation is made that Allman struck his wife five years ago with a club and broke two bones in her arm, that he cruelly mistreated her upon another time when she was in a critical condition; that he has threatened to kill her time and again; that he has only given her $5 in five years; that he gave one of the five children $1 once, another 50 cents, and on the birthday of Mrs. Allman some time ago he gave one of the children 10 cents and told her to give it to her mother as a birthday gift.

AN UPRIGHT LIFE COMES TO A CLOSE

Chas. H. Murphy Cut Down By Death in the Midst of Promising Career.

SUCCESSFUL IN BUSINESS

And Universally Esteemed for His Many Excellent Qualities—Suddenly Stricken With Pneumonia While Visiting His Parents.

Charles Henry Murphy, one of the best known and most highly respected young business men of Columbiana county, died at 3:30 yesterday afternoon at the home of his parents, Mr. and Mrs. T. B. Murphy, of Fourth street. He had been ill but a short time, and though his death was known to be the question of but a few hours, the news saddened the entire community where he was esteemed and respected by all.

A little over two weeks ago Mr. Murphy, with his wife and three children, came from Salem to East Liverpool, where it was proposed that they spend the brief holiday allotted to a busy merchant. They were guests of Mr. Murphy's parents and spent a very happy time for a few days. Then Mr. Murphy was attacked by rheumatism, with which he had been troubled on a previous occasion. It might be said that he was a doomed man from that moment, for there was not a time that he was considered better. Pleural pneumonia set in almost immediately and he grew steadily worse. Everything known to medical science was done to relieve his sufferings, but the efforts were without avail.

Mr. Murphy became unconscious at 5 o'clock yesterday morning, and save for a brief space of time between 7 and 8 o'clock, remained in that state until his death. During that interval of consciousness the scene at the bedside was pathetic in the extreme. The father called his little family about him, and calling each by name, bade them a fond farewell. He next took leave of his parents and brothers and sisters, assuring all that he was ready to go into the presence of the Master, dying as he had lived, a Christian, a loving father and a dutiful son. Dennis Triem, Mr. Murphy's business partner, was also present, and though the parting in this instance was different from the others, it was none the less touching. From that time until the moment of his death the sick man sank steadily, and life was prolonged for the last few hours only by the administration of oxygen and other stimulants.

In the death of Charles H. Murphy, Columbiana county loses one of its best citizens, most enterprising young business men and a man of sterling integrity, the friendship of whom any one would be proud to own. He was born in Brownsville, Pa., 40 years ago the 15th of last April, and at the age of 9 years removed with his parents to this city. He was associated with his brother, George C. Murphy, in the clothing and gents' furnishing business here for many years, and in 1897 went to Salem, where he has since resided. With his partner, Dennis Triem, one of the best known young merchants of Salem, he has been in the clothing business there for the past seven years, and by virtue of an extraordinary business tact and fair dealing at all times, earned for himself a place high in the esteem of his townsmen. Charles H. Murphy was a business man, a gentleman and a public spirited citizen who will be sadly missed in his home town.

Mr. Murphy married Miss Laura Morton in this city in 1893, and the union was blessed by the birth of three children, all of whom, with the mother, survive. The children are Thomas B., aged 9 years; Marie, 7 years old, and Geo. Morton, who is the youngest, being but 3. Mr. Murphy is also survived by his aged parents, three brothers and three sisters, George C. Murphy, Miss Ollie H. Murphy, Mrs. Ella M. Kober, Mrs. George Gilchrist, of Wheeling; Wm. L. Murphy, of Sebring, and Harry E., of this city. Mr. Murphy was a member of the Masonic order, and the members of the local lodge, to which he former-

DR. MONTGOMERY CANNOT COME HERE

Word From Findlay Pastor Sadly Disappoints East Liverpool Church,

FAREWELL TO MR. JORDAN

Rev. John Montgomery, to whom the First Presbyterian church extended a call to become the successor of Rev. Charles G. Jordan as pastor, will not become a resident of this city. This information, which brought deep disappointment to the members of the church, was received in a telegram addressed to the session of the congregation last evening. Mr. Montgomery states that the presbytery to which he belongs, at a meeting at Lima, refused to release him. The action was taken after a strong petition from the Findlay congregation had been presented by a committee appointed for that purpose. Mr. Montgomery, owing to the strong sentiment manifested in favor of him remaining where he is, agreed to refer the whole matter to the presbytery and abide by its decision.

This leaves the whole question of a new pastor open for the decision of the church. So far as is known, there is no particular candidate in view, though several are available. The session of the church will meet this evening to canvass the situation and take steps toward filling the vacancy as early as possible.

Rev. Charles G. Jordan was given an impressive farewell at the Sunday school room of the church last evening. He leaves the city shortly to engage in evangelistic work. His assistant, Miss Etta McClung, for whom also the farewell reception was arranged, will also take up other lines of church work.

The Sunday school room was thronged all the evening with parishioners and friends of the two conspicuous church workers. Many expressions of regret and well wishing were spoken. J. J. Purinton, Mrs. W. R. Clark, Col. H. R. Hill and Professor H. F. Laughlin received the people, and the occasion was a memorable one. The room was handsomely decorated. Supt. R. E. Rayman presided. The program opened with a selection by the Gwendolyn quartet, consisting of Misses Harrison, James, Baxter and Scott.

Rev. Dr. J. C. Taggart offered a fervent prayer. W. A. Hill, speaking for the session, told of the sorrow felt at the pastor's departure. Frank Gardner, in behalf of the Sunday school, told of the great work Mr. Jordan had done for the young people, and Will Rhodes spoke along similar lines for the Christian Endeavor society. N. A. Frederick, representing the congregation, gave Mr. Jordan high eulogy for his work, and while regretting his retirement, regarded it as an advancement into a broader field of endeavor. Remarks were made by D. M. McLane, Miss McClung, Rev. Dr. Pratt, Thomas W. Morris, Rev. Mr. Jordan and Sterling Carson.

Dr. Pratt, for the ministers of the city, paid a high tribute to his ministerial brother. Mr. Jordan thanked his friends and the congregation for their loyal support and gave abundant expression to good wishes. The speeches closed with an address by Rev. Dr. Milligan, former pastor. Mr. Carson, representing the choir, presented Mr. Jordan a fine suit case. The program over, refreshments were served and a delightful social hour was spent.

BUSINESS MEN VOTE FOR THE BELL 'PHONE

Its Terms Are Preferred to Those Offered by the Columbiana County Company.

REPORT OF THE INVESTIGATING COMMITEE

Nearly half a hundred representative citizens assembled at the Y. M. C. A. hall last evening in response to a call for a mass meeting having for its object the acceptance or rejection of the proposition of one or the other of the two telephone companies doing business in East Liverpool.

From beginning to end there was little of a complimentary nature to be said for the Columbiana County company, and since the direct representatives of both companies were excluded from the meeting, no one appeared to champion the cause of the latter concern.

The meeting was called to order by Louis Steinfeld, president of the Business Men's association, who stated the assemblage had been called together for the purpose of determining upon what system the business, manufacturing and professional interests should adopt for their own. He said a movement had been inaugurated in the association of business men to resist the attempt of the Columbiana company to raise their rates.

Several meetings has been held and an executive committee was appointed to procure a proposition from both of the local corporations, looking to the adoption of the one offering the best inducements, both as to rates and service to be furnished.

Mr. Steinfeld stated that the committee, which was composed of Joseph Betz, Henry Joseph and C. A. Ferguson, was ready to report, and if there were no objections the committee would be heard. The report was as follows:

East Liverpool, O., Sept. 29.

To the Mass Meeting of Telephone Subscribers, Y. M. C. A. Hall.

Your committee appointed to obtain from the telephone companies doing business in this city the best rates beg leave to report as follows:

The first conference was held with representatives of the Columbiana County Telephone company and the situation canvassed in all its phases.

The committee insisted that the company live up to the letter and spirit of the franchise granted by our city council, but this they refused to accede to. The representatives stated that the rates promulgated in the company's letter of September 1, 1903, a copy of which was mailed to each subscriber, will be enforced without change. They agreed, however, to add another classification to the official schedule, to be known as city ser-

DEIDRICK SUES HIS PARTNERS

Troubles of Salineville Pottery Find Their Way Into Court.

AN INJUNCTION IS SOUCHT

Lisbon, September 30.—(Special)—William H. Deidrick, of Salineville, is plaintiff in a suit against the Dresden China company of that town and H. R. Shaff, J. J. Kirk, James Dodds and H. A. Kirk, asking that the defendants be restrained from offering for sale his stock in the china company or in any way disposing of it.

The plaintiff says that he and the four defendants are the directors of the Dresden China company, elected a year ago in July to serve one year, and that none of the defendants, all of whom have continued in office, have taken oath since July to discharge their duties faithfully.

Mr. Deidrick alleges that on September 16 last he was the owner of 110 shares of stock in the company and that on May 9 all the stockholders except J. W. Shaff signed a written agreement that each would contribute 50 per cent of his funds to the company, conditioned upon all the stockholders signing the agreement. Three days later H. R. Shaff, who is also secretary and treasurer of the company, asked the plaintiff to endorse over immediately 50 per cent of his stock in the company, it is alleged.

This Mr. Deidrick refused to do until all the stockholders had signed the agreement, whereupon he alleges the defendant directors by menaces and threats compelled him to do so.

Immediately afterwards in the absence of the plaintiff, who is president of the board of directors, it is alleged, that the remaining directors held a pretended meeting without notifying him and went through the form of accepting his contribution of stock. The plaintiff says that on September 21 he notified the remaining directors of the company not to transfer his stock or in any way dispose of it, but alleges that they will do so unless restrained.

Administrator Named.

Lisbon, September 30.—(Special.)—The late Allen Campbell, of Elkrun township, left no will and Thomas Campbell has been appointed administrator. Bond, $400. Appraisers, J. H. Warrick, A. C. Armstrong and Hamilton Dickey.

FRIGHTFUL DEATH OF MAJOR HAY

PITTSBURG MAN KILLED IN ELEVATOR ACCIDENT.

Well Known in This City, Where His Son Was When the Sad News Came.

Major Samuel Worthington Hay, a well known Pittsburger, son of a former mayor of that city, was killed in an elevator accident in the Arrott building, at Fourth avenue and Wood street, Pittsburg, yesterday afternoon. Major Hay attempted to leave the elevator car at the fourth floor after it started, and was crushed to death between the car, the grating and the ceiling. The car was upward bound, and as it passed the body dropped 90 feet to the basement below.

He was 56 years old and one of the best known citizens of Pittsburg. His son, Ralph W., was in East Liverpool at the time of the accident, having come on Monday to take the place of Thomas Stevens in the Ohio Valley gas office while Mr. Stevens took his vacation. Mr. Hay was notified at 3 p. m. of his father's death and at once left for Pittsburg.

Major Hay was well known in East Liverpool. He was connected with the Pennsylvania railroad freight department for some years and later superintendent of the Howe, Brown & Co. foundry. About 15 years ago he became Pittsburg manager of the Whiting Foundry Equipment company, of Harvey, Ill. He served both in the civil war and the Spanish-American war and was past commander of Duquesne post, G. A. R. He was also a prominent Mason and Y. M. C. A. worker. His wife, two sons and a daughter survive.

THE PLUMBERS' STRIKE IS SETTLED AT LAST

Efforts of Trades Council Committee Finally Bring About This Result.

Through the efforts of the grievance committee of Trades and Labor Council the prolonged strike of the plumbers has been settled. The strike has been on since early last spring. According to the terms of the agreement the settlement of the matter is for a period of nearly two years, the date decided upon being May 1, 1905.

The grievance committee, composed of the following: William Pittinger, A. E. Bartele, Peter Hague, Edward Hattan and Edward Hickey and Messrs. Milligan, Hymes and Kinsey, for the master plumbers, and Messrs.

TWO YEAR AGREEMENT ON POTTERS' WAGE SCALE

When the board of arbitration, now engaged upon the task of settling the two disputed points in the pottery wage scale, concludes its labors, the agreement between the manufacturers and operatives thus effected will, in all likelihood, endure for two years. President Thomas J. Duffy, of the N. B. of O. P., announced this afternoon that the vote of the different locals, so far received, was largely in favor of the two-year agreement.

The proposition is one of the most important that has come up in many years. The public generally is vitally interested; for, according to the statements made by prominent business men, all interests will benefit by doing away with the flurry that usually attends the yearly readjustments of the wage scale. This year the business interests are said to have suffered noticeably by the uncertainty which for a time attended the readjustment.

The constitution of the Brotherhood stipulates that yearly agreements shall be made and it was necessary to take a referendum vote so that the action in agreeing for two years would be legal. This vote shows that the trade favors the longer term.

When the question came up in the conferences held in this city and Philadelphia it was tacitly agreed to submit it to the arbitration board and submit to its findings, providing that the sanction of the trade could be had. The arbiters will undoubtedly take the necessary steps to make the agreement binding for two years.

The arbiters had not concluded the work of examining the witnesses called before them to explain the work over which the price to be paid is in dispute. The session yesterday was adjourned shortly after 6 p. m., after quite a number of witnesses had been heard. During the afternoon the arbiters visied the K., T. & K. pottery to better acquaint themselves with the conditions.

It is thought that a decision as regards both disputes will be reached tonight, as the consideration of the evidence, after it has all been taken, will not require a great length of time.

NETTIE BURROWS IS HEARD FROM

The distracted parent of the child was notified this morning and will see that the girl is returned home.

Mrs. Wright Sues Administrator.

Lisbon, September 30.—(Special.)—Florence Wright Cumberland, of Hanover township, through her attorneys, Charles S. Speaker and George P. Farrell, has filed a new petition in common pleas court against William C. Wright, as administrator of the estate of Mary A. LOUNDS RETURNS SAFE AND HAPPY

Popular Potter Enjoyed Every Moment of His Old World Journey.

INTERESTING SPOTS SEEN

Hale and hearty and happy as a lark, Thomas Lounds returned on the early train this morning from his trip abroad, cheerfully given him by the News Review as the prize for winning the greatest popularity contest ever known in this city or vicinity. It will be remembered that Mr. Lounds was the winner of the first place in the contest, with J. E. Anderson and Thomas Neal winners of second and third places respectively. The return of Mr. Lounds from his delightful trip, though closing the last chapter of the great event, will not obliterate it from the minds of the thousands who displayed so much enthusiasm while it was in progress.

Mr. Lounds frankly says that it was the greatest trip of his life; that he never spent a more pleasurable period and never expects to in the future. He is greatly appreciative of the News Review's effort, and made the request this morning that both the paper and his numberless friends who carried him to victory in the exciting contest be extended through the columns of the News Review his sincere thanks.

The sea voyage made by Mr. Lounds, both going and returning, was made on the palatial steamer, the Ethopia. Sailing from New York on August 29, he arrived in Glasgow on good time, after a most pleasant trip and immediately commenced a tour of all points of interest. From Glasgow he went to Liverpool, thence to London, Dublin, Hanley, Isle of Man, Greenock, Moville and lastly Tunstall, the home of his parents. His return trip on the Ethopia was rather exciting, the seas rolling high and in one instance hurling a man of Cleveland a distance of 20 feet, rendering him unconscious and nearly killing him.

Among the most interesting sights witnessed by Mr. Lounds were castles, beautiful in structure and ranging in age from 700 to 800 years. The mammoth Firth of Forth bridge at Greenock was a great sight and so was the tower of London. Mr. Lounds says that the great potteries that he visited at Hanley and vicinity are all running slack, the trade being very

BUSINESS MEN VOTE FOR THE BELL 'PHONE

vice and confining the subscribers thereto to the East Liverpool exchange only, calls outside of this exchange to be charged for at regular toll rates. The rates for this service were to be as follows:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line		16 00
Three-party line		14 00
Four-party line		12 00

Subject to a discount of 10 per cent for prompt payment. The discount under this schedule the officials were at first reluctant to grant, but they finally agreed unequivocally thereto. They also agreed to enter into contracts for a term of not to exceed three years. The gentlemen were requested to submit their proposition in writing and on the following day this communication was received:

East Liverpool, O., Sept. 19.

Mr. Joseph Betz, Chairman of the Business Men's Committee.

Dear Sir—In compliance with your request we hereby submit a written statement of the additional service classification outlined to your committee on the 18th inst. To meet a popular demand we have established a rate for city service as follows:

	Business.	Residence.
For individual line	$24 00	$18 00
For two-party line	22 00	16 00

These rates are to apply for service between telephones connected with one exchange only. That is to say for messages to any exchange in the system except to subscribers connected directly to the exchange in the same city a toll charge will be made. We regret to say that our tentative offer of a discount on such service we find after careful and mature consideration we cannot afford to confirm and that such rates will be subject to no discount. Also that we cannot afford to reduce the rates for free county service as set forth in our schedule under date of Sept. 1, 1903, a copy of which was forwarded to every subscriber to the service of this company. We can make no reduction on free county rate to apply to service between East Liverpool and Lisbon as requested on behalf of the bar association. However, we will enter into contracts for a restricted county service at a reduction of rate from the unlimited county service depending on the number of calls to be transmitted per year. The points to which such service is required and other governing features, which would determine the rate in each particular case. There are so many possible combinations that a complete schedule of rates covering all conditions would be almost interminable in length and has therefore not been prepared. Each such case will be considered in its several features and the rates fixed accordingly. The only modification we are prepared at this time to make to the schedule of rates already submitted to subscribers is the addition thereto of city service. We have secured a large number of subscriptions for local rates as set forth in our schedule. Any subscriber who has signed contract for such service, but desires the cheaper and more restricted service we now propose to furnish, can have such contract cancelled by signing a new contract for such city service. Should your committee desire any information that we can furnish relative to any feature of the cost of constructing, operating, or maintaining a telephone system, it will afford us pleasure to furnish such information. Enclosed herewith are copies of contracts we are securing from subscribers at this time which you requested.

Respectfully,

THE COLUMBIANA COUNTY TELEPHONE COMPANY,

W. F. Crossley, Sec'y.

Approved: Maxine Reber, Vice President.

P. S.—We omitted the term of contract we are willing to sign for, but will add that we are prepared to sign contracts for a term of three years.

W. F. CROSSLEY.

You will note that in this letter the company not only withdraws the three and four-party rates for city service, but, what is vastly more important, also the 10 per cent discount for prompt payment under this schedule. This means that subscribers to city and county service will not be entitled to any cash discounts, whereas subscribers to the local service will get this service at 10 per cent less than the schedule rates.

On Thursday evening of last week your committee met the representatives of the Bell Telephone company, and these gentlemen submitted the following rates, covering service within the East Liverpool exchange alone:

	Business.	Residence.
Individual line	$24 00	$18 00
Two-party line	18 00	15 00
Three-party line		12 00

[All party lines to be selective ring.]

These rates are to be charged flat, the old rebate system discarded and all old contracts to remain in force at the option of the individual subscriber. This company is not in favor of long-term contracts, claiming that they are unfair to both parties, but agrees to enter into contracts for a term not to exceed three years.

The Bell company had previously offered the following rates for service between East Liverpool and Wellsville:

	Business.	Residence.
Individual line	$30 00	$24 00
Two-party line	24 00	18 00

This proposition was later withdrawn, and the one above noted substituted.

The toll rates of the Bell company within the county are:

To Wellsville, 10 cents; Lisbon and Salineville, 15 cents; Salem, Leetonia, Columbiana and East Palestine, 20 cents. The Columbiana County makes a toll charge of 10 cents to all parts of the county.

Upon investigation we find that this city enjoys as low, if not lower rates, than other cities of its size.

In conclusion permit us to state that for advertising this meeting and the rent of the Y. M. C. A. hall an unavoidable expense of about $35 has been incurred. To meet this expenditure you are respectfully requested to make proper provision.

Respectfully submitted,

JOS. BETZ,
HENRY JOSEPH,
C. A. FERGUSON,
Committee.

Mr. Betz supplemented the report with a few personal impressions gathered during his service as a member of the committee. He was the best posted man in the meeting, and did not hesitate to give forcible expression to his views derogatory to the Columbiana County company. At the conclusion of Mr. Betz's remarks the chairman took occasion to add that those assembled would be expected to make a decision as to what service they preferred. The report was received and the committee discharged.

A general discussion took place at this point in which a number of the business men present participated. The sentiment was in favor of the adoption of the Bell system, and not a single speaker had a word to say favoring the Columbiana. Mr. Betz felt that the main question at issue was what service should be adopted as it concerned the city proper. He said there was probably $30,000 expended each year in telephone rentals, and while some of the business and professional men were bound to have both systems, he felt that the subscribers who had no need of two should be given an opportunity to drop one or the other.

E. W. Hill, who acted as secretary of the meeting, asked permission to read a letter from R. M. Davidson, said to be a resident of Salem. The communication was a strong one, and urged the East Liverpool business men to stand pat in their determination to drop the Columbiana service. A great many complimentary things were said of the Bell, and indeed the letter was so strong in this regard that it indicated some prejudice on the part of the writer. No one seemed to know the man and the missive was tabled without ceremony.

Attorney Hollis E. Grosshans reported for the Southern Columbiana County Bar asscoiation, saying a committee had been appointed to act in conjunction with that of the business men. His committee had not been able to induce either company to enter into an agreement that would give the lawyers a county service to Lisbon. Since they had accomplished nothing, he desired those present to know that the bar association proposed to be guided by whatever action was taken at this meeting. Mr. Grosshans was followed by his brother, Attorney F. E. Grosshans, who spoke in favor of the Bell, as did every speaker given the floor. Though the telephone representatives had been excluded from the meeting the Bell corporation was as well represented by the two attorneys as though the president of the concern had been present. Mr. Grosshans closed his remarks by offering a motion to the effect that the citizens' convention adopt but one service. Justice McCarron offered an amendment to the effect that the service decided upon should be the cheaper. The Bell enthusiasts persuaded the mover of the amendment to withdraw his proposition and Grosshans' motion went through.

A lengthy discussion then took place, indulged in by Job H. Dawson, J. J. Purinton and several others, all favoring the adoption of the Bell system, and a motion to that effect was finally made. Before it could be passed, however, the chairman called attention to the fact that an expense of some $35 had been incurred by the committee and it was decided to hold up action on the motion until the money could be collected. While the hat was being passed the telephone question was further discussed, it being the general belief that the Columbiana County was here to stay, and though this company had much the best of the argument when the number of subscribers was considered, still the Bell ought to be decided upon, and it was.

EAST END

CORNER STONE TO BE LAID WITH CEREMONY

East End Colored Baptists Will Have Special Service For This Purpose October 11.

The corner stone of the new edifice of the Colored Baptist church, at the corner of Pennsylvania avenue and Clay street, will be laid on Sunday, October 11, with impressive ceremonies and the day will be the most notable for the colored people of the city in many months. The ceremonies will be in charge of the colored Masonic lodges of Duquesne and Pittsburg. The lodges will be accompanied to this city by quite a number of people and a special train will be run on that day between this city and Pittsburg to accommodate them.

The services will commence at 10:30 o'clock, when Rev. A. H. Tibbs, pastor of the Baptist church at Homestead, will deliver a sermon. In the afternoon Rev. G. E. Sallie, the pastor of a Duquesne church, will deliver an address. The ceremony of laying the corner stone will take place at 3:30 o'clock.

Rev. W. H. Nelson, who is to be the pastor of the new church, will preach at the evening service, which is to commence at 7:30 o'clock.

Three Is a Crowd.

Hereafter when Joseph Logan, one of the best liked young men in the East End, goes out for a ride with his best girl, he will carefully survey the vehicle before starting. This precautionary method will be adopted as a result of his experience a night or so ago. On that occasion he was out for a drive with the young lady, traversing the principal streets of the East End and several down town. Passing through the Diamond there was a commotion from the top of the buggy and a big Plymouth Rock hen spread her wings and flew to the sidewalk some distance away. Frightened at the unusual scene, the fowl cackled angrily as she sped away. Mr. Logan will also keep in mind that "two is company and three a crowd."

Entertainers Secured.

The Ladies' Aid society of the Second Christian church announce that the Burnett sisters, of Wellsville, well known entertainers, have been secured for a social to be held at the church Friday evening. These young ladies are accomplished musicians and will render a number of vocal and instrumental selections. There will be readings and recitations by others. Admission to the church is free. Refreshments of ice cream and cake will be served and a pleasant evening is promised.

Miss Bowie Located.

Katie Bowie, the 16-year-old girl, who disappeared from Luke's boarding house three weeks ago, has been heard from at her old home in St. Mary's. It will be remembered that at the time of Miss Bowie's disappearance two relatives had been visiting her father and wishing to visit the old place again, she went home with them. The girl's father reported the matter to the police and it was through Mayor Weaver and Chief Wyman that she was located.

Will Preach Sunday.

It is expected that Rev. S. F. Lloyd, the newly appointed pastor of the Erie street Methodist church, will be here Sunday to conduct the regular services. Definite announcement will be made as soon as word is received from Rev. Mr. Lloyd. While his reception will probably be informal, it will be none the less cordial and at his first services he will be encouraged by large congregations.

Wedding Announced.

The coming wedding of Miss Ida Densmore to Will Reynolds has been announced. The ceremony is to be performed next Saturday evening at the home of the bride's parents, Mr. and Mrs. John Densmore, 118 Elm street, and will be a very elaborate affair. Guests will be present from several neighboring cities.

EAST END AFFAIRS.

Charles Pittinger is visiting his mother, Mrs. Martha Pittinger, of First avenue.

Joseph Brown, who has been visiting his brother-in-law, W. L. Wilson, returned home yesterday.

William Ralph, the well known painter, left this morning for Columbus, where he will visit for a few days.

Rev. H. C. Chambers and wife will sail from New York next Saturday on the Anchor Line steamer Ethiopia, the vessel which is to take quite a party of missionaries across the water. This is the boat on which Thomas Lounds, of this city, made the trip to Europe as the winner of the News Review's popularity contest.

'Squire L. W. Carman received a letter this morning from his son, Earl T. Carman, containing the information that he will take a vacation of a month, commencing October 2. He will visit the home of an uncle in Wellsburg and extends an invitation for his father to join him. Mr. Carman will likely visit East End before returning to Pittsburg.

NERVES GAVE WAY— PE-RU-NA CURED.

Mrs. X. Schneider, 2409 Thirty-seventh Place, Chicago, Ill., writes:

"After taking several remedies without result, I began in January, 1902, to take your valuable remedy, Peruna. I was a complete wreck. Had palpitation of the heart, cold hands and feet, female weakness, no appetite, trembling, sinking feeling nearly all the time. You said I was suffering with systemic catarrh, and I believe that I received your help in the nick of time. I followed your directions carefully and can say to-day that I am well again. I cannot thank you enough for my cure. I will always be your debtor. I have already recommended Peruna to my friends and neighbors and they all praise it. I wish that all suffering women would try it. I testify this according to the truth."—Mrs. X. Schneider.

Mrs. Fanny Klavadatscher, of Summitsville, N. Y., writes as follows:

"For three months I suffered with pain in the back and in the region of the kidneys, and a dull, pressing sensation in the abdomen, and other symptoms of pelvic catarrh.

"But after taking two bottles of Peruna I am entirely well, better than I ever was."—Mrs. Fanny Klavadatscher.

These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell, of Houston, Texas, says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc."

FRONTIER CONFLICTS

Reported Between Bands of Revolutionaries and Sultan's Troops.

RAZLOG DESTROYED BY TURKS

Christian Population Said to Have Been Massacred—General Uprising Proclaimed Throughout Eastern Macedonia.

Sofia, Bulgaria, Sept. 30.—A telegram received here from the camp of General Zontcheff, the commander-in-chief of the Macedonian insurgents at Razlog, 55 miles from Sofia, announces that a general uprising was proclaimed Sept. 17 in the districts of Razlog, Nevrokop, Demirhissar, Melnik and Seres and that all the insurgent bands in Eastern Macedonia had received direct orders to begin operations.

The chief hope of the revolutionary organization now centers in the outbreak in Eastern Macedonia, which is expected to assume considerable proportions, as the leaders there are all officers of the Bulgarian reserve. This, the sympathizers with the Macedonian cause hope, will arouse a war feeling in the Bulgarian army and force the government to espouse the Macedonian cause.

Fighting on Frontier.

A dispatch from Rila reports continuous fighting all along the lines across the Turkish frontier, results of which are at present unknown.

It is stated that the town of Razlog has been destroyed by the Turks and the Christian population massacred. Fugitives are arriving in hundreds. All the wires have been cut. The Turkish troops are flying in disorder from Butchevo.

The official report of the reply made by Premier Petroff to the committee appointed by the Macedonian demonstration Sunday, which waited on him and asked if the government intended to do anything to help Macedonia, said no government could have Macedonian interests more at heart. The recent events had not modified the government's constant desire to avoid disputes with Turkey. The ministers would neglect nothing in the interest of the Bulgarians in Macedonia without nevertheless risking Bulgaria's vital interests, which must always have precedence over the sympathy and duty toward their brethren in Turkey.

Wants Corps of Red Cross.

Salonica, Macedonia, Sept. 30.—The American mission has presented a petition to Minister Leishman and Sir Nicholas R. O'Conor, the British ambassador, requesting them to secure the admission of a corps of the Red Cross society into Turkey, or, as an alternative, permission for the members of the American mission to dispense charity.

Odessa, Sept. 30.—The Bourse Gazette asserts that the coming meeting between Count Lamsdorff and Count Goulouchowski, respectively Russian and Austro-Hungarian foreign ministers, will be followed by a notification to the porte that the powers insist upon the execution of the Austro-Hungarian reforms in Macedonia being entrusted to an executive Christian commission.

CURES KIDNEY AND BLADDER TROUBLES,

Rheumatism, All Diseases of the Blood, Backache, Nervous Dyspepsia, Clear the Complexion and Aid Digestion.

Give you a good appetite, renew life cells in young and old. Permanently restore youthful vigor and vitality. They tone up the whole system and make you feel like a new person. No remedy in the world to equal them. Take a few Nervan Tablets and note the wonderful effect.

ALCOHOL IN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMNS THEM.

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, and instead of being merely lazy the kidneys will become diseased. Alcohol congests the kidneys with blood and retards their activity.

There is no Alcohol in Nervan Tablets to interfere with the removal of all harmful sediment from the body. The Tablets soothe and heal the kidneys when they are irritated and inflamed. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often during the day and night; that cause rheumatism, catarrh of the bladder, pain in the back, joints and muscles; that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, Nervan Tablets.

At last the city council has awakened to the fact that it is time to act regarding the bond sale. The fact that the city is still embarrassed for money and paying 7 per cent interest on a portion of its indebtedness while about $93,000 worth of bonds, after a whole summer devoted to them, still lie idle and unsold, is not creditable to the business reputation of an enterprising city. The evident inclination to try to shift responsibility for the delay to the shoulders of the tax commission should deceive no one. The tax commission has no legal right to conduct a bond sale and no such power has been delegated to it by council. The latter body is at liberty to seek its advice, and that is all. Had the tax commission been entrusted with the duty of selling the bonds, it is not likely they would now remain unsold. Council should take prompt steps to dispose of the matter. Further delay is unnecessary and unjustifiable.

Great tax reformers are Tom Johnson and his brigade of official taxeaters in Cleveland. They receive nearly $300,000 in salaries every year, but only return enough property for taxation to produce a little over $1,200 a year in taxes. Tom is a multi-millionaire, but pays taxes of a little over $400 a year, and his chief henchman, County Clerk Salen, who receives $50,000 a year salary, makes no return whatever for taxation.

Mr. Harry A. Garfield has accepted the chair of politics in Princeton college. This involves considerable pecuniary sacrifice, as his law practice in Cleveland is stated to be worth about $20,000 per year. There are not many men who would give up more than three-fourth of their income for the honor of a professorship.

The telephone agitation has resulted in making talk a trifle cheaper than it might otherwise have been. That is something, but it was not all that the people wanted. The present systems are to continue, and everybody is hoping the rivalry of the two companies will result in improved service.

The policeman's lot may not be a happy one, but it is a picnic compared with that of a police chief who finds every morning when he wakes up that some new scheme has been hatched during the night for the purpose of depriving him of his official head.

Ninety-nine cranks out of every hundred who call on the president do so for the purpose of getting their names in the newspapers. Still it is well to watch the hundredth man. He may be dangerous.

A NEGLECTED WIFE ASKS A DIVORCE

Mrs. Archie T. Chapman, of This City, Sues for Legal Separation from Her Husband.

Lisbon, September 30.—(Special.)—America A. Chapman, of East Liverpool, has begun action for divorce from Archie T. Chapman, of that city. The petition says they were married April 13, 1879, near Ripley, Jackson county, W. Va., and that they have seven children, the youngest being five years old. Mrs. Chapman charges unfaithfulness, alleging that on April 10 1902, her husband was guilty with one Josephine Ritchey, at the residence of the latter in East Liverpool, and that his relations with this co-respondent have frequently been improper, both in East Liverpool and Portsmouth.

For the last two and a half years the wife says her husband has neglected her and she has had to support herself and her two youngest children. The wife asks for the custody of her minor children. Judge J. G. Moore, of Lisbon, is the plaintiff's attorney.

AT THE THEATER

If there be anything in a name, "Our New Minister" ought to follow well in the footsteps of Denman Thompson and George W. Ryer's earlier success, "The Old Homestead." As a work of art it brought the whole town to its feet on its presentation here last year, and if this engagement at the Grand is not one of the season's successes it will be proof indeed that theater goers tastes have deteriorated. "Our New Minister" came here last season almost unheralded, little expected of it—since it was practically unknown outside of Boston and the eastern circuit—it met a fate that no press agent's attempts, no sensational advertising could give it, it scored a triumph. Judging from the advance sale of seats, "Our New Minister" will have a packed house. Secure your tickets early. At the Grand Friday night.

The theatergoing public hail with delight the good news that our friend, "Uncle Josh Spruceby," is here tonight. This company, which has made an exceptionally strong impression wherever it has appeared, has many friends here. The organization this year is better than ever, all the old favorites being retained and capable new ones added. The play is one of those homely New England dramas with a beautiful story running through it. Strict attention has been paid to detail and a full new set of scenery has been painted for this season. Undoubtedly a big crowd will attend to welcome "Sally," "Dutch," "Out o' Sight," the "Hayseed bandand "Uncle Josh Spruceby" himself.

Bennett & Moulton company will be the attraction at the Grand all next week. Among the plays to be given this season are "A Daughter of the People," "Outcasts of Society," "Shipwrecked," "The Lyndon Bank Robbery," and many of equal merit. Everything this season is bran new and the excellent reputation that this company has will be kept up. Matinee will be given Saturday. Tickets will go on sale Saturday.

DAVIDSON'S PETITION IN WYMAN MATTER

Continued from First Page

in East Liverpool. Mr. Wyman was among those who took the examination. The plaintiff alleges that Mr. Wyman was disqualified from taking this examination by reason of the personal solicitation in his behalf, but that, notwithstanding the protests of the city solicitor, Mr. Wyman was permitted to take the examination.

The petition further recites that the municipal code provides for the filling of vacancies by promotion when practicable and alleges that, notwithstanding the fact that Mr. Wyman was ineligible to take the examination and that he was not in the classified service, he was permitted to take the examination and will be appointed chief of police regardless of the conditions imposed by the municipal code unless the city authorities are restrained.

The petition further says that at no time since the enactment of the new code has Mr. Wyman been connected with the police department except in the manner stated, and that it has been practicable at all times since to fill by promotion the present vacant office of chief of police.

MORE TIME ASKED BY BOND BUYERS

Council Gives Williams & Co. Until Friday to Produce the Cash.

ANOTHER SALE PROBABLE

It Will Be Necessary in Case the Pittsburgers Fail to Come to Time—The Delay a Serious Embarrassment to the City.

After considerable delay, six members of council, President Horwell, Barlow, Bullock, Cannon, Moon and Johnston, got together in adjourned session last evening. The object of the meeting was to take final action on the disposition of the $92,925 worth of bonds, which have been causing so much worry during the past few weeks.

In the absence of Auditor Davidson, Mr. Bullock acted as clerk and immediately after the body was called to order he read a communication from C. R. Williams & Co., of Pittsburg, who made the city an offer of $200 premium for the bonds. As was stated in the News Review last evening, the company wants a few more days in which to sell the bonds. The members of council were decidedly against giving any more time, but they simply could do nothing else. They have been made an offer by two other bond buyers, but they have no evidence that these concerns will be more active than the Pittsburg company. It was finally decided that action should be withheld until Friday evening. Upon that date, if the bonds are not disposed of and the money is not in the hands of the proper authorities, the sale to the Pittsburg people will be called off. The tax commission has been invited to attend the next meeting and its members will be asked for advice in regard to the sale.

There are many reasons why the bonds should be sold, but probably the most important ones are that every day they remain in the hands of the city interest amounting to a large figure is constantly piling up and if they are not soon sold the money market in East Liverpool will be in a worse condition than it is over the country in general. It is said there is not a bank in the city that is not cramped at the present time, and especially is that so with those to which the city is indebted. It is this fact that is influencing a number of the most prominent business men of the city to express themselves so heartily in favor of having a quick sale made.

Contrary to their announced intention, the members of council failed to pass an appropriation ordinance for the purpose of placing a sufficient amount of money in the treasury to meet the general running expenses of the city. For some unknown reason this matter was also deferred until the special meeting.

Auditor Davidson asked council for a leave of absence commencing October 6 and lasting a week. The request was honored.

UNBOUNDED FAITH IN MI-O- NA

Will Reed Will Refund Money If It Fails to Increase Flesh and Cure Dyspepsia.

"I have been in the drug business long enough to know that there are very few remedies that can be sold on a guarantee to refund the money if they do not give satisfaction.

"I have sold so much Mi-o-na and seen such remarkable results following its use that I welcome the chance to convince any doubter of its merit, by offering to give with each package of Mi-o-na a written guarantee to refund the money if it does not give an increase in weight, regulate the digestion and restore health.

"If you cannot call at my store, send me the price of Mi-o-na, 50c, by mail and I will forward you a regular size box, postage paid, with the same agreement to refund the money if it does not give satisfaction."

Anyone who has been losing flesh, or who has always been too thin, should use Mi-o-na. Thinness and scrawniness are signs that the food is not properly assimilated and that you do not get the nourishment from it that you should.

Mi-o-na mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs and puts the whole system in a proper physical condition.

Remember that you risk nothing in buying Mi-o-na. If it fails to give you the desired effect, the cost is trifling. If it fails, Will Reed will pay for the remedy himself.

THE HARTLEY WILL CASE

Raises Another Problem for the Solution of the Common Pleas Court.

Lisbon, September 30.—(Special.)—Court was asked this morning to appoint Byron Hutson and Frank Pumphrey executors of the estate of the late Abraham Hartley, of Salineville, they being named to act in that capacity in the alleged will sustained by a jury last term, in which Lina E. Hartley was plaintiff against Mary E. Burris et al. A hearing of the case on error is now pending in circuit court.

Benjamin Evans, of Salineville, has been serving as a special administrator during the litigation in the lower courts as to the will. The question was argued at some length this morning, Judge Hole reserving his decision.

Fuddling Cups.

An article in the Burlington Magazine describes some early English earthenware drinking cups of eccentric patterns. The principal feature of most of the quaint tygs, or loving cups, is their astonishing number of handles, which range from two to as many as twelve. It is supposed that the purpose of this equipment was that the cup might pass from hand to hand and each guest have a fresh portion of the rim to himself, no doubt an excellent arrangement for the first time round! Not content with half a dozen or so of full grown handles, the potter frequently inserted between each of them a sort of rudimentary handle, consisting of a looped strip of clay. The "fuddling cup" is a cluster of half a dozen good sized cups joined together. When it is realized that the six cups communicate with each other internally, so that to empty one you must empty all, the force of the name will be apparent. Any doubt as to the use of these formidable vessels is dispelled by the inscription: "Fill me full of sidar. Drink of me."

At the Top of St. Peter's.

One needs to climb to the top of St. Peter's to understand best how its builders sought to overawe its beholders. Then the colossal proportions of every detail become apparent; then one may discover that the pen in the hand of St. Mark is as long as a six foot grenadier. On approaching the row of apostles which stand along the edge of the roof and which seem to the bystander in the street below of the size of ordinary human beings one will find gigantic figures whose eyes are as big as men's heads and whose fingers vie in size with an athlete's forearm. The roof is indeed a city in itself, for here are rows of houses where the workmen who are constantly employed in repairing the cathedral have their homes. A fountain supplies them with water, and their provisions are brought to them on the backs of donkeys driven up the broad and easy incline of the stairway.

An Ailment of the Feet.

Poetry is at last classified. The Washington Post tells a story of some children who were discussing the perfections and usefulness of their respective fathers.

"My father's the best man in the world," said one little girl. "He is a minister. He makes people go to church."

"Mine is the best," piped up another. "He's a doctor. He makes sick people well so they can go to church."

Three or four more enlarged upon the benefit the world derived from their fathers, and it finally came the turn of a sweet, blue eyed little girl.

"My papa's the best of all," she said. "He's a poet."

"A poet!" said another, joining the group. "Why, a poet isn't a profession! It's a disease!"

A Henry George Tax.

The last campaign in which Henry George was permitted to engage abounded in wordy encounters. In making squelching rejoinders to impertinent questions the famous single taxer could not be excelled. During one of his addresses Henry George remarked that a lifetime had been devoted to the dissemination of his single tax views.

"And what have you accomplished?" inquired a voice in the audience.

"Taxed New York's halls to their greatest capacities," said the orator suavely. And a delighted audience would not permit him to continue for some minutes.

A Literal Minded Class.

A teacher in one of the schools near Philadelphia had one day been so disturbed by the buzzing of lips and shuffling of feet of the children that she was on the verge of distraction. Finally she said: "Children, I cannot stand so much noise. Please be quiet for a little while, at least. Let me see if you can't be so still that you could hear a pin drop."

Instantly every child became as still as a mouse. Then a little boy in a back seat piped out, with marked impatience:

"Well, let her drop!"—Philadelphia Ledger.

He Loved His Enemies.

James MacNeill Whistler looked upon life as upon a kind of warfare and was never so happy as when he was quarreling with somebody. He is quoted as having said when asked if he did not have many friends: "Yes, I have many friends, and I am grateful to them, but those whom most I love are my enemies, not in a Biblical sense. Oh, no, but because they keep one always busy, always up to the mark, either fighting them or proving them idiots."

LISBON WILL STAND BY THE BELL PEOPLE

Business Association Adopts Strong Declaration on the Telephone Question.

Lisbon, September 30.—(Special)—The Lisbon Business association met last evening and adopted the following announcement, printed copies of which will be circulated:

"To the telephone users of Lisbon and vicinity:

"The Business association announces that it will use the Bell telephone after October 1 and will discontinue the Columbiana County telephone. This action was taken on account of the Columbiana County Telephone company adopting a new schedule of rate to take effect October 1, and as said company did not offer its special local rate until the business people had contracted for a Bell telephone, the Business association leaves it to each individual subscriber to decide whether said company would have offered this special rate if the above action had not been taken by the association. The association believes that in protecting itself it has also protected each telephone subscriber.

"Owing to the confusion which seems to exist in regards to the telephone situation, the business association issues this circular containing the names of those who have already contracted for the Bell 'phone."

Then follow the names of 88 business firms and private citizens who have signed contracts for the Bell telephone.

Retail Grocers Combine.

Cincinnati, Sept. 30.—A combination of grocers in Ohio, Indiana and Kentucky, with a capital of $3,000,000, was organized here. This combination is composed of retail men, some of them having as many as 50 stores, and its announced purpose is to protect itself from the combination of wholesale grocers in the middle states, who recently organized under a New Jersey incorporation. It was announced that a large wholesale jobbing house would be established here for the distribution of goods to the retailers.

Wants Share of Fortune.

Tiffin, O., Sept. 30.—Suit was filed by Frank Guss to set aside the will of his sister, Charlotte Hoyt, wife of Reuben Hoyt, a New York multi-millionaire. She died in Tiffin several months ago, leaving five wills, one of which, bequeathing the bulk of her fortune, amounting to $100,000, to Judge Bunn, a prominent Tiffin lawyer, was probated. Her brothers and sisters were not mentioned in the will and are trying to get a share of the fortune, alleging that she was of unsound mind.

Railway Companies Consolidate.

Columbus, O., Sept. 30.—Articles of consolidation were filed with the secretary of state by the Youngstown and Southern Railway company and the Youngstown and Salem Railway company, taking the name of the former. The capital stock is $1,800,000. The incorporators are A. W. Jones, John H. Ruhmann, W. H. Ruhmann, J. R. Long, W. S. Andrews and R. L. Andrews.

Injured in Elevator Accident.

Columbus, O., Sept. 30.—The cylinder head of the hydraulic elevator at G. T. McAuley's wholesale millinery house blew out, allowing the elevator to fall from the third floor to the basement. There were six employes in the car, four women and two men. All were injured but none fatally. The safety clutch failed to work.

HANLON BESTS YANGER.

Given Dicision in Hard-Fought Battle at San Francisco.

Mechanics' Pavilion, San Francisco, Sept. 30.—Eddie Hanlon, of this city, received a decision over Benny Yanger, of Chicago, after 20 rounds of furious fighting. Incidentally the spectators were treated to an exhibition of gameness on the part of Yanger as is seldom witnessed in the prize ring.

It was a hard-fought battle, in which Hanlon for the first time abandoned his crouch. In the beginning of the sixth round he stood up and fought without his crouch. Prior to that and up to the ninth Yanger had somewhat the better of it on points. He reached Hanlon time and again without a return and Hanlon, coming in, punished the Slasher severely with his right. Hanlon up to this period showed no advantage. This was the first round which could be called a Hanlon round. From this time on to the sixteenth he held his own.

In the sixteenth round Hanlon knocked his opponent down with a right hook on the jaw and seemed to have Yanger at his mercy. By hanging on, however, Yanger managed to last through the round, although Hanlon tried desperately to land a knockout punch. In the seventeenth, eighteenth and nineteenth Yanger seemed to have recovered. The last minute of the twentieth round Yanger was again floored with a right and left hook on the jaw, and it looked as if the call of time saved him from a knockout.

Yanger fought with the greatest gameness and proved much the clever of the two, notwithstanding that Hanlon showed much improvement. There was never one moment's rest during the fight. Hanlon was always after his man.

Vista Tilley Opens at Youngstown.

Youngstown, O., Sept. 30.—Vista Tilley, the English comedienne, made her initial appearance in this country at the opera house in Clyde Fitch's new comedy "Algy." The play is a sprightly whimsicality, full of bright lines and amusing situations, in which Miss Tilley has ample opportunity to sustain her reputation as being without an equal in wearing men's garments and also to prove her ability as a comedienne. In the first and third acts Miss Tilley wore gowns, the first time she has done so on the stage. The supporting company was first class and the audience seemed pleased with the entertainment.

SOCIAL EVENTS

The Mock Trial.

Col. A. V. Newton, of Worcester, Mass., who is the author and principal fun-maker of the mock trial at the opera house tomorrow night, will arrive tomorrow morning and the rehearsal of the principals will be held at 4 o'clock at the opera house. Attorney Frank E. Grosshans does not propose that Mr. Newton shall have it all his own way and will probably have several surprises for the versatile colonel. There will be lots of fun for the spectators. Judge Wright indignantly denies that he has been approached by either side. It is hinted that the aforesaid denial is a bid for an approach—if the consideration is sufficient.

Devlin-Haldeman.

John C. Haldeman, a well known young machinist, of Salem, now employed in Youngstown, and Miss Mary Devlin, formerly of this city, now of St. Paul's parish, Salem, were married at 7 o'clock Monday evening by Rev. Father T. J. Conlon at his residence on McKinley avenue in that city. Miss Catherine Hanley and Mr. John McNicol were the attendants, and soon after the ceremony Mr. and Mrs. Haldeman left on a wedding trip to Cleveland and elsewhere.

Coming Wedding.

A prominent social function which will take place next week will be the marriage of Miss Clara, daughter of Mr. and Mrs. Edward A. Devon, to Mr. Ira A. Geiselman, a prominent young business man of this city. The ceremony will take place at St. Stephen's church on Thursday afternoon, October 15, at 3 o'clock, Rev. Edwin Weary officiating. Both the bride elect and her fiancee are popular and leading society young people, who have a large number of friends.

Andrews-Colclough.

ARCHER WANTS TO HANDLE MAIL

The Ex-Senator Aspires to the Postmasteship of Bellaire.

IN STATE'S STRONG BOX

Is a Sum Collected By George M. Collier, the Absconding Examiner of Engineers — Tramp Mayor Now Starting In a New Role.

From a Staff Correspondent.

Columbus, September 30. — Hon Frank B. Archer, of Belmont, is still an aspirant for political honors. He wants the Bellaire postmastership, which pays a good salary and which is filled by his chiefest political enemy, Johnny Gow. Gow was for Armstrong as against Weems for the congressional delegates in Belmont county, and as Weems will be the next congressman it is morally sure that Gow will soon be out of a job. Archer was for Weems principally because of his antipathy to Gow. Before the recent fight for Congressman Gill's shoes was on he was not regarded as friendly to Weems. It is to be expected there will be other seekers after the berth Archer wants. Weems' nomination was a keen disappointment to the friends of Mr. Gill, largely because of the loss of patronage they will suffer.

State Treasurer I. B. Cameron has collected for the state $2,966.27, which was on deposit in the Hayden-Clinton bank in this city in the name of Geo. M. Collier, the absconding state examiner of engineers and the sum is now in the state's strong box. The agent of the company which bonded Collier stated Monday that the bond would be paid as soon as the state formally requested this. W. E. Kennedy, of Cincinnati, Collier's successor, returned to his home and will assume active charge of the office on Thursday. It is not thought likely he will make any change in the force. A new supply of licenses bearing the name of Mr. Kennedy will be necessary, as the licenses containing Collier's name are now illegal. Until the new ones are available the work of the department will practically be at a standstill.

Alonzo Weed, the diminutive mayor of Amesville, who has been jailed no less than a dozen times in this city for drunkenness during the past four weeks, is now starring in another freak role. He was arrested Saturday, released Sunday and on Monday hired himself as a porter in a local saloon. The proprietor has an eye to business and figures his honor will be a drawing card. He is to receive no salary, but is to have all he can eat and drink. He says he will never return to Amesville.

Word has been received that Bryan will spend three days in Ohio and will arrive October 5. He will probably speak at the places he was compelled to skip on his visit to the state about five weeks ago. Chairman Salen, of the Democratic state committee, has invited Colonel Herrick to debate with Johnson.

State School Commissioner L. D. Bonebrake is at work on the re-classification of the high schools of the state and expects to complete it by November. He says that the standard of curriculum is being raised, and instead of 179 first grade high schools this year there will be about 200. A number will also be advanced from the second to third grade. The law providing for the classification of high schools was passed two years ago, Representative Clement Brumbaugh, of Darke, being the author.

Fisherman's Awful Catch.

Jamestown, N. Y., Sept. 30.—F. W. Hinkle, of Cincinnati, while fishing in Chautauqua lake, felt a tug on his line and upon pulling the hook to the surface was horrified to find the body of a man. The body was later identified as Aaron Spencer, 50 years old, a resident of Boomertown. Spencer left Lakewood Sunday in company with Fred Metcalfe, of Boomertown, and had not since been seen.

Postmasters Appointed.

Washington, Sept. 30.—The following postmasters were appointed: Pennsylvania—Bradleytown, Venango county, James B. Arters; Brush Valley, Indiana county, Mary A. Davis. Ohio—Haydenville, Hocking county, Fannie McFadden. West Virginia—Coalwood, McDowell county, Aaron Collier Peabody, Wetzel county, Albert Garner; Red Creek, Tucker county, Martin V. Boner.

Cassatt Resigns.

Newark, N. J., Sept. 30.—Alexander J. Cassatt, president of the Pennsylvania Railroad company, has resigned as third vice president of the Public Service corporation, and A. B. Carlton, president of the United Electric company before it was absorbed by the Public Service corporation, was elected in his place.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Bellville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

Lynchers to Go Free.

Wilmington, Del., Sept. 30.—The grand jury announced that it had decided to ignore the bill against those charged with being concerned in the burning at the stake of George White, the negro who assaulted and murdered Miss Helen Bishop.

Hagee's Cordial of Cod Liver Oil is for both prevention and cure. It heads off disease by strengthening the system. It cures coughs, colds bronchitis, consumption and many other disorders in the most rational way.

Hagee's is cod liver oil without grease.

Jealousy Causes Tragedy.

San Francisco, Sept. 30.—Marie Jordan, a cloak saleswoman, was shot dead on the street by Edward De La Brousse, who then fired a shot into his head, inflicting a wound which probably will prove fatal. They were both under 30 years of age. The tragedy was the result of jealousy.

It's folly to suffer from that horrible plague of the night, itching piles. Doan's Ointment cures, quickly and permanently. At any drug store, 50 cents.

ROVERS ARE ANXIOUS FOR ANOTHER TRIAL

But Are Not Likely to Accept the Challenge of the Rovers to Play For $100.

While it is not likely that the Rovers will accept the challenge of the Oaklands to play another game for a purse of $100, under the conditions imposed by Manager Weaver, they are anxious for another contest later in the season. The Rovers expect to play several men, who it is claimed have been members of the team since last season, although they have not taken part in the games. One of these men is "Lefty" Baker, the big full back of last year's first team. The backs would then be Baker, Cartwright and Mardy. Young Burgess, the B. A. C. full back, has joined the team and will add strength to it. Burgess has the making of a great player, his work at the News Review game attracting a great deal of attention. His weight is 174 pounds. It is reported that Lem Harvey has left the Oaklands to join the Rovers. Harvey is said to have the best interference of any player in town.

Manager Hughes, of the Rovers, called at the News Review office this morning and stated the conditions under which the two teams can meet again. The Rovers do not care to cancel any of their games and they are booked for every Saturday, including the date Manager Weaver wanted to play. It has been suggested that the game be deferred until Thanksgiving day, when all the friends of the two teams will have the opportunity of attending. The Rovers have a Thanksgiving date but are willing to cancel. They are also willing to play for a purse and the entire receipts.

Will Invade Wellsville.

Loyal to the utmost for the success of the eleven that is to play foot ball under their name, the members of the East Liverpool high school will invade Wellsville Friday afternoon to encourage them in the great game with the Wellsville high school eleven. The colors will be flung to the breeze and the invaders will "root" lustily that they may not be trailed in the dust. There are several hundred members of the newly organized athletic society and all of them will attend. Many other members of the school and friends of the players will be there.

Frank Moore In Town.

Frank Moore, the popular foot ball player, now with the Josh Spruceby band, dropped into town yesterday to look up his friends among the foot ball squad. His company played in Wellsville last night and will be at the Grand tonight.

Woman's Sensational Suicide.

Kansas City, Sept. 30.—While suffering from temporary insanity Miss Adelaide Pribbenow, a music teacher, whose parents live in Omaha, jumped from the third-story window of a fashionable hotel, ran 10 blocks to the railroad yards in the north end of the city, threw herself in front of a passing train and was ground to pieces. Her fall from the window was checked by the roof of an adjoining building from which she fell to the ground below, which was soft, owing to rain. Her friends in the hotel rushed out expecting to find her body on the ground. Instead there was no trace of her, nor did they get a glimpse of her until her mangled body was found on the railroad track.

Hanna Has Narrow Escape.

Berlin Heights, O., Sept. 30.—The private electric car carrying Senator Hanna and others from Cleveland to the Republican meeting here struck a derailing switch three miles east of Berlin Heights and jumped the track while running at a rapid rate of speed. All the occupants of the car were thrown into a heap at one end of the coach, but aside from being badly shaken up all escaped serious injury.

Murder Mystery Still Unsolved.

Elyria, O., Sept. 30.—The grand jury of Lorain county, which has been investigating the Reichlin murder case for several days past, completed its labors and reported no indictments. This is taken to mean that, notwithstanding the large number of witnesses examined, nothing really definite as to who killed Agatha Reichlin was brought out.

SITUATION AT THE SOO

Number of Men Arrested for Being Implicated in Riots. Everything Now Quiet.

DISCHARGED MEN IN DEMAND

Employment Agencies Offer Places to Many—Woodmen at Wilde Station Attack Train Crew—No Destitution Exists—Mayor's Statement.

Sault Ste. Marie, Sept. 30.—A detachment of the Canadian militia which has been ordered to the Soo arrived here shortly after midnight.

Sault Ste. Marie, Mich., Sept. 30.—The arrest of nine men charged with being implicated in the riot at the Canadian Soo and an attempt of a number of men forcibly to resist detention by the concern at Wilde station, on the Algoma Central, were among the developments in the situation at the Soo. Numerous requests by employment agencies for the services of employes thrown out of work by the closing of the concern and its various affiliated companies, to which they are responding, and the absence of destitution have given the men hope, and with the exception of the incident mentioned everything is quet.

Mayor Plummer has, with the sanction of the municipality, readily aided the needy, who were declared to be few, but he announced that on the arrival of a detachment of militia all unemployed men of the company who have refused to accept the offers of work elsewhere will be forced to leave. Since the attack by the mob on the company's offices the local militia, reinforced by the police, has guarded the plant and industries of the company, but order has been observed and communication between the two Soos was resumed. It is planned also to start the street cars on the Canada side.

Awaiting Arrival of Troops.

There are 500 woodsmen in the camps of the company, but as a measure of protection the company will not allow them to come in until all of the troops en route have arrived. Although they are said to be well provided with food and have good sleeping quarters, the men are dissatisfied which has caused them to protest against being left at Wilde station.

The men became angry when told they would be held at the station over night and began to throw rocks at the engine crew. The fusillade of missiles became so heavy that to escape with their lives the crew, under pretense of switching the train after an engine and two coaches had been uncoupled, started down the main track on the Algoma Central road, leaving the foreigners behind. Some of them, unwilling to stay there, have walked to the Soo.

Mayor Plummer's Statement.

In a statement by Mayor Plummer denying that there had been destitution there, he said: "At my suggestion municipal funds were used to help men who had been thrown out of employment and were in need. They were given checks for meals and men with families were supplied with the necessities of life. All who requested aid were given it, and, although the sudden loss of employment meant hardships for men with families, there never has been any destitution. The company by which the men had been employed also aided them when aid was needed. I have telegrams from numbers of employment agencies stating that all who want employment may have it and at better wages than they had been paid by the company. Many are accepting the offers—even the men who have families—although they dislike to quit their homes here."

Mr. Coyne also said that his company had been liberal in providing for the men, but that some had refused to avail themselves of the offers, preferring to wait until funds could be secured by the company that they might cash their pay checks and living on the small earnings they had saved.

The Cause of Many Sudden Deaths.

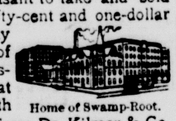

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. YELLOW FEVER ON INCREASE.

Laredo, Tex., Has 37 Cases—Vice Consul Kimball a Victim.

Laredo, Tex., Sept. 30.—The yellow fever situation is beginning to assume a very grave phase. There are now in this city 37 cases of fever, 16 of which have been pronounced genuine by the marine hospital service experts in charge; 10 cases have been pronounced suspicious and 11 new cases have been reported. The majority of the cases are confined to a certain district of the city, with the exception of some of the new cases. The work of placing the city in a perfect sanitary condition is being effectively and scientifically brought about under the direction of the yellow fever experts on the ground

A second detention camp has been established at Cactus, a station on the line of the International and Great Northern railroad, about 15 miles from Laredo.

The conditions in Neuvo Laredo are not very encouraging. One death occurred during the day. It is impossible to learn from the Mexican authorities how many cases exist. Among the cases reported as very grave is that of United States Vice Consul J. F. Kimball.

Nuevo Laredo established a strict quarantine against the city. No official news has been sent from Monterey, but it is learned on what is considered good authority that there are at least 10 new cases of fever there.

Houston, Tex., Sept. 30.—Federal Judge Burns made an order releasing all the federal prisoners held in the county jail at Laredo, the yellow fever being the reason. Most of the prisoners were held on charges of smuggling.

Tin Ore Ledge Discovered.

Butte, Mont., Sept. 30.—A 100-foot ledge of tin ore has been discovered near Lost river, in the Cape York district, north of Cape Nome. One hundred pounds of sample rock will be shipped to Pittsburg. Details of the discovery, which it is claimed may prove the greatest known anywhere, are given by Joseph Hutchinson, who represents eastern capitalists associated with the American Tin Plate company.

Oldfield Makes Fast Time.

Cleveland, Sept. 30.—Barney Oldfield reeled off some fast miles at the Glenville track. He went to try out the new 41-inch tires which were lately affixed to his automobile and after a few warming-up miles, he reeled off five laps in 4:58 4-5, an average of 59 9-25 seconds per mile. His time for each mile was: First, 1:00 2-5; second, 1:00; third :59; fourth, 59; fifth, :58 2-5.

President Renders Final Decision in Case of Foreman W. A. Miller.

TALKED WITH LABOR LEADERS

Aims to Do Equal and Exact Justice to All—No Discrimination Between Union and Non-Union Men—Simply Acting for the Government.

Washington, Sept. 30.—An important conference took place at the White House between President Roosevelt and five members of the executive council of the American Federation of Labor, including President Gompers and Mr. Mitchell, head of the miners' union, during which the case of Foreman W. A. Miller, of the government printing office, who was dismissed because he had been expelled from the local bookbinders' union and afterward was reinstated by direction of the president, was the principal topic of discussion. The conference was granted at the request of the labor leaders. The Miller case was very fuly presented by the members of the executive council, at the close of which the president made a statement in which he announced that his decision not to dismiss Miller was final and that the question of his personal fitness must be settled in the regular routine of administration. The statement in full is as follows:

"I thank you and your committee for your courtesy and I appreciate the opportunity to meet with you. It will always be a pleasure to see you or any representatives of your organizations or of your federation as a whole.

"As regards the Miller case I have little to add to what I have already said. In dealing with it I ask you to remember that I am dealing purely with the relation of the government to its employes. I must govern my action by the laws of the land which I am sworn to administer and which differentiate any case in which the government of the United States is a party from all other cases whatsoever. These laws are enacted for the benefit of the whole people, and cannot and must not be construed as permitting discrimination against some of the people. I am president of all the people of the United States, without regard to creed, color, birthplace, occupation or social condition. My aim is to do equal and exact justice among them all. In the employment and dismissal of men in the government service I can no more recognize the fact that a man does not belong to a union as being for or against him than I can recognize the fact that he is a Protestant or a Catholic, a Jew or a Gentile, as being for or against him.

"In the communications sent me by various labor organizations protesting against the retention of Miller in the government printing office the grounds alleged are twofold: 1, that he is a non-union man; 2, that he is not personally fit. The question of his personal fitness is one to be settled in the routine of administrative detail and cannot be allowed to conflict with or to complicate the larger question of governmental discrimination for or against him or any other man because he is or is not a member of a union. This is the only question now before me for decision, and as to this my decision is final."

Dickens' Birthplace Sold.

London, Sept. 30.—The birthplace of Charles Dickens, 387 Commerciai road, Landport, North Portsmouth dockyard, where his father was a clerk, in which the author spent the early part of his life, was sold by auction at Portsmouth and bought in for $5,625 by the mayor, representing the city of Portsmouth. There was a large attendance at the sale, which was followed by speeches congratulating the municipality of Portsmouth on its action, to which the mayor responded. A Dickens' museum will probably be established in the house.

Colombian Congress Costly.

Colon, Colombia, Sept. 30.—News from the interior says Vice President Marroquin and his son have publicly announced that it is not their intention to be candidates for the presidency or vice presidency of the republic. General Reyes is still the candidate most likely to be elected. The Porvenir of Cartagena says that after being 90 days in session congress passed five unimportant bills and cost the country, already impoverished, 3,240,000 pesos, equivalent to $40,000.

Mothers, do you know

that a perfectly healthy baby never cries. When the little one does cry there's something wrong, and generally it's the stomach. Paregoric, Soothing Syrups, Cordials, Teething Syrups and Pain Killers contain opium and morphine. Don't use them. They are harmful—costly, too. Such drugs constipate and derange the digestive organs.

Dr. Caldwell's Syrup Pepsin

(A LAXATIVE)

is pleasant to take, augments and supplies the natural digestive ferment, acting as a gentle laxative by the power to assimilate food, makes and keeps babies in health and good humor. A trial will convince you.

MRS. ALLIE JACKSON, of Farmer City, Ill., writes: My seven-months-old baby was troubled a great deal with his stomach and bowels. I had tried numerous remedies with no good results, until the baby lost much flesh and was in very poor health. A friend recommended Caldwell's Syrup Pepsin. I procured a 50c bottle at the drug store and gave the contents to the baby according to directions, after which there was a decided improvement in his condition. Have been giving him Syrup Pepsin for about a month, with very satisfactory results, his stomach and bowels being in good, healthy condition and his former weight regained.

Your druggist sells it. If not, send us his name and we will send sample bottle FREE.

MARCH WITHOUT MUSIC.

Chicago's Centennial Parade Draws Big Crowd—Bands Were Scarce.

Chicago, Sept. 30.—The great parade of the centennial celebration which filed for three hours through the streets was a wonderful success. A crowd estimated at 1,000,000 people lined the streets through which the procession passed and cheered its features lustily.

The parade was pratically destitute of music, with the exception of the bands belonging to the regiments of the national guard. The regimental commanders during the day informed their musicians that they either must march with the balance of the men or they would be court-martialed and dismissed in disgrace from the military service of the state. President Kennedy, of the musicians' union, when confronted with this situation, said the men would not be fined if they turned out, and as a consequence the regiments marched with the usual music.

A few amateur bands were scattered throughout the parade and all of them were lustily cheered by the crowd as they passed along. A large number of floats were exhibited in the parade, some of them of great beauty.

Strong Verdict of Coroner's Jury.

Lynchburg, Tenn., Sept. 30.—The coroner's jury has returned a verdict to the effect that Allen Small, who was killed last Thursday night during a raid on the Moore county jail, was deliberately, maliciously and premeditatedly murdered and 27 men are named in the verdict as guilty of the crime. Fourteen of the mob are under arrest and warrants for the others have been issued. Three of the prisoners have turned state's evidence and have been released on bond on condition that they will appear as witnesses for the prosecution.

Officer's Big Fee.

Bridgeport, Conn., Sept. 30.—Deputy Sheriff Peter Doolin, who served the writs in the suit brought by D. E. Loewe & Co., hatters, of Danbury, against the officers of the National Federation of Labor and the United Hatters of North America and 250 members of the latter organization as individuals, received the largest fee ever granted to a court officer in Connecticut. Doolin returned reports to the superior court and his fee for mileage, searching records, etc., amounted to $2,860.40.

Big Roll Disappears.

New York, Sept. 30.—The loss of a roll of bills amounting to $2,000 in the cafe of the Waldorf-Astoria by a guest of the hotel has startled not only the patrons, but the management to unusual activity. The fat roll was placed on the table by one of the wealthy patrons while dining. His back was turned only a few seconds, but when he reached for it the money was gone

CANCEROUS ULCERS

ROOTED IN THE BLOOD.

After the age of 45 or 50, when the vital powers are naturally weaker, it is noticed that a hurt of any kind heals slowly and often a very insignificant scratch or bruise becomes a bad ulcer or sore. At this time of life warty growths, moles and pimples that have been on the body almost from birth begin to inflame and fester, and before very long are large eating ulcers.

Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years, is beginning to assert itself, and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps, salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood and a tonic to build up the general system is what is needed, and S. S. S. is just such a remedy. No poison is so powerful and no germ so deadly that this great vegetable blood remedy cannot reach it, and ulcers of every kind quickly yield to its wonderful curative properties. If you have an old sore or ulcer, write us all about it, and medical advice or any information you may desire will be given by our physicians without charge.

SSS

A small pimple came on my jaw, but gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time then the Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it is remarkable what a wonderful effect it had from the beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good. Mrs. R. SHIRER, Wyaconda, Mo.

THE CAPITOL IS COMING

TRUANT OFFICER HAS BEEN CHOSEN

Constable Powell Appointed to Serve the City in That Capacity.

THE LAW IS VERY STRICT

And the New Officer Will Do His Best to See That It Is Properly Enforced. The Walker District Will Receive Attention.

Constable C. W. Powell was yesterday appointed truant officer for East Liverpool. Since the death of James Miller, who acted for years in that capacity, William Beardmore has to the best of his ability, served as truant officer. Owing to infirmities Mr. Beardmore was compelled to resign, and Constable Powell was chosen as his successor. The position of truant officer in this city at the present time is one of more responsibility than ever before. It seems as though the outlying districts contain a larger set of so-called incorrigibles than in many years. As a result of the conditions it was deemed necessary to appoint a more active officer.

In the Walker school district there are numerous cases reported and Constable Powell has been ordered to enforce the school laws to the letter. The total number of absentees, all of whom, according to the school act, should be in regular attendance at the Walker school, is not known. For the purpose of having every scholar within the age limit attending school, Constable Powell has been assigned the duty of enforcing the law.

Constable Powell stated last evening that he will apply himself vigorously in an effort to compel the parents of children who are known to be absent from the school to see to it that those pupils take up their studies. The newly appointed truant officer will base his actions upon the following provision of the state law:

"If said parent, guardian or other person having the legal charge and control of said child, shall wilfully neglect, fail or refuse to cause said child to attend some recognized school, it shall be the duty of said officers to make, or cause to be made, a complaint against said parent, guardian or other person having the legal charge or control of such child, in any court of competent jurisdiction in the city, village or township in which the offense occurred, for such refusal, failure or neglect, and upon conviction thereof said parent, guardian or other person, as the case may be, shall be punished by a fine of not less than $5 nor more than $20, or the court may in its discretion, require persons so convicted to give bond in the penal sum of $100, with one or more sureties to be approved by said court, conditioned that said person so convicted shall cause the child or children under his or her legal charge or control to attend some recognized school within five days thereafter, and to remain at school during the term prescribed by law."

STATEMENT FROM MANAGER CROSSLEY

Another Side to the Telephone Controversy According to His View.

OUTSIDE INFLUENCE CLAIM

At a meeting held in Y. M. C. A. hall Tuesday night, those present adopted the Bell telephone and will endeavor to create the impression that they represented the telephone using public of this city. As the representative of the Columbiana County Telephone Co. in this county, I feel it my duty to call the attention of our subscribers to the manner in which this action was brought about by men who outdid themselves in behalf of the other company.

In spite of the fact that the rates submitted to the business men by this company were exactly the same as those of the Bell and that the Columbiana County Telephone company can furnish connection with over twice as many subscribers as the Bell for the same rate that they charge for about one-third the service; not one word was said in behalf of this company and not a single valid reason offered in behalf of the adoption of the Bell 'phone and yet these men would ask you to reject a telephone service which you know to be better and more satisfactory than that of the Bell simply because they, for reasons known to themselves alone, have seen fit to favor the company furnishing the smallest service.

These tactics have been adopted by the friends of the Bell company throughout the county and simply because this company refused to resort to such methods it has been rejected at these meetings and yet the Columbiana County Telephone company is assured of the support of 75 per cent of its patrons.

In support of the assertion that the action of this meeting was not the voice of the business men of this city it is only necessary to call attention to the fact that the meeting was controlled by outsiders who were not appointed, or asked to act on the committee, at the citizens' meeting, but stepped in and influenced the meeting in favor of the Bell company with only one member of the authorized committee to assist them.

It is only necessary for the telephone subscriber to consider the methods adopted by the two companies and the service rendered by each in the past and the Columbiana County Telephone company will have nothing to fear.

Ths company will continue to do business with the public and compete for the telephone business of this county by furnishing a better and larger service at as low a rate as offered by the Bell.

This company desires to express its appreciation to the business men of this county for the hearty support they have given and to assure them that the service furnished in the future will warrant a continuance of their patronage.

Yours very truly,
W. F. CROSSLEY,
Sec. and Gen. Manager.
